TOMIZO KAMADA, the claimant herein, being first duly sworn, testified through the Interpreter as follows:

DIRECT EXAMINATION BY MR. BREWIN:

Q Mr. Kamada, the first part of your claim is in regard to a farm of approximately ten acres near New Westminster, about 5 miles from New Westminster, is that right? A: Yes.

Q And have you completed a form giving information about the farm? A: Yes.

10 Q Is that your signature there? A: Yes.

Q And are the facts set out in that form correct?

A Yes.

(STATEMENT MARKED EXHIBIT NO. 1).

MR. BREWIN: Perhaps I might ask my friend to file at this stage the report of the Soldier Settlement Board.

MR. HUNTER: I will file the Soldier Settlement Board appraisal as Exhibit 2.

(S.S.B. APPRAISAL MARKED EXHIBIT NO. 2).

MR. BREWIN: Q: Now I notice that you say this land was

20 originally purchased as long ago as 1904. Who bought it at that time? A: My father.

Q And he transferred it to you in 1934, is that right? A: Yes.

Q And had you lived on the property before he transferred it to you? A: Yes.

Q And I believe you have a document with you showing

t that the land belongs to you. I don't think we need to go into that, but you have it?

A Yes.

30 Q And I think you also have a document that shows your

father paid $700.00 for it? A: Yes.

Q And when was this land first cleared, or part of it? I think some of it wasn't cleared. When was it first started to be cleared? A: 1934.

Q 1934, and were you there then? Did you see the clearing that was being done? You had just bought it, I suppose? A: In 1928 we cleared just sufficient to build the house, then my father became sick and we didn't do any more clearing then at that time.

10

Q Now when was later clearing done then?

A From 1934.

Q And I see you say that it cost $250.00 an acre to clear that. Does he know that personally?

A Yes. We had some clearing done with hired labour, and that is what it cost per acre with hired labour, $250.00.

Q Did you have to use dynamite and that sort of thing?

THE COMMISSIONER: The clearing might be as heavy as that.

20

MR. BREWIN: Yes. I think that is all in regard to the farm, my lord. Oh no, I will just ask him one or two more questions.

Q According to the Soldier Settlement Board report, it was about a half a mile off the Scott main hard surfaced road, a direct road to New Westminster, is that correct? A: Yes.

THE COMMISSIONER: Q: It is in the Kennedy area, is it?

A Yes.

30

MR. BREWIN: Q: It says, "The house is somewhat shacklike

and quite cheap. The poultry houses are good."
Is that correct? A: Yes.

MR. BREWIN: Now perhaps I should put in now, although it might have more relevance in regard to the chattels --

Q Is this a lease which you made of this property and some of the chattels for a Mr. Boux?

A Yes.

Q That is your signature, is it?

10 A Yes.

MR. BREWIN: I think, my lord, that should go in. This is dated the 19th of May, 1942, and it leases the land here set out and a number of chattels which are listed until the 18th of January, 1943. It is dated the 19th of May and it is for $200.00 and thereafter from month to month at a rate of $15.00 a month, and there are various other provisions that I think I need not read now.

(LEASE MARKED EXHIBIT NO. 3).

20 Q You arranged that lease yourself, did you?

A Yes.

Q What date were you actually evacuated, or did you leave? A: 1942, in June.

Q So this lease was made a little while before you left, is that right? A: Yes.

MR. BREWIN: Now I think I would turn now to the personal property claim, and I think for convenience, my lord, we might deal with the fishing vessel separately. I will put this form in first.

30 Q Mr. Kamada, is that your signature on this document?

A Yes.

Q And this sets out some facts in regard to a fishing vessel that you owned, is that right?

A Yes.

Q And are the facts set out correct?

A Yes.

(STATEMENT MARKED EXHIBIT NO. 4).

THE COMMISSIONER: This is a vessel sold by the Custodian, is it?

10 MR. HUNTER: Sold by the claimant, my lord. He signed the bill of sale.

MR. BREWIN: I am going to ask him about it.

MR. HUNTER: The bill of sale is here if you would like it.

THE COMMISSIONER: You better have him identify that as his signature if he did sign it.

MR. BREWIN: Q: Did you sign a bill of sale for this vessel, Mr. Kamada? dated the 26th of June, 1942? Perhaps you can tell us, is that your signature?

20 A Yes.

Q And the witness is Mr. Kimura, apparently?

A Yes.

MR. BREWIN: That is a sale for $280.00, I think it is, $260.00 perhaps, it is hard to read.

Q Did you approve of that sale?

THE COMMISSIONER: Well, will not the document speak for itself?

MR. BREWIN: Well, my lord --

THE COMMISSIONER: Is there any suggestion that it was

30 made under duress or something of that description?

MR. BREWIN: Well I don't know, my lord. To tell the truth, the claimant hasn't told me of this document.

THE COMMISSIONER: This man Kimura was the Japanese representative on the Fishing Vessels Disposal Committee.

MR. BREWIN: Yes, I remember his name, my lord.

Q Well, Mr. Kamada, perhaps in view of the fact this sale was made by yourself, or at least signed by yourself, are you making any claim for it?

A Yes, I have a claim.

10 MR. BREWIN: He is claiming.

THE COMMISSIONER: Well I will deal with it now, Mr. Brewin. I would like you to tell the witness, Mr. Interpreter, that I have no authority to deal with claims such as that which he makes now because of the fact that it has been shown that he sold the vessel apparently of his own free will, and signed the bill of sale, so I am disallowing the claim.

THE INTERPRETER: He says, "Yes, I understand that".

THE COMMISSIONER: Would you put that bill of sale in, Mr. Hunter, so that the record is complete?

20

MR. HUNTER: I will file the bill of sale as Exhibit 5.

(BILL OF SALE MARKED EXHIBIT NO. 5).

MR. BREWIN: Q: In respect to other chattels which you are claiming for, have you prepared a form which has been signedby you? A: Yes.

Q And is that the form and is that your signature?

A Yes.

Q And are the facts set out there correct?

A Yes.

30 MR. BREWIN: Perhaps that ought to be filed as an exhibit.

(STATEMENT MARKED EXHIBIT NO. 6).

MR. BREWIN: There is one item in connection with that which I found it a little hard to understand. I think perhaps it should be a fixture which would be an element to increase the value of the land, but I had better question the witness about it.

Q Witness, included in this form, Exhibit 4, which was filed, the last item is 4500 feet of electric wire, which was apparently typed in as "chicken wire" at one time, but I think it is supposed to be electric wire. Where was it?

A That was the wire that was used to carry a current to the various electric brooders.

Q Therefore it was actually connecting one of these brooders or houses with another? It was attached to the building? A: Yes, itwas already attached and installed.

MR. BREWIN: It seems to me, if that is so, it shouldn't possibly be in the chattel claim probably.

THE COMMISSIONER: I will take it into consideration one way or the other. I take it you concede it would be a fixture.

MR. BREWIN: Well I don't know.

THE COMMISSIONER: Q: Is this copper wire?

A Yes.

MR. BREWIN: Well, my lord, as your Lordship knows the cases on fixtures are very fine.

THE COMMISSIONER: Yes, it is very difficult to determine. In any case you are entitled to claim for it in one respect or the other.

THE INTERPRETER: He says, "I purchased it in 1940and had it installed by a hardware merchant."

MR. BREWIN: Q: You actually paid $600.00, did you?

A Yes.

Q Now I notice that on this claim in regard to personal property, some of it is in rather general terms, household goods and garden tools. Am I right in saying that that was set out in more detail in the form attached to your claim form? Has your Lordship that? I am sorry, the original claim form. Has it a list attached to it?

THE COMMISSIONER: It has a list on the back.

MR. BREWIN: My lord, I am in some embarrassment about this. Mr. Best prepared this claim and he has written on the copy of the claim I have, "Household goods, list provided to Custodian".

MR. HUNTER: There is none on mine.

MR. BREWIN: And then there is attached to the claim form that was left with us a more detailed list of what is under the item of goods and under the item "tools". My lord, I am sorry about this, but the only thing I can do is perhaps file this. I had understood from lookingat this that it was filed by the claimant, with the claim.

THE COMMISSIONER: Apparently it was not. On the original that I have there is nothing except, and I can read it to you, "Household goods, list provided to Custodian, $184.15; garden tools and implements, list provided, $200.00; four beds, list provided, $130.00; 4 tons lime, $20.00".

MR. BREWIN: My lord, I wonder if I might stop your Lordship for the sake of saving time. I have that all written on the back of the form, then on the form we had attached a more detailed list, and as it said there was a list provided the Custodian, and I had assumed that this same list was attached to the form.

THE COMMISSIONER: You have not any record of it, even in your file?

10 MR. HUNTER: It isn't in our file.

MR. BREWIN: They are not very large items, and if I might file these now and if my friend has something further to add later about it, very good.

Q Mr. Kamada, attached to the copy of the claim form that you prepared for the benefit of the Co-Operative Committee appears a typed statement apparently in your own name. Did you make up that list yourself?

A Yes, it was typed according to my instructions.

Q That was done according to your instructions?

20 A Yes.

Q And I notice under the heading of goods there are a number of goods listed with specific amounts set against them, amounting in all to $184.00 which is the amount of household goods claimed for by you in the main part of the form?

A Yes.

Q And those are the goods for which you are claiming, are you, under the general heading of household goods? A: Yes.

30 Q And the amounts set out there, are they the values

that you put upon those goods? A: Yes.

Q I notice that you also include, I think, some electric wire in this list ? A: Yes.

Q And then tools which you claimed for. There is a long list of tools here on the last page, is that correct? A: Yes.

Q I see. Instead of itemizing them separately, they are very small ones, you put a value of $200.00?

A Yes.

10 Q That is your best estimate. You estimated them altogether, is that correct? A: Yes.

MR. BREWIN: My lord, may I file this document?

THE COMMISSIONER: If you mark it now, that will be Exhibit 7, and then you can withdraw it in order to have copies made for counsel and myself.

(LIST MARKED EXHIBIT NO. 7).

THE COMMISSIONER: I notice a 7 horsepower Palmer engine, I suppose it is, on the back of the claim.

MR. BREWIN: That was in the boat, sir. I am afraid

20 that comes out.

Q Now, Mr. Kamada, when you left the property, where did you leave these personal chattels that we have been discussing? A: All the household utensils were left in the house and all the tools connected with the chicken ranch were left in the chicken houses.

Q Did you leave them in anybody's care?

A They were rented to the tenant.

Q They were rented to the tenant? Well, you have

30 already put in as an exhibit the lease that is

Exhibit 3. There is a list of chattels included in the lease. I think there are some items in your claim that are not apparently included in this lease. What happened to them? Were they intended to be included? A: Yes, they also were intended to be leased and included in the lease. They were intended for the use of the tenant.

Q It was intended the tenant should have the use of all the household goods and farm implements?

A Yes.

Q And I notice there was a covenant by the lessee to "leave the above mentioned goods and chattels in as good condition and state of repair as at present, reasonable wear and tear only excepted". This lease apparently provides he shall look after them during the term of the lease?

A Yes.

Q I suppose you can't tell us what happened to the goods after the tenant vacated the premises, or after he left? A: No, I don't know.

MR. BREWIN: That is all, thank you.

MR. HUNTER: It is submitted, my lord, the real property was sold for its fair market value. It is submitted that the personal property sold was sold for its fair market value. It is submitted that claims made for personal property not sold are exorbitant. It is submitted that these chattels were left under the custody, control or management of some

person other than the Custodian, appointed by the owner, and that accordingly only those chattels which came under the custody, control or management of the Custodian are within the terms of reference.

CROSS-EXAMINATION BY MR. HUNTER:

Q Mr. Kamada, I show you a photograph. Would you explain of what that is a photograph?

A On the left is my house.

10 Q Yes, and what are the buildings in the background?

A In the centre foreground is a packing shed and in the background, right along in the background, -- in the centre foreground the packing shed and in the centre middle distance is the feedhouse, and then in the background are the chicken houses.

MR. HUNTER: Yes, thank you. I tender this as Exhibit 8, my lord.

(PHOTOGRAPH MARKED EXHIBIT NO. 8).

MR. HUNTER: The real property, my lord, appears to be

20 largely a question of value. However, we have an interesting comparison in this case, something which rarely happens and that is in addition to the Soldier Settlement appraisal Couthard, Sutherland & Company were asked to go out and make an appraisal of the buildings and they appraised the dwelling, woodshed and bath-house and four chicken houses. They didn't appraise the colony houses which were only of small significance, and the total appraisal came to $1740.00. The total appraisal of the

30 Soldier Settlement Board for the same buildings

came to $1805.00.

THE COMMISSIONER: What was Coulthard's again?

MR. HUNTER: $1740.00, and for the same buildings which are actually the main buildings, the others you will observe were appraised at a very low figure -- $1805.00. It is true on the write-down that the Soldiers Settlement Board submitted on the fair market value they are down to $1425.00, but I think this, at least, is of interest.

10 THE COMMISSIONER: It is helpful to get the comparison.

MR. HUNTER: It is always considered that the Soldiers Settlement Board are very conservative, and it was very interesting in this case --

MR. BREWIN: To see that someone else is conservative?

MR. HUNTER: -- that they may not be as conservative as my learned friend would like us to believe. As far as the chattels are concerned, I would file the analysis of personal property claim.

(ANALYSIS MARKED EXHIBIT NO. 9).

20 THE COMMISSIONER: You are able to go on with this chattel claim, are you?

MR. HUNTER: Oh, I think so, my lord. I think when your Lordship sees the analysis you will realize why. Perhaps before we go on to the chattels, I had better give you the sale price which was $1697.00 for the real property, my lord.

MR. BREWIN: Have you a copy of the valuation you referred to before? I think it was mentioned, and it should be put in.

30 MR. HUNTER: I would be glad to file it.

THE COMMISSIONER: Yes. That will be Exhibit 10.

MR. HUNTER: Yes. It is dated March 16th, 1943, the appraisal of buildings byCoulthard, Sutherland Company Limited.

(APPRAISAL MARKED EXHIBIT NO. 10).

MR. HUNTER: The assessed value of the property is Lot 75, land, $263.00, improvements $1200.00, and Lot 78, land $261.00, no improvements, total assessment, $1724.00, that is for the year 1943.

10 The taxes are $18.26.

I tender the appraisal of Trapp Motors Limited, dated January 22nd, 1946, which states, "Under instructions from the Custodian's office, we have appraised and sold to the tenant, M.A. Toews, the following goods: A few household effects, 2 electric brooders, brooder stoves, 1 oil incubator, $140.00." This was submitted to the rural Advisory Committee and approved on the 22nd of March, 1946.

(APPRAISAL MARKED EXHIBIT NO. 11).

20 MR. HUNTER: In addition to that, the lumber stored in the chicken house, plus approximately 800 feet of 1 x 4, and used shiplap lumber piled outside by the chicken house was sold for $50,00 to S. Pearce. In support of that sale price it is interesting to observe here a letter which I believe was from the claimant.

MR. BREWIN: We are not making any claim for that, are we?

MR. HUNTER: I beg your pardon?

30 MR. BREWIN: We are not making any claim for the lumber.

You are talking now about a quantity of lumber that was sold.

MR. HUNTER: I don't know, because I haven't a copy of that.

MR. BREWIN: I am very sure there isn't any claim for it.

MR. HUNTER: If there is no claim, then we won't bother with it.

THE COMMISSIONER: Can you help me with Exhibit 9, the Custodian's analysis, as to what this means? "The balance of goods were either used on the property or discarded"; I can understand the "discarded", but what is the suggestion back of "used on the property"? Is it that they were used by the claimant's tenant or used by the subsequent tenant put in by the Custodian?

MR. HUNTER: Yes, by the subsequent tenant, my lord. Perhaps to clear the matter I should file the subsequent lease which includes one electric brooder, one oil incubator, two hoes, one axe, and one cross-cut saw.

THE COMMISSIONER: Those were the articles that were appraised by Trapp, were they not?

MR. HUNTER: I presume they were, my lord. He refers to more than that, though. I think you have the appraisal, my lord, and I have kind of lost track of the numbers.

THE COMMISSIONER: He said a few household effects, two electric brooders, brooder stoves, and one oil incubator.

MR. HUNTER: Yes. You see this includes one electric

brooder, one oil incubator, two hoes, one axe, and one cross-cut saw. It doesn't include any household furniture, and only one brooder.

MR. BREWIN: Then there is the statement on the claim form that there is a provision in the latter lease, I assume that is this lease, for sufficient space for storage of chattels and effects on the premises apart from the above mentioned. I suppose those chattels are not listed in the general statement, or is there anything in your file that shows what chattels there were apart from the above mentioned?

MR. HUNTER: I don't think so. There is the original inventory which was made on April 13th, 1943, As far as I know this is the only inventory, and I would judge is considerably different from what is attached to your claim, although I have never seen it.

MR. BREWIN: I wonder if you would put that original inventory in.

MR. HUNTER: I think, my lord, I should file this original inventory made early in 1943.

THE COMMISSIONER: That was made by the Custodian, was it?

MR. HUNTER: Made by Anderson of the Custodian's office, my lord. It must have been made somewhere around the time when this second lease was made. The second lease was made on the 12th of December, 1942, and apparently in April of the next year, during that lease, this inventory was taken. Now whether anything that is in the claim filed disappeared before this inventory was taken would be difficult

to say I should think.

THE COMMISSIONER: Yes, I should think it would be.

MR. HUNTER: But the values do not appear to be much, judging by the appraisal. I would tender that inventory, my lord.

(INVENTORY MARKED EXHIBIT NO. 12).

MR. BREWIN: I don't know whether my learned friend can help me on this, I don't suppose he can, but is there any information as to when Mr. Toews vacated the premises?

MR. HUNTER: I might find something in a note here.

THE COMMISSIONER: Well, Exhibit 9 shows that the sale of the articles to Bernard Smith took place on November 2nd, 1942. The lease was only made in May.

MR. BREWIN: Yes.

THE COMMISSIONER: He apparently was not there very long.

MR. HUNTER: Oh, he got out some time during 1942. He did not complete his lease, my lord.

MR. BREWIN: I wonder, does my friend propose to file that lease?

MR. HUNTER: Yes, I do. It will be noticed that this lease goes up to the 18th of January, 1943, subject to any renewal, and he obviously left before the termination of his lease, my lord.

THE COMMISSIONER: You are putting in the lease to Smith, is it?

MR. HUNTER: Yes, I tender that. It is dated the 12th of December, 1942. It leases from the 2nd of November, 1942, to the 30th of October, 1943, for the sum of $210.00 . So that quite clearly I

judge that the previous tenant vacated some time prior to the 2nd of November, probably in October. I would tender that as Exhibit 13, my lord.

(LEASE MARKED EXHIBIT NO. 13).

MR. HUNTER: Now, at the moment, my lord, I have no information as to the circumstances of the previous tenant vacating; whether notice was given so that the Custodian had a chance to protect the property, or whether he just vanished, I couldn't say, but I would like my friend to be aware of the fact that I may, when the circumstances do become apparent, that I may take the position and make the submission it was due to the claimant's own tenant disappearing.

MR. BREWIN: My friend can make that submission and I will reply that it makes no difference unless he could prove it was lost, destroyed or stolen.

THE COMMISSIONER: You are only being given notice now.

MR. HUNTER: There is nothing else I think at this time that I can tell you, my lord.

THE COMMISSIONER: Is there any re-examination, Mr. Brewin?

MR. BREWIN: No, I don't think so, my lord.

THE COMMISSIONER: That is all, thank you, Kamada.

Farm Appraisal Report

#15

Remarks: Place fairly well located about ½ mile off Scott Main hardsurfaced road a direct route to New Westminster. Bayley Road on which this is situated is a narrow, gravelled cross road, always passable but not a really good road. School is a little over a mile away as is also B.C.E.R. Station.

Soil is quite sandy with pebbles intermixed. It overlays quite a gravelly subsoil with hardpan at 2-3' varying in different parts. It is a hungry soil that would dry out easily.

House is somewhat shacklike and quite cheap. Poultry houses are good. Place is overloaded with buildings for anyone but a poultry man.

It is planted to the following small fruit:

Strawberries	.8 ac.
" interpl with gooseberries	.2 ac.
Gooseberries	.03 ac.
Black currants	.05 ac.

Tenant is J. B. Boux a Frenchman who pays $200 till 20th which includes $85 for the crop and he is to pay $15 afterwards. He more or less suggested that he would buy at $1500.

THE LESSEE COVENANTS with the Lessor to pay rent; and to repair (reasonable wear and tear and damage by fire or tempest only excepted) and to pay all water and gas rates and electric lighting, and which shall be assessed or chargeable upon the said premises during the term hereby demised or during the time the Lessee shall occupy the demised lands as tenant to the Lessor under these presents;

AND IT IS FURTHER AGREED that if the said premises shall at any time become vacant during the said term in consequence of the removal by legal process of the Lessee for non-payment of rent or any other case, the Lessor may re-enter the said premises and use such force as the Lessor shall have without being liable for any prosecution, and may thereupon treat the said lease as terminated, and re-let the said premises for his own use, or the Lessor may re-let the said premises as Agent of the Lessee, applying the avails thereof to the expenses that may accrue in re-entry and then to the payment of the rent due under these presents and the balance to pay over to the Lessee, or may hold the Lessee for any balance remaining due after applying the proceeds;

PROVIDED ALSO and it is hereby expressly agreed and understood by and between the parties hereto, that if the term hereby granted or any of the goods and chattels of the Lessee shall at any time during the said term be seized or taken in execution or attachment by any creditor of the Lessee or if the Lessee shall make any assignment for the benefit of creditors or, becoming bankrupt or insolvent shall take the benefit of any Act that may be in force for bankrupt or insolvent debtors or shall abandon said premises, then and in every such case the then current rent for the then current term shall immediately become due and be paid;

THE Lessor and the Lessee further agree that upon request being made, or notice being given by the Municipal Health Officer or other proper corporation officer of the said Municipality to the Lessor or the Lessee, the Lessee shall immediately comply with the demands contained in such request or notice in connection with the sanitary arrangements of the said premises, and shall put and place all plumbing work and drains in such state as to fully comply with the requirements demanded by the Health Officer or other officer, or the requirements of the Board of Health of the said Municipality, and to the satisfaction of the Municipal Officials having charge of such matters, and will save the Lessor harmless and indemnified in connection therewith or of the infraction of the rules and requirements of the Municipal Health Department, and if not done asaforesaid the Lessor may do the same and may charge the cost thereof against the Lessee, and shall have the same rights to recover the money so expended as if they were arrears of rent in respect of the said premises;

AND THE LESSEE hereby agrees that he will not assign or sub-let without leave and will not carry on any business that shall be deemed a nuisance on the said premises;

AND the Lessee covenants and agrees to and with the Lessor that he, the said Lessee will not dispose of any of the crop produced on the said lands if any rent is in arrears or unpaid without first obtaining the consent in writing of the Lessor;

AND the Lessee further covenants with the Lessor that the Lessor shall have the right to enter the premises at reasonable hours of the day or examine the said premises and also to post a notice for selling or re-letting them, and that the Lessee will not remove said notice.

AND the Lessee will permit the Lessor or his Agent to exhibit the said premises to any prospective tenant or purchaser and will permit all persons having written authority therefor to view the said premises at all reasonable hours;

PROVIDED ALWAYS and it is hereby agreed by and between the parties hereto that if the said Lessee shall hold over after the expiration of the term hereby granted and the Lessor shall accept rent, the new tenancy thereby created shall be a tenancy from month to month and not a tenancy from year to year, and shall be subject to the covenants and conditions herein contained so far as the same are applicable to a tenancy from month to month.

MEMORANDUM

December 12, 1949.

TO: Mr. F. G. Shears

FROM: Mr. J. Cuming

Re: Case No. 1036 - Tomizo KAMADA

Mr. Justice Bird noted a Special Award of $327.00 in this case.

The above figure of $327.00 is actually the total of the "Miscellaneous Chattels" award, and while we disagree with any award on a claimed value of $620.00 for electric wiring, the Commissioner at Pages 7 and 8 of the Transcript stated the Claimant was entitled to compensation.

On our ledger sheets this claimed amount and award have been charged to V. L. A. together with Pumps, etcetera.

No electric wire was declared on Form JP, but the Claimant sent an undated supplementary list declaring 4500 feet valued at $500.00.

Exhibit No. 6 notes 4500 feet purchased in 1940 for $600.00.

Page 2 of Exhibit No. 7 notes various lengths of wire to a total of 3300 feet at a value of $500.00.

The V. L. A. appraisal (Exhibit No. 2) notes the existence of the electric wiring without placing a specific value on same. However as all the chicken houses, etc., are listed and the remark "Electric lights" appears at the end of the list, this office takes the stand that the value of the wiring was taken into consideration when the chicken houses, etc., were valued.
