MR. McMASTER: I would like to call the case of Kizo Natsuhara, No. 217 on the original list.

KIZO NATSUHARA, the Claimant herein, being first duly sworn, testified through the official interpreter as follows:

MR. McMASTER: In this case, your honour, I would ask leave to reduce the real property claim to $5300.00. The property was sold by the Custodian for $2168.00, leaving a net real property claim of $3132.00. To amend the claim for chattels so that the claim will only be for items No. 5 and 6, two sewing machines, $100.00 each, and the Chevrolet car, for which the claim is reduced to $200.00, making a total chattel claim of $400.00. The Custodian sold these items for $222.00, leaving a net chattel claim of $178.00.

DIRECT EXAMINATION BY MR. McMASTER:

Q: Witness, did you instruct me to prepare this statement with regard to your real property claim and is that your signature on the statement?

A: Yes.

Q: Are the contents of that statement true to the best of your knowledge and recollection?

A: Yes.

MR. McMASTER: I ask to file that as Exhibit No. 1.

(STATEMENT MARKED EXHIBIT NO. 1)

MR. McMASTER: I file on behalf of my learned friend as Exhibit No. 2 the appraisal report of the Soldier Settlement Board with respect to this property.

(APPRAISAL MARKED EXHIBIT NO. 2)

Q: Witness, I produce to you a picture. Is that a picture of your house which was on these premises?

A: Yes.

Q: Approximately what date was that taken?

A: I am not sure of the date.

Q: How long before evacuation?

A: About two years before evacuation.

MR. McMASTER: I ask to file that as the next exhibit.

10 (PICTURE MARKED EXHIBIT NO. 3)

MR. McMASTER: If I might refer to Exhibit No. 1, your honour. Before doing so, however --

Q: Witness, this property was situated about one mile from Whonnock, is that right?

A: That is right.

MR. McMASTER: Referring to Exhibit No. 1, the claimant shows that the total acreage was 29 acres -- twenty-nine and a quarter acres, rather, and it was purchased by his father in August 1919 for

20 $3500.00 at which time there were only six acres cleared. There was an old house and barn which are still on the premises, and which were on when his father purchased, but they are of little or no value. Since that time 5.5 acres have been cleared and the land has been cultivated, and the claimant or his father installed electricity. At the time of evacuation there were about five and a half acres which were cultivated and in crop -- no, I am sorry, there were five and a half acres

30 which were cultivated and not planted and about

six acres which were planted in hay. The claimant then sets out the various buildings which were erected on the land and the approximate cost thereof. He states that up to 1938 his father had operated this farm as a small fruit farm. His father made a living for himself, wife, and seven children from this land and built it up. He had developed a good chicken business as well. When the father died, the claimant's brother and himself had been working
10 outside and decided to continue doing so. They went into the trucking business and carried on with the chickens and grew some rabbits. However, they did not keep the small fruits up. The land, however, was quite suited to small fruit farming.

The claimant then refers to a reference in the appraisal report that two of his sisters had died of T.B. and he states that the two girls who died of T.B. died early in the 1930's so that the appraisor's reference to this is unfair; and he
20 says that neither of them died in the house that the claimant and his father had built on the land.

Q: Now, witness, I produce to you a statement with regard to the sewing machines and the automobile with respect to which you are making a claim. Did you instruct me to draw this statement and is that your signature on it?

A: Yes.

Q: Are the statements contained therein true to the best of your knowledge and recollection?

30 A: Yes.

MR. McMASTER: I file that as the next Exhibit.

(STATEMENT MARKED EXHIBIT NO. 4)

Q: Witness, I produce to you a receipt from the Royal Canadian Mounted Police dated March 20, 1942 with respect to a 1931 Chevrolet Coach. Is that the receipt which you received?

A: Yes.

MR. McMASTER: I would ask my learned friend if he would be good enough to advise me whether any appraisal was made on the sewing machines before their sale?

MR. McTAVISH: There is no record of any appraisal in my file, your honour.

MR. McMASTER: I would ask my friend to be good enough, if the Custodian has an appraisal, to produce it before the hearings in Vancouver.

Could my learned friend advise me as to whom the truck or the automobile, rather, was sold?

MR. McTAVISH: To Kozawka, sold on the 17th of August, 1942.

MR. McMASTER: Your witness. I am sorry, I didn't file the R.C.M.P. report which the witness identified. I would like to file it as the next exhibit.

(R.C.M.P. RECEIPT MARKED EXHIBIT NO. 5)

MR. McTAVISH: It is submitted, your honour, that the real property was sold for its fair market value. It is further submitted, your honour, that the personal property was sold for its fair market value.

I would ask my friend to admit the 1943 assessed value -- it shows on the claim form, the claim-

ant's statement -- Land, $1800.00 and improvements, $2200.00.

MR. McMASTER: That is correct.

CROSS EXAMINATION BY MR. McTAVISH:

Q: Witness, before you left this property, did you lease it to Robert Gillespie?

A: Yes.

Q: At a rental of $10.00 per month? A: Yes.

10 Q: Witness, you admitted that you worked at trucking and you did not make your sole income from the property. A: Yes, I worked at the trucking business; when I had time I worked on the farm.

Q: How old are you, witness? A: Forty-two.

Q: Did you actually work at building these various houses you show as being on the property?

A: Yes, I and my brother.

Q: Did you buy the materials? A: Yes.

MR. McTAVISH: Your honour, I would like to show a com-

20 parison of the value of the personal property sold and the price obtained by auction.

One sewing machine, for which $100.00 is claimed, was sold at auction for $85.00. The second sewing machine, for which $100.00 is claimed, was sold at auction for $57.00. The Chevrolet 1931 coach, for which $200.00 is claimed, was sold for $80.00 by tender.

Q: Now, witness, before you were evacuated, did you transfer this Chevrolet coach to Ray Kozawko --

30 excuse me, I am wrong on that. The name is S.

Zarnowski. A: Yes.

Q: What did you do that for?

A: I was told that it was all right, and I did it for that reason.

Q: You actually kept ownership of the car, but you transferred it into his name.

A: I transferred it to his name.

Q: But you kept the ownership.

THE COMMISSIONER: That is a question of law, isn't it?

10 MR. McMASTER: That is very technical, I think.

MR. McTAVISH: Q: This was a transfer made by you to attempt to evade the regulations, is that correct?

A: No.

THE COMMISSIONER: I suppose we can rely on you, Mr. McMaster, to protect your client from making incriminating statements.

MR. McMASTER: I am not worried about that.

MR. McTAVISH: What was the date you transferred it to Zarnowski? A: Just before I was evacuated.

20 Q: At the time, was the condition of the car as shown in the Royal Canadian Mounted Police Report correct?

A: The window was broken -- the headlights were broken.

Q: Was the right front seat missing?

A: Yes.

MR. McTAVISH: That is all, your honour; it is a question of value in all cases.

RE-DIRECT EXAMINATION BY MR. McMASTER:

30 Q: Witness, did you consider that the rental which you

got for your farm of $10.00 per month was a fair rental for the farm?

A: I thought it was cheap, but there was nothing else to do.

Q: Why do you say there was nothing else to do?

A: Because I had to be evacuated and this man asked me to rent it, and I didn't see that there was anything else to do.

MR. McMASTER: That is all, your honour.

10 THE COMMISSIONER: Thank you, that is all.

Farm Appraisal Report

Remarks: Originally owned by a Mr. Oliver, one of the old-timers. He had cleared the east six acres as far north as the wagon trail crossing north and south. Japanese then cleared again westward, and set out to raspberries and blackberries. It was found these did not thrive, as they dried out. For the last four years this acreage has been burned off in the fall. It is now a tangle of bramble and wire, neither pasture nor hay. There are two dwellings hard by the new dwelling and some other old sheds, which should be torn down and burned. This may be the source of the T.B.?

(FOR ORCHARD LANDS ONLY)

REMARKS: **re general lie of land, fertility of soil, irrigation, drainage or dyking and reclamation.**
