June 25, 1948

IN THE MATTER OF THE CLAIM OF

SAHEI YAMASHITA

PROCEEDINGS AT HEARING

20 APPEARANCES:

DONALD MACDONALD, Esq.,	appearing for the Dominion Government
A.E. COBUS, Esq.,	appearing for the claimant.

W.J. STURGEON, Esq.,	Secretary to New Denver Sub-Commission
G.N.R. UPTON, Esq.,	Official Interpreter
G. HAMBLETON, Esq.,	Official Reporter

30

MR. COBUS: The claim, your honour, of Sahei Yamashita, No. 67 on the Secretary's list. I am calling in this case, your honour, the wife of the claimant, Tamiye Yamashita, inasmuch as her husband is in hospital and is unable to give evidence on his own behalf.

(MRS) TAMIYE YAMASHITA, a witness called on behalf of the claimant herein, being first duly sworn, testified through the official interpreter as follows:

10

DIRECT EXAMINATION BY MR. COBUS:

Q: What is your full name, please?

A: Tamiye Yamashita.

Q: Your husband is in hospital, is that correct, witness? A: Yes.

Q: What hospital is that?

A: At the sanitarium in New Denver.

Q: And he is so sick as not to be able to appear here today, is that correct? A: Yes.

20 MR. COBUS: I would ask leave, your honour, to amend the claim, which is a claim for personal property only, by showing a total of $772.50 for chattels, which is itemized on a list to be filed as part of the statement, and we are crediting the Custodian with $46.95, leaving a net claim and a whole claim of $715.55.

Q: Witness, I produce to you a statement concerning the personal chattels for which your husband

30 has submitted a claim. On behalf of your hus-

band did you instruct Mr. Leckie to prepare that statement and is this your signature?

A: Yes.

Q: You have full knowledge of the matters relating to this claim, have you?

A: Yes.

Q: In your statement you make reference to a list attached to your statement. I produce to you now a two page list of chattels totalling $772.50. Is that list the one to which you make reference in your statement?

A: Yes.

Q: Is the information contained in your statement and lists true to the best of your knowledge and recollection?

A: Yes.

THE COMMISSIONER: That will be Exhibit 1.

(STATEMENT MARKED EXHIBIT NO. 1)

MR. COBUS: In the statement now marked Exhibit 1, your honour, the witness refers to the lists attached to show where the goods were stored, and if your honour refers to the lists attached, in capital letters below several groups she has indicated that certain goods were stored at the Imai house at Steveston, B.C., two items at Hato's net house, Imperial Cannery, Steveston; the carpenters tools stored at Imai's house, Steveston, B.C.; certain lumber claimed stored at house No. 21 Pacific Coast Cannery, Steveston, B.C., which was occupied by Y. Kitade; another group

stored at the boat house of the Pacific Coast Cannery, Steveston, B.C.

In her statement she says that she is representing her husband as to the claim and that he, the husband, is a bed patient in hospital and is unable to appear. She says that depreciation has been allowed on all used items, while unused items are valued at cost.

Perhaps I should have asked earlier, your
10 honour, to file this authority of the husband.

Q: Witness, I produce to you a document which appears to bear the signature of S. Yamashita and is dated at New Denver, B.C. on June 5, 1948. Is that signature the signature of your husband? A: Yes.

MR. COBUS: I would ask leave, your honour, to file the signed authority of the claimant.

THE COMMISSIONER: That will be Exhibit 2.

(AUTHORITY MARKED EXHIBIT NO. 2)

20 MR. COBUS: Would my friend produce the Analysis of Personal Property Claim?

(Handed to Mr. Cobus)

MR. COBUS: A three page Analysis of Personal Property Claim is filed on behalf of the Crown.

(ANALYSIS MARKED EXHIBIT NO. 3)

MR. COBUS: In regard to page 2 of the Analysis, your honour, I point out that there are three items shown under "No record at any time" relating to certain chisels, machine hammer, and a nail
30 hammer. That would appear to be an error inasmuch

as on page 1, which shows the reported items on the J.P. form in column 1, the seventh item from the top is shown as one set of carpenter tools in a box. Similarly, lower down in that column are two items, an augur handle and a wood file. I make the same comment with respect to that. Finally, lower down in the "Details of Claim" column, still on page 2, under the heading "Household Property" the Custodian shows the $10.50 item for kitchen tools as no record at any time. In the declaration kitchen utensils and dishes are declared, and obviously that declaration would cover that item.

Your witness.

MR. MACDONALD: I submit, your honour, that the personal property was sold at its fair market value.

I would like to draw your honour's attention to the Analysis that is filed, showing that the great bulk of the goods were declared as reported by the wife on behalf of the husband on June 5, 1945. The original declaration was made by the husband on April 10, 1942. There is a period of over three years between the two declarations. Your honour will note that there are a lot of articles declared but not found, and the bulk of those seem to be those reported after June 5, 1945. The Analysis also shows the goods that were sold by auction. I don't think there is anything else that I could say about that only to say that this very likely was caused by

the delay in reporting to the Custodian the goods and chattels belonging to the claimant.

Again I should like to draw your honour's attention to the comment that occurs in the file about the theft and pilfering that went on at Steveston, and it could very well happen in this period of three years that the Custodian would have no record of the goods or who owned the goods.

10 That is all I have to say, your honour.

MR. COBUS: My friend has raised the question of late declaration. I would ask him to produce, your honour, a copy of a letter from the Custodian to Mrs. Kitade, which I think is dated -- I haven't the exact date in '46.

(Handed to Mr. Cobus)

MR. COBUS: I have had produced, your honour, a carbon copy of a letter from the Custodian's file dated March 11th, 1946 addressed to Mrs. Sute Kitade

20 at Magrath, Alberta. The only relevant paragraph is the second to the last, which I shall read, with your honour's leave, into the record:

"We note your letter of December 17th, in which you list additional goods left in House 21 and not mentioned in our letter of November 30th, 1942. Did these goods belong to you, particularly the lumber? Mr. Sahei Yamashita declares having left a similar amount of lumber at the same address. It does not seem likely

30 that two persons would leave practically the same

kinds of lumber and the same measurements at the same house."

In other words, there was correspondence, your honour, and I think it would appear from this letter from the Custodian that Mrs. Kitade had written the Custodian in December of 1942, that the Custodian was communicated with on November 30, 1942.

THE COMMISSIONER: This letter is dated 1946.

10 MR. COBUS: 1946, true; in other words, it was not quite four years, but three years, before the Custodian made any effort to find out what was the situation.

THE COMMISSIONER: This will be Exhibit 4.

(LETTER MARKED EXHIBIT NO. 4)

THE COMMISSIONER: That is all, thank you.

(Witness aside)

(PROCEEDINGS ADJOURNED SINE DIE)

20 I hereby certify the foregoing to be a true and accurate transcript of the proceedings herein.

March 11th, 1946.

Mrs. Sute KITADE,
Reg. No. 03731,
MAGRATH, Alta.

Dear Madam:

You have written us on December 30th, 1945 and February 19th, 1946, regarding nets and lines which you state you left with us before your evacuation.

A reference to your file shows that you declared only furnishings for a six room house left at House #21, Pacific Coast Cannery.

On referring to the file of your son, Yasuo KITADE, we note that you supplied us with information of five nets, cork and lead line left at the Cannery net house in care of the watchman. Any sale of these nets would be credited to the account of your son.

We note your letter of December 17th, 1942, in which you list additional goods left in House #21 and not mentioned in our letter of November 30th, 1942. Did these goods belong to you, particularly the lumber? Mr. Sahei YAMASHITA declares having left a similar amount of lumber at the same address. It does not seem likely that two persons would leave practically the same kinds of lumber and the same measurements at the same house.

Thanking you in anticipation for your prompt reply.

Yours truly,

R. B. Mackedie
