June 7th, 1948.

IN THE MATTER OF THE CLAIM OF

KIYOMI YANO.

PROCEEDINGS AT HEARING.

20 APPEARANCES:

J.W.G. HUNTER, Esq.,	appearing for the Dominion Government.
ROGER OUIMET, Esq., K.C.,	appearing for the claimant.

A. WATSON, Esq.,	Secretary.
D.J. HANDFORD, Esq.,	Official Interpreter.
A.G. VEITCH, Esq., C.S.R.,	Official Reporter.

MR. OUIMET: Rather than consider the original claim which has to be amended from beginning to end, I would respectfully suggest that we consider only the claims which we are making now, my lord.

THE COMMISSIONER: Very good.

KIYOMI YANO, the claimant herein, being first duly sworn, testified through the Interpreter as follows:

MR. OUIMET: The claimant is making four claims, my lord, for personal chattels and personal property, the first one being for equipment, which was valued at $2,901.00, sold by Custodian for $622.55, leaving a net balance of $2,278.45.

THE COMMISSIONER: That is the equipment of a cleaning and dyeing business?

MR. OUIMET: Yes. The equipment of a cleaning and dyeing business, my lord.

Then he claims for two cars of a total estimated value of $1,960.00, less $1,195.00 for which they were sold by the Custodian, leaving a net claim of $765.00. I may say that one of the cars should be described as a vehicle, as it is actually a truck.

THE COMMISSIONER: Yes.

MR. OUIMET: The third claim is for personal effects of a total estimated value of $627.25, less $200.70, leaving a net balance of $426.55. The last one is for goodwill estimated at $3,000.00; a grand total for these four claims of $6,470.00.

THE COMMISSIONER: Do you propose to establish that the Custodian sold this business as a going concern?

MR. OUIMET: As a going concern, yes, my lord.

THE COMMISSIONER: Very well.

DIRECT EXAMINATION BY MR. OUIMET:

Q Will you take communication of a claim with respect to personal chattels with inventory attached thereto for $2,278.45, said claim bearing your signature? Will you kindly identify the signature, the claim, and file it together with the inventory of equipment

10 asExhibit 1? A: Yes.

Q Will you take communication of the personal chattels claim for one Oldsmobile De-Luxe sedan, 1940, and one 1937 Chevrolet panel delivery truck, a claim for $765.00, bearing your signature, identify the claim, your signature and file it asExhibit 2?

A Yes.

(PARTICULARS OF PERSONAL CHATTELS MARKED EXHIBIT NO. 1).

(PARTICULARS OF PERSONAL CHATTELS MARKED EXHIBIT NO. 2).

20 Q Will you please take communication of a personal property claim for $3,000.00 being the goodwill of your cleaning and dyeing establishment at 2163 East Hastings Street, Vancouver, identify your signature and file this claim with remarks on the reverse side asExhibit 3?

A Yes.

(PARTICULARS OF PERSONAL PROPERTY, BUSINESS, MARKED EXHIBIT NO. 3).

Q Please take communication of a personal chattels claim bearing your signature, for a total value of

30 $426.55, together with inventory of personal effects,

identify the inventory, your claim, the signature, and file the same as Exhibit 4?

A Yes.

(PARTICULARS OF PERSONAL CHATTELS, INVENTORY OF PERSONAL EFFECTS, ETC., MARKED EXHIBIT NO. 4).

Q Will you take communication of a letter from the Custodian dated January 21, 1944, with certificate from Canadian General Insurance Company establishing that at the time of the date David Neon Limited and the City of Vancouver and Diamond Cleaners as their respective interests may appear, "are insured" for $50,000.00 and $100,000.00 respectively for accident and file this letter and the certificate numbered 168 as Exhibit 5.

THE COMMISSIONER: How does that relate to the claim here?

MR. OUIMET: It is because that part of the claim involves the Neon sign and it also shows that this was a going concern in 1944 and was insured as such by the Custodian.

THE WITNESS: Yes.

(LETTER, CUSTODIAN TO CLAIMANT; CERTIFICATE NO. 168, CANADIAN GENERAL INS. CO., MARKED EXHIBIT NO. 5).

MR. OUIMET: Would my friend tender the analysis of personal property claim which I wouldlike to file as Exhibit 6, together with an attached inventory of the equipment?

MR. HUNTER: I tender the analysis of personalproperty claim with attached schedule.

(ANALYSIS OF PERSONAL PROPERTY CLAIM & SCHEDULES, MARKED EXHIBIT NO. 6).

MR. OUIMET: Would my friend tender the R.C.M.P. exhibit report with respect to seizures, Numbered T-58, and No. 17, being for the Chevrolet truck and the Oldsmobile sedan, and file same together as Exhibit 7?

MR HUNTER: Both? mI think they should be separate.

MR. OUIMET: No. T-58 as Exhibit 7, and No17 as Exhibit 8.

(R.C.M.P. RECEIPT MARKED EXHIBIT NO. 7).

(R.C.M.P. RECEIPT MARKED EXHIBIT NO. 8).

Would my friend file as Exhibit 9 the original letter sent to the Department of the Secretary of State by K. Mano of September 4, 1942, re list of articles and car and truck?

MR. HUNTER: I file this letter of the claimant of January 18, 1943, and September 4, 1942, to the Custodian, with an inventory attached thereto as Exhibit 9.

(LETTER & INVENTORY MARKED EXHIBIT NO,9).

MR. OUIMET: Would my friend file as Exhibit 10 a letter to F. Matheson, dated January 21, 1946, re telescope?

THE COMMISSIONER: Aletter from whom?

MR. OUIMET: From the claimant.

THE COMMISSIONER: And the date, again?

MR. OUIMET: January 21, 1946.

MR. HUNTER: I tender the letter, as requested.

(LETTER, CLAIMANT TO CUSTODIAN, JAN. 21, 1946, MARKED EXHIBIT NO. 10).

THE COMMISSIONER: Before you go any further, would you help me with Exhibit 3? That is a claim for $3,000.00 goodwill. Is there included in that claim for goodwill certain chattels which are enumerated in

the centre of the page?

MR. OUIMET: I would not say that these are actually included in the claim for goodwill, but they are to establish why the value of the business was enhanced.

THE COMMISSIONER: I suppose the turnover and income would serve to establish a value of goodwill on the assumption that the business was in existence for some time and was continuing at the time of sale?

MR. OUIMET: Yes, my lord.

THE COMMISSIONER: I do not see how the chattel feature can be considered in relation to goodwill, but all I wanted to be sure of was you are not including these chattel values in the goodwill.

MR. OUIMET: No.

THE COMMISSIONER: Those are quite independent?

MR. OUIMET: Those are quite independent. It is only to substantiate the claim and explain what sort of business it was.

If your Lordship will look at the inventory of equipment, all you will see on Exhibit 3 appears in Exhibit 1.

THE COMMISSIONER: All right. That clears it up.

MR. OUIMET: It was only an illustration of what kind of business it was when it was operating as a going concern.

THE COMMISSIONER: I understand.

MR. OUIMET: Would my friend tender an original letter sent by Mr. W.G. Willard on April 5, 1945, to the Office of the Custodian, re goods belonging to Mr. Y ano and valuation of same?

MR. HUNTER: Is this the letter you mean?

MR. OUIMET: Yes.

MR. HUNTER: I tender the appraisal of W.G. Willard, dated April 5, 1945, appraising certain household furniture and effects.

(APPRAISAL, W.G. WILLARD, APRIL 5, 1945, MARKED EXHIBIT NO. 11).

MR. OUIMET: Would my friend please tender as Exhibit 12 a tender for parcel "C" and signed by Sato Lin, dated March 15th, 1945?

10 MR. HUNTER: Had you not better file the advertisement first?

MR. OUIMET: I would ask my friend to file as Exhibit 13 the advertisement for the business on which advertisement appears parcel "C", together with Parcels "A" and "B".

MR. HUNTER: I would tender the tender of Sato Lin as requested, dated March 15, 1945, as Exhibit 12.

(TENDER, PARCEL "C" OF SATO LIN, MARCH 15, 1945, MARKED EXHIBIT NO. 12).

20 MR. OUIMET: And may I point out that in his tender Sato Lin says, referring to the third paragraph:

> "I should like to point out that I am at present operating this equipment and depend for my livelihood on it is situated on rented premises andmy landlord is satisfied with me as a tenant."

That was on March 15, 1945; and in the analysis of personal property it is mentioned that the property was leased or rented to Mr. Sato Lin.

30 MR. HUNTER: As requested, I tender an advertisement

calling for tenders on this property appearing in the Vancouver Daily Province on February 26th, 1945, and the Vancouver Sun on February 27th, 1945.

(ADVERTISEMENT CALLING FOR TENDERS, MARKED EXHIBIT NO. 13).

MR. OUIMET: Q: I understand that you had had some offers as regards the Chevrolet 1937 truck?

A Yes.

Q About when did you have these offers and from whom?

A I think it was about the end of February or early in March from some person in the sausage business. I do not remember his name.

10

Q In the sausage business? A: Yes.

Q What year? A: 1942.

He came to look at it but made no definite purchase. It was then delivered to Hastings Park and he came back again later.

Q How much did he offer you? A: And went to Hastings Park to look at it. I asked for $600.00 but when I tried to take the prospective purchaser to Hastings Park to view the truck, they would not let us in so I was not able to sell it.

20

Q I understand this truck had been overhauled and painted in January, 1942, by Central Garage?

A Yes.

Q And that you would have paid a sum of $137.00 for this overhauling and painting?

A Yes.

Q Was this truck used in connection with your cleaning and pressing business?

30

A Yes.

Q I see that it was checked on your request on March 18, 1942, but found to have five tires instead of four as originally mentioned?

A Yes, that is true.

Q I see that in the exhibit concerning this Oldsmobile De-Luxe sedan and the Chevrolet panel delivery truck you mentioned that there was a portable radio for which you would have paid $60.00 in 1941 which was sold by the Custodian for $35.00 and you mentioned that it is estimated at a value of $15.00 at the date of evacuation. Would it not be '$45.00' rather than '$15.00'?

There is a mistake there, my lord, because if one adds the figures it should really be #45." instead of "15". It is a type error in Exhibit 2, my lord.

THE COMMISSIONER: Yes. Obviously it was taken as "45" in the total.

MR. OUIMET: Yes, my lord.

THEWITNESS: Yes, it should be $45.00.

Q I understand you leased or rented your business as a going concern to a Mr. Sato Lin?

A Yes.

Q Had it been leased to someone else before it was leased to Mr. Sato Lin?

MR. HUNTER: I object to that question and I submit it never was leased to Sato Lin by the claimant.

THE COMMISSIONER: Is that not a matter of proof?

MR. HUNTER: I think the question is distinctly leading in view of the fact he has not yet proven it, my lord.

THE COMMISSIONER: I understand your point.

MR. OUIMET: It is really a sub-lease but the original lease was to Thomas Fletcher, as appears from the analysis of personal property claim.

THE COMMISSIONER: Ascertain from the claimant what was done by him in regard to the leasing of his premises and to whom.

THE WITNESS: I leased it to Sato Lin through the owner of the building, Mr. Fletcher.

10 MR. OUIMET: Q: The owner of the building was Mr. Fletcher?

A Yes.

Q Would you take communication of an agreement between yourself and Thomas W. Fletcher on June 4, 1942, and file this agreement as Exhibit 14?

A Yes.

(AGREEMENT, CLAIMANT & THOMAS W. FLETCHER, JUNE 4, 1943, MARKED EXHIBIT NO. 14).

THE COMMISSIONER: May I look at the document before you proceed with your examination?

MR. OUIMET: Yes, my lord.

20 THE COMMISSIONER: It is quite clear from the examination of the document that it is a lease bearing date June 4, 1942, from the claimant to Thomas W. Fletcher for a rental of $10.00 per month, which includes a schedule of chattels.

MR. OUIMET: Q: With respect to this rental of $10.00 per month, why was it so little?

A I also operated a larger plant. I was the vice-president of a large dry cleaning plant, which was a company, and Sato Lin was to have purchased this

30 large plant. He was to have purchased this large

plant for $20,000.00 but because he had not the cash at the time the payment was tobe made a year hence from the time I was evacuated.

THE COMMISSIONER: What has that to do with this?

MR. OUIMET: I am just wondering, my lord.

THE WITNESS: And the reason for the low rent was because I expected Mr. Lin to more or less watch my property and to keep an eye on my property for me, and in return for that I fixed a very low rental.

10 Q When you say "Lin" would you mention Mr. Fletcher? You leased to Mr. Fletcher and not to Mr. Lin.

A It was a three cornered discussion with Mr. Fletcher knowing all the details. I had been in the place for over 20 years, I knew him quite well and trusted him. I never had any trouble. He was the third party to the talks.

Q About the pressing and cleaning establishment?

A Mr. Fletcher was one of the three parties present in regard to the talks concerning my own private

20 business but he hadnothing to do with the talks in connection with the larger firm.

THE COMMISSIONER: Mr. Interpreter, please convey to the witness that we are dealing with only one claim at the moment, namely the personal claim for his business conducted at 2163 East Hastings Street. Tell him I do not wish him to mix up in this claim anything in relation to some other claim he may have.

THE WITNESS: I understand your direction, my lord, but it is just in explanation of the fact that the rent

was so cheap because the same man was concerned in the two deals.

THE COMMISSIONER: Proceed.

MR. OUIMET: Will my friend kindly tender as Exhibit 15 the deed of sale to Sato Lin with reference to the acceptance of the tender?

MR. HUNTER: The bill of sale, you mean?

MR. OUIMET: Yes.

MR. HUNTER: I tender a bill of sale dated April 17, 1945, selling the chattels set forth therein to Sato Lin for $608.00.

10

(BILL OF SALE, APRIL 17, 1945, MARKED EXHIBIT NO. 15).

THE COMMISSIONER: That is from the Custodian?

MR. HUNTER: That is from the Custodian to Lin, my lord.

MR. OUIMET: Q: Did you give any directions to the Custodian as to the sale of your business?

A No. I never asked for it to be sold because I hoped and intended to come back and operate it myself some time.

20

Q As to the sale of the Oldsmobile automobile, did you make any representations?

A I did not hear what hadhappened to the car for a long time so I wrote to the Custodian asking if they could tell me whatever happened toit, if it had been sold.

MR. OUIMET: My lord, my learned counsel, Mr. Okuda, points out that the estimated value should be $2,301.00 instead of $2,901.00 in Exhibit 1 because apparently the inventory of equipment the $600.00

30

was added, which should not have been added, so the total is $2,301.00 instead of $2,901.00 in the inventory attached to the personal chattels claim, Exhibit 1. The estimated value is $2,301.00 instead of $2,901.00; the balance of the claim is $1,678.00 instead of $2,278.00.

THE COMMISSIONER: Yes.

MR. OUIMET: $2,278.45. Subject tothese changes and amendments, no further questions, my lord.

10

MR. HUNTER: Before making any submission, I should like to move for the dismissal of the claim for goodwill, no sale of the business having been shown.

THE COMMISSIONER: What have you to say, Mr. Ouimet?

MR. OUIMET: Of course I took it that the terms of reference referred to the sale of a business at any time whether by the daimant or by the Custodian. It is evident that it was sold to Mr. Seto Lin.

THE COMMISSIONER: I note the bill of sale, which is

20 Exhibit 15, shows simply a sale of certain chattels.

MR. OUIMET: Well, from the exhibit as I read it and from the tender as it was filed, I think at thisstage we cannot come to the conclusion that the business was not sold as a going concern. Mr. Sato Lin made a tender for parcel "C", but he also made a tender for other chattels. He also says in his tender that he is operating a business and that he relies on that business for his own livelihood. So, under the circumstances, my lord, I ---

30 THE COMMISSIONER: Do you propose to adduce other evidence

to show that there was a sale of a business as a going concern, because you appreciate that you have only the claimant and he perhaps does not know what the facts are? Is it your intention to call evidence later?

MR. OUIMET: I would sooner have that intention if the evidence does not show the sale.

THE COMMISSIONER: In the circumstances I will reserve this question until we open in Vancouver.

10 MR. HUNTER: Very well, my lord.

MR. OUIMET: I might ask a further question of the claimant, whether or not he knows the date it was sold as a going concern. If he says he does not know, we can adduce further evidence.

THE COMMISSIONER: He has said that he knew nothing of it until after it was an accomplished fact.

MR. OUIMET: I thought he had mentioned the sale of the car and not of the business.

THE COMMISSIONER: You might ask him when he learned of
20 the fact that the equipment of the business had been sold under Exhibit 15.

MR. OUIMET: Q: When did you learn of the sale of the equipment of your business under Exhibit 15?

A Some time in 1945.

Q This sale was made on April 17, 1945. How long after the sale did you learn about the sale, approximately? A: I do not remember clearly. I remember it was some time in 1945.

THE COMMISSIONER: Q: Were you consulted by the Custodian
30 before the sale was consummated?

A At the time of my evacuation the Custodian said that my property would be held and that I need not worry, and I had that idea when I left.

THE COMMISSIONER: Mr. Interpreter, tell the claimant that he must direct his mind to the question put to him. I asked him whether he had been consulted by the Custodian prior to the sale of his equipment. I want an answer to that question and not to something different.

10 THE WITNESS: I received a letter from the Custodian advising that my property would be sold, a letter from the Custodian discussing the possibility of selling the equipment but I did not wish it to be sold.

Q I take it that you were not consulted by the Custodian before the equipment was sold to Lin?

A I received the letter from the Custodian suggesting in connection with the sale, with the possible sale of the equipment, to which I did not reply because

20 I did not wish it sold. I later received a further communication that the property had been sold.

MR. OUIMET: Q: Looking at Exhibit 1, Mr. Yano, and looking at Exhibit 15---

MR. HUNTER: Is this a continuation of examination in chief?

THE COMMISSIONER: I am waiting to hear what the effect of the question is.

MR. OUIMET: I am sorry. Of course, seeing that there was a motion made to dismiss the claim and that I

30 said we might like to adduce further evidence, I

am trying to adduce further evidence through re-examination, if I may do so, and if I feel this further evidence is not sufficient, I will move to adduce still further evidence from other parties.

THE COMMISSIONER: Go on.

MR. OUIMET: Q: Looking at Exhibit 1 and the inventory attached to this exhibit, and looking at Exhibit 15, and the list of goods enumerated as being sold to Lin by the Custodian, would you say whether you used any other equipment for the running of the Diamond Cleaners than the equipment mentioned in those two documents?

A There was probably about $50.00 worth of other small items which we forgot to list here.

Q When you say "here", what do you mean?

A Upon Exhibit 1.

Q Now, in other words, everything which was used for the dry cleaning business was sold to Mr. Seto Lin by the Custodian? A: Yes.

Q Had you been carrying on business under the name of Diamond Cleaners? A: Yes.

Q Is it to your knowledge whether or not Seto Lin carried out business under that name?

THE COMMISSIONER: Just one moment. Lin may have done so, but should your question not be was the right to use the name Diamond Cleaners given to this man?

MR. OUIMET: Of course, if he does not know ---

THE COMMISSIONER: I think you are going at it backwards.

MR. OUIMET: Maybe I am putting the cart before the horse.

Q Is it to your knowledge that Mr. Seto Lin was granted

the right to use the name "Diamond Cleaners" and do

b business under that name?

A It was my idea that he would just carry on the business until I returned and in regard to the change of name or anything like that, nothing was said.

THE COMMISSIONER: Is it not apparent that this man has no knowledge of the transaction between the Custodian and Lin?

MR. HUNTER: There was none.

10 THE COMMISSIONER: There was a transaction between the Custodian and Lin and this man has no knowledge of what it was except what he was told after the transaction was consummated.

MR. OUIMET: It is our respectful contention that the deed, of course, speaks for itself, the bill of sale speaks for itself, but the tenders and the ---

THE COMMISSIONER: I do not want to hear anything from you in the way of argument because I propose to decline to deal with the motion of Mr. Hunter at this stage,

20 and you will have leave to adduce such further evidence as you find available or consider desirable prior to the defence opening in Vancouver.

MR. OUIMET: The evidence will have to be adduced at Vancouver to establish whether or not Seto Lin actually carried on business and that he was given the right to that deed of sale to carry on business?

THE COMMISSIONER: Yes. It is obvious the claimant could have no knowledge of what the transaction was.

MR. OUIMET: Thank you, my lord. That is all.

30 MR. HUNTER: It is submitted that the vehicles were sold

for their fair market values.

It is submitted that the radio was sold for its fair market value.

It is submitted that the chattels, the furniture and so on, were sold for their fair market values, and that the claims made for furniture or chattels not sold by the Custodian are exorbitant.

It is submitted that the equipment of the business was sold for its fair market value.

10 It is submitted that at no time did the Custodian make a sale of the business, at no time did he lease the premises to anyone, and that if there was any sale of goodwill it was made by the claimant.

I tender herewith an appraisal made by O.J. Henry & Company, dated June 1, 1942 and February 15, 1945, in which the business equipment is appraised at the total sum of $517.10. I would tender this as Exhibit 16.

(APPRAISAL, O.J. HENRY CO., FEB. 15, 1945, MARKED EXHIBIT NO. 16).

20 I would tender an extract from an appraisal of the passenger car made by Mr. A.W. Cruise, March 26, 1942, Car No. 17, which is the Oldsmobile in question, $1000.00.

(EXTRACT FROM APPRAISAL, A.W. CRUISE, MARCH 26, 1942, MARKED EXHIBIT NO. 17).

In response to the advertisement offering the Oldsmobile for sale, a tender was received on July 23, 1942, from Edith E. Summers for $375.00; a tender was received on July 22, 1942, from Frank

30 Berto for $100.00; a tender was received on July 24,

from W.B. Farris -- who may be familiar to your Lordship for $700.00; one on July 24, 1942, from A.N. Thompson, for $350.00; an undated one from Leo F. Morris for $650.00; one dated July 25, 1942, from F. Paul, for $600.00; one dated July 24, 1942, from David Moranse for $580.00; one dated July 29, 1942, from Mr. and Mrs. E. Hanson for $775.00; one dated July 25, 1942, for $600.00 from G. Johnson; one dated July 24, from F.T. Whitbeck
10 for $650.00; an undated one from Gordon H. James for $405.00; one July 23, from H. Lewis for $600.00; one July 24, from F.C. Olafson, for $600.00. Then, there was one from S.G. Brown for $850.00 and that was accepted. The others were all rejected, including that of Mr. Farris.

THE COMMISSIONER: What was the date of sale?

MR. HUNTER: It was dated September 2, 1942.

There were two appraisals of that vehicle. The one I produce is one by A.W. Cruise for $1000.00.
20 There was another one for $775.00, with respect to which they have a notation on the file that it cannot be located.

THE COMMISSIONER: By whom was it made?

MR. HUNTER: It does not even show that, my lord. I presume it probably was McDermott Motors, as the Chevrolet was appraised by them.

I produce an appraisal by McDermott Motors of the Chevrolet truck for $380.00. I would tender that as Exhibit 18.

(APPRAISAL, McDERMOTT MOTORS, T-58,
30 MARKED EXHIBIT NO. 18).

In response to the advertisement there were two tenders received, one from A. Bromley for $250.00 and the other from Campbell Motors for $310.00. It was accordingly sold to Campbell Motors as of September 4, 1942.

Your Lordship will recall that as of that late date only those vehicles which had not readily sold were left over and that the Custodian was inclined to take an offer down to as much as 15% below the appraised value.

10

THE COMMISSIONER: On Exhibit 18 there is shown $380.00. Is that their appraisal?

MR. HUNTER: $380.00 is the appraisal.

THE COMMISSIONER: Yes. There is nothing to indicate on this document when these appraisals were made?

MR. HUNTER: No. Practically all those vehicle appraisals were undated but they were all made about the same time.

THE COMMISSIONER: It was probably in March.

20

MR. HUNTER: Yes. They probably appraised them within a week or something like that.

THE COMMISSIONER: Yes.

MR. HUNTER: As far as the telescope is concerned, that appears to have been lost.

THE COMMISSIONER: Yes. Just before you go on with anything else, would you ascertain from the witness some description of the telescope. I will then have something upon which to reach a conclusion as to value.

30

MR. HUNTER: I have an appraisal here somewhere. Was that

included in Exhibit 11, Willard's Appraisal or not?

I have a memorandum here. It shows that the radio, the telescope and 3 cameras were appraised. The cameras were returned, the radio was sold and the telescope was missing. It shows the appraised value of the telescope in leather case at $20.00.

THE COMMISSIONER: Is the claimant not claiming only $15.00?

MR. HUNTER: I cannot remember.

THE COMMISSIONER: $15.00.

10 MR. OUIMET: In the claimant's letter it appears he did not know what valuation to put on it. We would be ready at this stage, if your Lordship will permit us to do so, to amend our claim and make it $20.00 instead of $15.00.

THE COMMISSIONER: I appreciate that. If you desire to do so, I will allow you to amend.

MR. OUIMET: I move to amend the claim, Exhibit 2, so that it reads $20.00 instead of $15.00 for the

20 telescope's estimated value.

MR. HUNTER: I can hardly object to that, my lord.

I produce two other tenders in response to the advertisement for the business equipment. There is a copy of one dated March 12th, 1945, from George Kobernick in which he bids $600.00 for Parcel "C". Wait a minute. May I see the advertisement? I see I have some alternative bids here. He bid $600.00 on Parcel "A" and if not successful then the same bid on Parcel "C".

30 THE COMMISSIONER: What is Parcel "A"?

MR. HUNTER: "Hoffman Pressing Machine. Cash Register, Electric sewing machine and sundries." Parcel "B": "National Pressing Machine, showcase, counter, ect."; Parcel "C": "Two Hoffman Pressing Machine, sewing machine, showcases and sundries."

The other tender is for $500.00, from Norman N. Lewartt, dated March 19th, 1945, He bids $500. 00 on Parcel "C". These two tenders were rejected, the one made by the tenant being the highest tender.

THE COMMISSIONER: What was the amount of the accepted tender?

MR. HUNTER: $608.00, my lord.

I will put these in as Exhibit 19. Those are the other two tenders, my lord.

(TWO TENDERS, MARCH 12 & MARCH 19, 1945, MARKED EXHIBIT NO. 19).

I would file a certificate by W.G. Willard, auctioneer, dated November 25, 1944, in which he says:

"I have examined the undermentioned articles and consider that they have no value."

and lower down, "1 brass bed, N.V." meaning "No value".

(CERTIFICATE, W.G. WILLARD, NOV. 25, 1944, MARKED EXHIBIT NO. 20).

I might file the report of H.T. Campbell, dated July 16, 1942, in which he deals with this business. He says in paragraph 2:

"My investigator checked the inventory, which is incorporated in the lease, of the equipment

"and chattels and found it all present and correct with the exception of two items, namely 1 Taylor Sewing Machine, and 1 Westinghouse Steam Iron Equipment, which have been removed to 1638 West 3rd Avenue in the care of a Chinese, Mr. Seto Gock.

"The lease of the chattels, which was drawn up by Griffin, Montgomery & Smith, Solicitors, appears to be in order, and as the amount of monthly rental, namely $10.00, was agreed upon by the Japanese, and the lease entered into on hisown initiative, there would appear to be no reason for any objection to this by your Office.

"The declarent, Mr. Yano, left for Hope, B.C. on July 10, and I understand is building a house, on completion of which Mrs. Yano and the children will also be moving there.

"Mr. Fletcher, the lessee, is the owner of the building wherein the declarent, Yano, operated this Dry Cleaning and Pressing business under the name 'Diamond Clearners'. Apparently Mr. Fletcher had no intention of actually operating this business, but was simply acting in a friendly manner in protection of the Japanese declarent's interests.

"At the present time Mrs. Yano and her daughters are carrying on the business but on their evacuation the business will be operated by a Chinese, Seto Gock, who also operates the

"Paramount Cleaners and Dyers at 1638 West 3rd Avenue. I understand this arrangement is a verbal one between Mr. Fletcher and the Chinese, but in as much as the chattels and equipment are leased to Fletcher and he is responsible for their security and safe-keeping and the rental thereof, it would appear that this sub-lease or arrangement is entirely his business. Mr. Fletcher is apparently a man of some means and I, personally, am quite satisfied that his guarantee of the security of the chattels and equipment, etc., is absolutely satisfactory.

"He advises me that the first two months' rent under the lease has been paid to Yano himself, prior to his evacuation. On instructing him that subsequent rent of the chattels should be paid to the Office of the Custodian, for distribution to Yano, he advised me that he is quite agreeable to this but has suggested that the next month's rent should be paid to Mrs. Yano, by him, as she is in very straightened financial circumstances. I told him that I would ask your instructions on this point and advise him in due course.

"Recommendation:

"As the lease arrangement with Mr. Fletcher appears to be satisfactory, and covers all the declared property, this matter is apparently satisfactorily dealt with."

The rest does not seem to be of any particular interest.

I wouldtender that report of H.D. Campbell as Exhibit 21.

(REPORT, H.D. CAMPBELL, JULY 16, 1942, MARKED EXHIBIT NO. 21).

THE COMMISSIONER: Q: Did Mr. Fletcher make the sub-lease to Seto Lin with your approval?

A Yes.

10

CROSS-EXAMINATION BY MR. HUNTER:

Q Is this chap, Seto Lin, also known as Seto Gok?

A I only know Seto Gok. I do not know anyone named Seto Lin.

Q You only know of Seto Gok?

A Yes.

Q I suppose Seto Lin is either one and the same person or an employee or sub-tenant of Seto Gok? I would not know which, my lord.

I think the analysis, as far as it goes, is

20 self-explanatory, but your Lordship will appreciate that we did not have the detail at that time on what was being claimed which we have now.

THE COMMISSIONER: Yes. That can be supplemented later, in any event.

MR. HUNTER: That is all, my lord.

THE COMMISSIONER: Any re-examination?

MR. OUIMET: Is there anything else you wish to add, Mr. Yano?

THE WITNESS: No. That is all.

30 THE COMMISSIONER: Thank you, Mr. Yano.

100.70	100.00							Furniture & Effects: Mrs. Kiyomi (Tsuji) YANO declared (J.P. of Sept.4/42) many articles which she was leaving in the garage at 2163 E. Hastings Street. These were handled on her husband's file.
14.55	608.00							On Oct. 29/42,Feb.3/43 Custodian agents visited this garage to see if the goods were safe. The storage had the approval of the landlord, Mr. T.W.Fletcher, a friend of YANO's, and the garage was found to be securely locked. As the Japanese left these chattels there of their own accord, it was considered a safe storage.
150.25	1868.00					15.00		
								On Nov.10/42 the Custodian sent a list of goods found in garage at 2163 E. Hastings St. to YANO asking him, if this list covered all those chattels to sign and return the list. Jan.18/43, YANO sent to this office a list of chattels left in the garage - it is the same as his wife's J.P. declaration. The garage key was held by Mr. Fletcher.
(Sold by Auction for	$ 150.25							
(Sold by Tender for	1868.00							Chattels found were sold at auction, with the exception of a brass bed which was abandoned as being of no value - Nov. 25/44.
No account, theft etc.								
TOTAL SALES:	2018.25							Aug. 14/43 K. YANO declared an Apex Electric Washing Machine stored in Crone Storage Co., asked Custodian to pay storage for this. ~~According to our records the Custodian.~~ There is no further record of this on file.

Furniture declared by K. YANO inJ.P. July 7/42 was left in back of the cleaning shop. This furniture was appraised by W.G. Willard on Apr.5/45 to be worth $60.50. The purchaser of the cleaning equipment, Seto Lin, tenant of the building, bid $100.00 for this furniture. This was accepted Apr.23/45.

YANO's claim for $3000.00 is presumed to be for equipment. T.W.Fletcher rented the shop to YANO. On his evacuation YANO subleased this shop with Mr. Fletcher's permission, to a Chinese, Seto Lin. YANO leased all the goods left in this shop to T. W. Fletcher - copy of lease on file. Fletcher leased goods to Mr. Lin. The Custodian did not enter into handling of these goods.

On February 15/45 the equipment used in connection with cleaners business was appraised by O. J. Henry Co. to be worth $517.00. copy of appraisal on file. This property was advertised in the Vancouver Sun on Feb. 27/45. (Advertisement on file) Tenders were received from: George Kobernick - March 12/45 $600.00 - Rejected. Norman N. Dept. of the Secretary of State,

Japanese Evacuation Section,

Dear Sirs:

The list of articles left in the garage in the rear of 2162 E. Hastings is not quite correct. You have only mentioned 53 articles while we have 62 articles in the list we registered with the Custodian on September 4, 1942. In the list we registered with the Custodian, we just wrote the articles but having thought it better to describe the articles, we did so in a new list. Example:- the chesterfield and the beds. We are sending both lists to you, attached to this letter.

In regards to the Income tax, we with you would settle the sum of $9.00 to the collector of Income tax with the funds standing to our credit.

We would like to know the amount we have to our credit, also whether or not our car an Oldsmobile '40 Special Sedan, Serial No. 0361902311, Engine No. 824723 and our Chevrolet '37 Light Delivery Truck, Serial No. 7150206526, Engine No. 111687, were sold or not. If they were sold, at how much and to who, if not, could you tell us where they are, at the present moment.

Apologizing for not answering sooner, we are

Yours truly,

"K. Yano"

Dear Sir;

I received the copy of the letter you sent my son, who is in Chapleau. In this letter you stated that you are unable to locate the telescope. In this matter I would like to inform you that on about June of 1942, I was asked to go to the office of the Custodian re: the telescope. At that time, they said that the Army wanted to buy the telescope and asked me to name a price. As the telescope had been a gift I could not make an estimate of its value. Since then I have had no word regarding the telescope.

I hope the above infomation will aid you in locating the telescrope and that you will let me know as soon as it is located.

Yours truly,

RE - YANO, KIYOMI

2163 East Hastings Street, Vancouver, B.C. - 03119.

YOUR FILE NO. 11191

---

1. Reference to the "JP" Declaration made by the above shows that all the declared property is under lease, for the duration of the war, to a Mr. Thomas W. Fletcher, of 1411 Minto Crescent.

2. My investigator checked the inventory, which is incorporated in the lease, of the equipment and chattels and found it all present and correct with the exception of two items, namely 1 Taylor Sewing Machine, and 1 Westinghouse Steam Iron Equipment, which have been removed to 1638 West 3rd Avenue in the care of a Chinese, Mr. Seto Gock.

3. The lease of the chattels, which was drawn up by Griffin, Montgomery and Smith, Solicitors, appears to be in order, and as the amount of monthly rental, namely $10.00, was agreed upon by the Japanese, and the lease entered into on his own initiative, there would appear to be no reason for any ofjection to this by your Office.

4. The declarent, Mr. Yano, left for Hope, B.C. on July 10, and I understand is building a house, on completion of which Mrs. Yano and the children will also be moving there.

5. Mr. Fletcher, the lessee, is the owner of the building wherein the declarent, Yano, operated his Dry Cleaning and Pressing business under the name "Diamond Cleaners". Apparently Mr. Fletcher had no intention of actually operating this business, but was simply acting in a friendly manner in protection of the Japanese declarent's interests.

6. At the present time Mrs. Yano and her daughters are carrying on the business but on their evacuation the business will be operated by a Chinese, Seto Gock, who also operates the Paramount Cleaners and Dyers at 1638 West 3rd Avenue. I understand this arrangement is a verbal one between Mr. Fletcher and the Chinese, but in as much as the chattels and equipment are leased to Fletcher and he is responsible for their security and safe-keeping and the rental thereof, it would appear that this sub-lease or arrangement is entirely his business. Mr. Fletcher is apparently a man of some means and I, personally, am quite satisfied that his guarantee of the security of the chattels and equipment, etc., is absolutely satisfactory.

7. He advises me that the first two months' rent under the lease has been paid to Yano himself, prior to his evacuation. On instructing him that subsequent rent of the chattels should be paid to the Office of the Custodian, for distribution to Yano, he advised me that he is quite agreeable to this but has suggested that the next month's rent should be paid to Mrs. Yano, by him, as she is in very straightened financial circumstances. I told him that I would ask your instructions on this point and advise him in due course.

re - Yano, Kiyomi

Recommendation:

As the lease arrangement with Mr. Fletcher appears to be satisfactory, and covers all the declared property, this matter is apparently satisfactorily dealt with.

With regard to the collection of future rents, I recommend that Mr. Fletcher remit the rent direct to your Office, as I see no reason, under the circumstances outlined above, why a collector or collection agency should be necessary.

I therefore suggest that you authorize me to instruct Mr. Fletcher to follow this course and also to permit him to pay the next month's rent to Mrs. Yano direct (1).
