VANCOUVER MAN GETS APPOINTMENT

E. F. Winskill has been appointed to the local branch of the Petro Oil Burners of Canada Limited, as announced today by L. M. Dietsher.

Mr. Winskill, who has been associated with the oil burning industry for the past ten years, is a native of Vancouver. Receiving his education here, he spent 3 years overseas as engineering instructor in the Royal Flying Corps.

E. F. WINSKILL

A considerable time was spent by Mr. Winskill with the Power Plant Engineering Co. Ltd. in the United States as engineer for the Northwest States. At a later date he took charge of the Tacoma office of the company and brings to his new position a wide and varied experience in the oil burning business.

RAIL, MINE STRIKES LOOM IN BRITAIN

By GEORGE HAMBLETON
Canadian Press Staff Correspondent

LONDON, March 20.—Trouble again hang over the railway and the coalfield.

When the delegates of the National Union of Railwaymen met here today, strong opposition showed itself to the award of the National Wage Board which recommends that wage reductions become effective March 23.

In the South Wales coal fields the situation is again described as critical. The miners are opposing the award of an independent chairman, which imposes them claim with heavy reductions of levenpence a day. A strike is now threatening.

Great Britain's roster of unemployed was swollen further today when a strike was begun in the electrical construction trade. Several hundred men ceased work, and it was forecast that 2000 to 3000 would be idle tomorrow night with the possibility that eventually more than 15,000 might lay down their tools.

The dispute arises from a five per cent cut in wages.

(Composed of Medicinal Herbs)

"WHAT SARGON DID IS ALMOST UNBELIEVABLE"

"I Never Felt So Well in My Life," Says Mrs. Fanny Lewis

Many marvel at the speed with which Sargon, the new scientific nerve tonic, solves their health problems. Acting as it does upon the entire system, steadying overwrought nerves and strengthening and invigorating

MRS. FANNY LEWIS

failing organs of the body, this amazing preparation has lifted thousands from the throes of despondency and suffering. Read the grateful statement made by Mrs. Fanny Lewis, 5356 Inverness Street, Vancouver, who said:

"What four bottles of Sargon have done for me seems almost unbelievable. Several weeks ago I developed the most awful pains in my side imaginable, followed by blinding headaches and dizzy spells. Black spots seemed to appear in front of my eyes and seemed to turn into faces of people and wreaths of flowers. I became so nervous I could hardly sleep and when I started this new Sargon medicine, I was almost desperate.

"Since taking a course of Sargon, I can honestly say I never felt so well in my life! I'm entirely rid of all that awful dizziness and headaches, as well as the pains in my side. My nerves feel wonderfully strengthened; I sleep fine at night and everyone remarks about my better color.

"The Sargon Pills have the most comfortable action of any laxative I ever used and the way they kept my bowels regulated I know had a lot to do with my recovery. I just can't say enough for these marvelous medicines."

Sargon may be obtained in Vancouver and Victoria at all Owl Drug Stores; in New Westminster from the Bewa Drug Store; in Sidney from the
