THE SECRETARY: Case No. 733, Kumataro and Fuku Sakiyama.

KUMATARO SAKIYAMA, the claimant herein, being first duly sworn, testified through the Interpreter as follows:

DIRECT EXAMINATION BY MR. RUSSELL:

Q This is a summary of evidence for Kumataro and Fuku Sakiyama. You are Kumataro?

A Yes.

10 Q Who is Fuku? A: My father.

Q You are here representing both, are you?

A Yes.

Q Now, there is a lot of information contained in this form. Are you familiar with the information that is in here? A: I know it roughly. There is a great deal of stuff in it.

Q But, I mean, that material and information was supplied by you, is that correct?

A Yes.

20 Q And this is your signature at the end of this document?

A Yes.

Q You believe this to be all true, so help you God?

A Yes.

MR. RUSSELL: I will put that in as an exhibit.

(SUMMARY MARKED EXHIBIT NO. 1).

MR. RUSSELL: These aren't particularly good photographs, but they are the best the claimants have.

Q There is a group of five photographs here. Now,

30 this first one is in the interior of a house.

Which house is that?

A That is living room in my house, and that is a picture of the Buddhist shrine.

THE SUB-COMMISSIONER: You had better make your living room "A" then so that they can go in as one exhibit.

MR. RUSSELL: Q: Now, we will call this "B" and it shows the exterior of a house. Is it the same building or what building is that?

10 A That is a barn.

Q. Is that the barn on the property for which you are claiming? A: Yes.

Q That is your barn? A: Yes.

Q That will be "B" then. Now, I think these next three can all go in as "C". Are these all of the outside of the house, are they?

A Yes. This small picture is a picture of the front of the house before the porch was built on as shown in the large picture with the family

20 group in front of it.

Q Oh, I see. I will put those in.

(PHOTOGRAPHS MARKED EXHIBIT 2, "A", "B" and "C").

MR. RUSSELL: You show that you purchased this, that is, Lot 1, with a three-roomed house and a half acre of strawberries for $1600.00, is that right?

A It was two and a half acres of strawberries.

Q At the time you bought?

A There was two and a half acres of land so that one-half acre was strawberries and the house.

30 Q Yes. And you value the land at $1000.00 for two

and a half acres? A: Yes.

Q Which makes the land worth about $400.00 an acre, according to that? $400.00 an acre?

A Yes.

Q Now, that seems to be a pretty big valuation for land?

MR. RICE: It sure is.

MR. RUSSELL: Q: Did you pay that amount for that land?

A For land of that type in that district, I bought it at $400.00 an acre and thought that it was cheap at that price.

Q You thought it was cheap at $400.00 an acre?

A Yes.

Q Do you know anybody who paid that much or more for similar land? A: Yes.

Q Who? A: There was some people have paid as high or as much as $600.00 an acre.

Q Who, for example. Who paid anything like $400.00 or $600.00 for land?

A S. Nishi. My uncle, S. Nishi, who was close by.

Q What did he pay for his land, do you know?

A $600.00 an acre many years ago before I CAMe to Canada, when I was small.

Q Well, how do you know that? Did he just tell you that? A: Yes.

Q Did you try to buy any other land at the time you were buying this particular land?

A No.

Q Did you price any other land?

A Yes.

Q And how did the price of the lands you actually bought compare with the price of other lands that you looked at? A: I think I bought land at a cheap price.

Q You think you bought land at a cheap price?

A Yes.

Q What is this land used for, what type of growth?

A Loganberries, strawberries, raspberries, small fruits, cabbage, carrots.

10

Q Garden vegetables as well, I suppose?

A Yes.

Q Who built all these buildings that you show, that is, all these buildings that you show on this land? A: The house was on the land when I bought it, but the other buildings, my father and I, with the help of a carpenter for the more difficult parts, built for ourselves.

20

Q You also did some repairs on the house, I notice?

A Yes.

Q How do you arrive at what the material cost and the dates on which these repairs and the buildings were erected, and the labour cost, and so on? How did you arrive at that?

A I remember how much we paid for the various materials we had to use, and as far as the carpenter goes, we paid him 65¢ an hour, and we arrived at the figures that way.

30

Q Well, you say you remember. I notice that this

kitchen was built in 1928. Can you remember right back to 1928 what the material cost?

A No, I can't remember exactly. I just remember approximately the amount of money that we had to pay out.

Q I see. So that you aren't saying that this is right to the last five cent piece, is that right?

A Yes.

Q Does the same apply to the labour?

10 Q Yes. About the time we fixed the kitchen carpenters' wages were about 50¢ an hour. I was fairly busy about that time so the kitchen was done mainly by the carpenters.

Q I see.

THE SUB-COMMISSIONER: Look at page 2, or is it 3, where you were reading from. You have got "Total cost of buildings, $1832.00," and you say "Less original house, $500.00."

MR. RUSSELL: You will notice in the bracket, sir, or

20 in the square, "Original cost of house, $500.00," and for some reason they valued it in and have taken it out again.

THE SUB-COMMISSIONER: And then you bring it over and have $3367.00.

MR. RUSSELL: That is the balance carried forward.

THE SUB-COMMISSIONER: Including the $2035.00.

MR. RUSSELL: Yes.

THE SUB-COMMISSIONER: Yes, I see.

MR. RICE: There is another mistake in addition,

30 instead of the total being $3367.00, it should be

$3347.00.

MR. RUSSELL: I mean to say, normally I would defer to my learned friend in addition, the matter of addition, but at this time I can't quite agree.

MR. RICE: I think you will find the total cost of the buildings adding in the $500.00 will amount to $1812.00 instead of $1832.00.

MR. RUSSELL: Q: You show the rental value of this land at $300.00 per year? You say that the rental value per year is $300.00?

A Yes.

Q Did you ever rent the land for $300.00?

A No.

Q Did you ever try to rent land, two and a half acres of similar land? A: No.

Q Do you know anybody who rented land of the same type? A: Yes.

Q What did he pay? A: About four or five years before evacuation somebody in the vicinity rented two acres and a house for $150.00 a year, but the son was occupying one room of the house.

Q You have got a tremendous list of personal items here on your claim. It extends several pages?

A Yes.

Q Now, did you prepare this list out ofyour head or how did you prepare it, or how was it prepared?

A No, many of the things are included in a book.

Q When was the book made?

A Oh, from long before we were evacuated.

THE SUB-COMMISSIONER: Pardon?

A From long before we were evacuated.

Q The list was made? A. Yes.

MR. RICE: Where is the book?

A The kitchen utensils and such things were just remembered.

MR. RUSSELL: I see.

THE SUB-COMMISSIONER: Referring again to that page, Mr. Russell.

10

MR. RUSSELL: Which page is that, sir?

THE SUB-COMMISSIONER: Where you value your buildings at $3170.00, less $835.00, makes $2335.00, not $2235.00. Page 3 of Exhibit 1.

MR. RUSSELL: Yes. Not only our addition but our subtraction is sometimes out.

THE SUB-COMMISSIONER: His claim is too small in this case.

MR. RICE: I am submitting, your Honour, that the real estate was sold for its fair market value.

I am submitting that the chattels were sold for their fair market value. I am submitting certain chattels that were declared, were not found, and other chattels of which there is no record of at any time, and some chattels are apparently not accounted for, that is the nets, and I am submitting that the claim made for the same by the claimant is exorbitant, as well as the claim made on any chattels for which the Custodian may be held responsible.

20

I submit as an exhibit a farm appraisal report respecting the land.

30

(APPRAISAL REPORT MARKED EXHIBIT NO. 3).

MR. RICE: I tender an analysis of personal property claim.

(ANALYSIS MARKED EXHIBIT NO. 4).

MR. RICE: I tender a tax notice for the year 1942 respecting the land from the Corporation of the Township of Richmond. Assessed value of the land, $653.00, improvements $950.00, taxable value $1128.00.

10 (STATEMENT MARKED EXHIBIT NO. 5).

MR. RICE: I tender three summaries, two respecting real property and one respecting personal property.

(SUMMARIES MARKED EXHIBIT NO. 6).

MR. RICE: There is no claim being made for the vessel?

MR. RUSSELL: No.

CROSS EXAMINATION BY MR. RICE:

Q I show you a J.P. form (indicating); does that document bear your signature?

20 A Yes.

Q And I show you a card; is that your wife's signature on that card (indicating)?

A That is my father's.

Q That is your father's signature?

A Yes.

MR. RICE: I tender the claimant's J.P. form and the card of his father. Perhaps they can both go in as one exhibit.

(DOCUMENTS MARKED EXHIBIT NO. 7).

30 MR. RICE: Q: You leased your property before you were

evacuated? A: Yes.

Q To Mrs. Eluzybet Piataocha? A: Yes.

Q $90.00 for the year 1942? A. Yes. It was my understanding that it was $90.00 for the year's rent.

Q And after 1942 she was to have the place free of rent by paying taxes and water and keeping up the property for the duration of the war?

A I was under the impression that it was to be
10 $90.00 a year for each year, but evidently when the lease was drawn up it wasn't the way I had thought it was.

Q What did you sign it for? Why did you sign it if it wasn't the way that you thought it was?

A I don't understand English and at that time everything was in a state of upset and we were being evacuated and I just signed it.

Q Well, things weren't upset to such an extent that you had to sign a lease that you didn't approve of,
20 did you? A: It was a mistake on my part to sign a document like that without being more careful, but at that time everything was in kind of an upset state.

Q Oh, you didn't make any mistake at all; you knew what you were doing. You sold your tenant the wood that was on the place, did you not?

A Yes.

Q And she paid you for it? A: Yes.

Q In your J.P. form you claim the value of seven
30 fishing nets, six cork and lead lines, valuing

them at $787.00, stored in the cannery net house, Gulf of Georgia Cannery, Steveston, B.C.?

A Yes.

Q That is right, is it? A: Yes.

Q And then when you filed your claim -- perhaps I had better put this in as an exhibit. I show you your proof of claim form, apparently sworn to by you on the 14th of November, 1947; is that your signature (indicating)?

10 A Yes.

MR. RICE: I tender that as an exhibit.

Q You value the same fishing nets there at $817.00, or is there a mistake there?

A Yes.

Q Which is right? You had it in your J.P. form at $787.00 and last November you said the same nets were worth $817.00. They can't both be right, unless they went up invalue.

A This $817.00 on the proof of claim is nearer to

20 the accurate amount, but even this is slightly different from the summary of evidence.

Q They are all three different, I will tell you that.

A But the original registration form was made out very roughly and in a hurry and it was inaccurate.

Q Why would get such an odd figure as $787.00 if it was made out in such a hurry, if it was inaccurate? A: It is quite easy to remember big things like the large nets, how much they come to, but when you are trying to

30 figure out in a hurry, you forget such small nets

or such small things like lead lines and other small items which, when you sit down later on, and you do it with plenty of time, and you remember these things.

Q Well, don't you think that your mind was a little fresher in 1942 when you left there as to the value of the nets than your mind would be five years later when you swore to the value of $817.00? A: These figures

10 are the same as we made out at the cannery, and were made out in a very big hurry.

THE SUB-COMMISSIONER: Referring to the J.P. form, Exhibit 7? A: Yes.

MR. RICE: Q: That is, the figure $787.00 was made out at the cannery? A: Yes.

Q And your nets were tagged at the time?

A Yes.

Q And afterwards you say that the same nets were worth $817.00 when you filed a claim last November.

20 I am tendering the proof of claim as an exhibit.

(PROOF OF CLAIM MARKED EXHIBIT NO. 8).

MR. RICE: Q: Today you are valuing the same nets at $870.00? A: Yes.

Q How do you account for that? Was the claim form made out in an awful hurry last November?

A It was all worked out according to the weight and so on. In 1941 Sockeye nets cost, one pound, $3.80, and in 150 fathoms it has 50 pounds.

Q What do you mean, the price of lead has gone up

30 since you made out your claim?

A That is the new prices, and it is based on the prices of new nets, and allowing for depreciation.

Q In your proof of claim form last November you swore that your land and buildings were worth $2400.00, today you say the same land and buildings are worth $3170.00. Have you any explanation for jumping the prices on those items?

A There must be some mistake. I am not claiming $3100.00.

10 Q That is what you are claiming for?

A The $3100.00 includes the house and land and furniture and nets and everything.

Q $3170.00 includes the house, land, nets and furniture? A: Yes, everything.

Q Everything? A: Yes.

Q And then from that you deduct what has already been paid you? A: That is what I am applying for.

Q Did I understand you to say that you bought your

20 land for $400;00 an acre? A: Yes.

Q And there is two and a half acres in the parcel?

A Yes.

Q So that would make the purchase price of your land $1000.00 and not $1600.00 as set forth on page 2 of your summary of evidence?

A Yes, the house was $500.00 and the land was $1000.00.

Q The land was $1000.00? A: Yes; and the half acre of strawberries was $100.00; together

30 that is $1600.00.

Q I thought you said that you bought it for $400.00 an acre? A: Yes.

Q Well, did you buy the house and put it on there or did you build a house on there?

THE SUB-COMMISSIONER: I think he said, or his statement was that the land was worth $400.00 an acre, and then he made comparisons with land around there.

MR. RUSSELL: As a matter of fact, this figure of $400.00, I simply figured it out by the simple method of taking the two and a half acres and putting it into the $1000.00. That is how it was arrived at.

10

A I paid $400.00 for the land and $500.00 for the house as well.

MR. RICE: Q: Separately? Who did you buy it from? A. They were figured separately. The land was $400.00 and the house was $500.00.

THE SUB-COMMISSIONER: Q: What for, two and a half acres or one acre?

A No, two and a half.

20

Q For one acre? A: No, one acre $400.00, and the two and a half acres was $1000.00.

Q The two and a half acres $1000.00?

A Yes.

MR. RICE: Q: The land was all cleared?

A Yes.

Q And the house was on the land?

A Yes.

Q And you say that you made a separate deal so far as the house was concerned by buying it separately? A: Yes.

30

Q This property that your uncle bought, do you know anything about that, that you say that he paid $600.00 an acre for? What was on that when he bought it? I guess I am wasting time.

A No, there was no house on it; he bought the land and then built on it.

Q You left some of your property at Nishi's and Wark's, did you not? A: Yes.

Q I show you a letter that you wrote the Custodian
10 on March 19th, 1947 (indicating); is that your letter? A: This is written by my daughter.

Q For you and under your instructions?

A Yes.

Q And that is the first time that you had written the Custodian telling him that part of your chattels were at Nishi's place and another part at Wark's?

A Yes.

MR. RICE: I will tender that letter as an exhibit.

20 (LETTER MARKED EXHIBIT 9.)

A I had advised the Custodian that there was some stuff at Nishi's long ago, but this was the first advice in regard to any stuff at Wark's..

Q But in your declaration or claim you never told the Custodian that some of your property was at Nishi's? When you signed that J.P. form you didn't say that some of your property was at Nishi's? A: No.

Q You wrote the Custodian again on July 15th, 1946;
30 is that your signature (indicating)?

A Yes.

Q Or did you have that letter written for you?

A Yes, that is my daughter's signature.

Q And that letter was written to you, for you, I mean, and under your instructions?

A Yes.

MR. RICE: I tender that letter, a letter of July 15th, 1946, written by the claimant of for the claimant to the Custodian.

10 (LETTER MARKED EXHIBIT NO. 10)

MR. RICE: Q: You requested the Custodian to release certain articles to you and you signed that release form (indicating), I believe. Will you look at it?

A Yes.

MR. RICE: I submit a release form signed by the claimant, dated May 26th, 1943.

(RELEASE MARKED EXHIBIT NO. 11).

MR. RICE: Exhibit 11, if I may refer to it, your Honour, the release signed by the claimant

20 released from any claim whatsoever he had against the Custodian for, a Singer sewing machine, a barrel soy sauce, a box wooden tea box containing Japanese clothes and material, a mantel clock, a box kitchen goods (pots and pans), box dishes, one pair 3/4 rubber boots, size 8, V.A.C., one pair 3/4 rubber boots, size 6, old.

Q Did you receive those articles?

A Yes.

Q You received them all? A: Yes.

30 Q All right.

THE SUB-COMMISSIONER: Is that all?

MR. RUSSELL: No, I would like to re-examine the witness a bit.

THE SUB-COMMISSIONER: All right.

RE DIRECT EXAMINATION BY MR. RUSSELL:

Q This summary of evidence that you prepared, you showed here that you were claiming $2235.00 for real estate alone, and you worked it out in detail, and you showed what you received for real estate, you showed what you paid for the real estate, you showed the buildings and improvements you put on there, and when you finally totalled it out, with thie one correction there, you claimed $2235.00 for that land? A: Yes.

Q Is that correct? I mean, are those particulars correct or are they not correct?

THE SUB-COMMISSIONER: Here is what he said, Mr. Russell. He said, "$3170.00 for house, land, nets and everything."

MR. RUSSELL: I think he was stampeded.

THE SUB-COMMISSIONER: I don't think he was stampeded. By that approach of re-examination you are just going to get him to confirm your summary. Why don't you ask him what did he mean by it when he said "House, nets, land and everything, $3170.00"? It doesn't assist us in any way just to have him confirm that again.

MR. RUSSELL: Well, I am going into it again to have him confirm the amount that he is claiming in

this summary of evidence.

THE SUB-COMMISSIONER: Well, but ask him to explain his statement to Mr. Rice.

MR. RUSSELL: Q: Do you understand English sufficiently?

A Not very well.

Q Tell him this, that when he answered a question to Mr. Rice he stated that what he was claiming was $3170.00 for house, land, nets and everything. Now, did he mean that or did he not?

10 THE SUB-COMMISSIONER: Does he mean that or does he not, that is what I want to know?

A Yes, that is the amount that I am claiming for everything.

Q For everything? A: Yes.

THE SUB-COMMISSIONER: There is no stampeding about that, Mr. Russell.

MR. RUSSELL: Q: Why did you prepare this document or list for all the individual things, house, land, nets and everything? This doesn't total

20 $3170.00. This shows that your loss for the land alone is $2235.00, and on top of that you have shown all the other items.

A The land loss is $2235.00, is the price here.

Q Yes, I know, but you also claim for nets and personalty as well. Well, do you still want to claim for nets, or don't you?

A I don't know, just I make a copy and Mr. Aoki got that.

Q What do youwant to claim? Are you claiming

30 $3170.00 for everything, or areyou going to

claim for what youhave asked here, your nets, your land, and your personalty? What are you claiming for, or do you know?

A This I take it on this page here (indicating).

Q That is real property alone?

A With the house and the buildings and so on.

Q And the nets are not included in this?

A No, the nets aren't included in that there.

Q I see. A: They are separate.

10 Q They are separate? A: Yes.

Q Well, are you making a separate claim for nets?

A Here are the nets here (indicating).

Q Well, you are making a separate claim for nets as you show in your summary of evidence, is that right or wrong? A: This is the nets.

Q That is right. Do you want to claim $576.00 for your nets? A: Yes.

Q You do? A: Yes.

Q All right. Do you want to claim $443.92 for your

20 personal property, or don't you?

A Yes.

Q You do? A: Yes.

Q Why did you tell the Judge you didn't then? Your Honour, I think this man is mistaken in abandoning his claim.

THE SUB-COMMISSIONER: I suppose that is for Mr. Justice Bird to decide.

I will make this observation, the summary was prepared or, at least, signed in the presence

30 of a person who speaks Japanese and English, so

that he understood what he was doing, surely.

MR. RUSSELL: I think this summary of evidence absolutely contains what he is claiming now, sir. I don't think he understood what he was saying when he attempted to abandon it for a round figure like that.

THE SUB-COMMISSIONER: Q: How much money do you think that you should get from the Custodian now for everything? A: The total of those three items as shown.

10

MR. RUSSELL: Q: The total of the three items as shown on the summary of evidence?

A Yes.

THE SUB-COMMISSIONER: Q: How much money altogether, do you know? A: As I said before, $3100.00 something.

Q I see. All right.

Unregistered Charge: No indication of any.

Vesting Order No. 26059 - July 17, 1943, as to the interests of Fukumatsu Sakiyama and Kumataro Sakiyama.

HISTORY OF ADMINISTRATION: The Custodian's representative, J. D. Mather, reported on May 8, 1942:

> "The house on this property is a 5 room frame, shingle roof dwelling, no bathroom, outside toilet. There is 1 acre of loganberries, ¾ acre raspberries and ¼ acre black currants, two acres in all, which are in very good condition, have been well looked after. There is also a small barn and a small chicken house on the property, apparently both in good shape."

In his declaration of April 21, 1942, Kumataro Sakiyama declared the above-mentioned property and stated that his father, Fukumatsu, would lease the property to Eluzybet Piataocha of Steveston, B. C.

A lease was prepared by Thomas C. King, real estate agent of Steveston, between Fukumatsu & Kumataro Sakiyama and Eluzybet Piataocha, dated April 18, 1942. The term was for the duration of the war with Japan, consideration being the sum of $90.00 on the signing of the agreement, and for the following years of 1943 and onward during the term of the agreement, the lessee retains the property for the payment of upkeep, taxes and caretaking. The $90.00 referred to was paid direct to Fukumatsu and Kumataro Sakiyama.

...2/

This property was sold to The Director, The Veterans' Land Act for the sum of $835.00, and adjustments were calculated as of January 1, 1943.

The gross amount of $835.00 was credited to the joint account of Fukumatsu and Kumataro Sakiyama on January 12, 1944.

Certificate of Title No. 165936-E was delivered to the Director on January 17, 1944.

A complete statement of the transaction was forwarded to Fukumatsu and Kumataro Sakiyama on April 18, 1944.

After disbursements and adjustments were made the net sum of $829.79 was divided to the single accounts as follows:

Fukumatsu SAKIYAMA	- File No. 6225.....	$1414.90
Kumataro SAKIYAMA	- File No. 4586.....	$ 414.89
	Total	$ 829.79

The above Summary is certified to be in accordance with the information on file:

PERSONAL PROPERTY CLAIM

CLAIMANTS Kumataro & Fuku SAKIYAMA

REFERENCES	HISTORY
PP.1	C.C. Robinson shipment of chattels 21 Jul 43.
P.P.2	Cstn letter 24 Jun 46 to Sakiyama requesting information as to whether he left chattels with Mrs. Wark at 152 Moncton St. Steveston, B.C.
P.P.3	Sakiyama letter 15 July 1946 lists items left with Mrs. Wark as per (2)
PP.4	Cstn letter 14 Mar 47 to Sakiyama outlines difficulties in identifying his chattels. Asks for list of chattels left with Nishi at 155 Moncton St.
PP.5	Sakiyama on 19 Mar 1947 sends Cstdn list of chattels left at Nishi's and Wark's.

The Analysis is made up on the basis of items declared by the Sakiyamas when registering with the Custodian on 21 Apr 42. Although the Claimant did not declare chattels left elsewhere until 19 Mar 1947, his inventory of that date has been typed in the Inventory Column. This inventory is greatly in excess of the articles originally declared, and in view of the fact that he waited 5 years to inform the Custodian as to their whereabouts, it is considered by the writer that he should forfeit all claim.
The itemized claim as received and inscribed on the Analysis appears to be double the size of his March 1947 inventory (which is double the size of the original declaration).

It is considered that either repetition in order to build up the claim was employed in the construction of the claim itself, or groups of items such as dolls and kitchenware were expanded in quantity.

We left this much net at the Canadian Fishing Company in Steveston. There will a copy like this there too. We left a $500 insurance on these nets. This was the lowest price of nets during that time. While in Sandon I got $240.00 and $50.00 in Lemon Creek and haven't heard since then. I would appreciate if you would tell me if that was all because our net is suppose to value over at least $800.00. And please notify as quickly as you can about our household goods left in Steveston.

I hereby certify the foregoing words
