THE SECRETARY; Case No. 766, Eiji Tashiro.

EIJI TASHIRO, the claimant herein, being first duly sworn, testified through the Interpreter as follows:

DIRECT EXAMINATION BY MR. RUSSELL:

Q Mr. Tashiro, I am showing you a summary of evidence in support of claim. You recall giving instructions to have this made out? A: Yes.

Q Who supplied the material for preparing this claim?

10 A I did.

Q And this is your signature at the end of the claim?

A Yes.

Q I notice on page 5 there is a place for your signature that you have not signed. Would you mind signing it for me here now, please?

A (Witness complies).

MR. RUSSELL: I will put that in as an exhibit.

(SUMMARY MARKED EXHIBIT NO. 1).

MR. RUSSELL: Q: Mr. Tashiro, I am showing you a

20 picture of some shrubbery and apparently a field there; do you recognize that picture?

A Those are strawberries.

Q Whose strawberries are those? A: My strawberries.

Q Are these the strawberries on the land that you are claiming for? A: Yes.

MR. RUSSELL: I had better put that in as an exhibit.

(PHOTOGRAPH MARKED EXHIBIT NO. 2).

MR. RUSSELL: Q: I am showing you another photograph?

A That is my strawberries in 1940.

30 Q Where is that picture taken? What land is that?

A That is my own land.

Q Is that the land that you are claiming for?

A Yes.

MR. RUSSELL: I will put this photograph in.

(PHOTOGRAPH MARKED EXHIBIT NO. 3).

MR. RUSSELL: Q: When was the first photo taken?

A In 1940.

Q They were both taken in 1940? A: Yes.

Q How much did you pay for this land?

10 A $500.00.

Q And you cleared how much? A: A little over eight acres.

Q What did it cost you to clear those eight acres?

A $1600.00.

Q How do you arrive at the figure of $1600.00?

A That includes the cost of the powder and the horse and the labour.

Q Was that your own labour, or did you pay somebody else? A: I employed outside

20 help, and I also worked on it myself.

Q Well, does the $1600.00 include the cost of your own materials, the materials you supplied, your own labour , as well as labour that you paid for, or is your own labour included in that figure?

A That is all included.

Q All included? A: Yes.

Q I think that is all, thanks.

MR. RICE: I am submitting, your Honour, that the real estate was sold for its fair market value.

30 I am submitting that the chattels sold or

disposed of by the Custodian were sold for their fair market value. I am submitting that if the Custodian is responsible for any of this claimant's goods, the claim made for the same is exorbitant.

I submit the following documents as exhibits: Farm appraisal report.

(APPRAISAL REPORT MARKED EXHIBIT NO. 4).

MR. RICE: A tax notice for the year 1943, I mean an assessment notice for the year 1943 of the Corporation of the District of Mission, showing the land to be assessed at $590.00 and the improvements $450.00.

(ASSESSMENT MARKED EXHIBIT NO. 5).

MR. RICE: Two summaries respecting the real estate.

(SUMMARIES MARKED EXHIBIT NO. 6).

MR. RICE: An analysis of personal property claim.

(ANALYSIS MARKED EXHIBIT NO. 7).

MR. RICE: An appraisal made by, I believe it is A.N. Lawrence, of Mission City, of part of the claimant's chattels, with a statement attached as to sale.

(DOCUMENTS MARKED EXHIBIT NO. 8).

CROSS EXAMINATION BY MR. RICE:

Q I show you your J.P. form dated the 7th of April, 1942; did you complete that document and sign it?

A Yes, that is my signature.

Q And that is the document that you signed?

A Yes.

Q And those are the two lists, are they; those two sheets are the lists, are they, that you completed

at the time that you signed the document?

A Yes.

MR. RICE: I tender the J.P. form as an exhibit.

(J.P. FORM MARKED EXHIBIT NO. 9).

MR. RICE: Q: I observe that a cultivator which you purchased for $17.00, and which you used for two years, that has only depreciated in value $2.00, a dollar a year, and the same is now worth $15.00? A: Yes, that is right.

Q That is right. And two sections of drag harrows which cost you $4.50 in 1940, you say are now worth $5.00, or were when you were evacuated?

A Yes.

Q And two plows which cost you $5.00, you say were worth $7.00 when you were evacuated?

A The plows cost $20.00 and I marked them downto $7.00.

Q The statement you signed here says that they cost you $5.00 and that you bought them in 1923?

A I bought a plow in 1923 for $24.00.

Q You say in your statement you bought it for $5.00, or you bought two for five?

THE SUB-COMMISSIONER: That evidently looks like an error.

MR. RICE: It may be.

Q There is one item I am coming to next. How much did your wheelbarrows cost you?

A I think I bought those for about $5.00.

Q Your claim says that you bought them for $22.00? I couldn't understand why you dropped an item from

$22.00 to $1.00, and you say that the plows which you say cost you $5.00 are worth $7.00 today. A: That is correct for the wheelbarrows.

THE SUB-COMMISSIONER: What is correct, the $1.00 or the $22.00?

MR. RUSSELL: Apparently those two items are transposed.

THE SUB-COMMISSIONER: Yes, they would appear to be.

A I bought them for $5.00 and have priced at $1.00.

10 MR. RICE: All right. There is an appraisal on a lot of this property that should be considered.

THE SUB-COMMISSIONER: Any further questions, Mr. Russell?

MR. RUSSELL: Just two things I would like to point out, your Honour. This property was sold for less than one-half of the assessed value; and I point out that the appraisal, Exhibit 8, was dated approximately two years after the evacuation of the claimant.

MR. RICE: That horse and harness surely depreciated

20 during that time. The claimant says that it was valued at $100.00, whereas the appraiser, or the appraisal made by Mr. Lawrence values the same items, the horse for fox meat, and the whole thing I think about $17.50.

THE SUB-COMMISSIONER: That is all, thank you.

I hereby certify the foregoing to be a true and accurate transcript of the proceedings herein.

Farm Appraisal Report

PAGE 3

Remarks: This place is a group pf 59 lots with bisecting streets and alleys but has been cultivated as a block, so that the location of each block of lots has been obliterated. Exact location of streets etc. is no possible without a re-survey. Appraisal is made on the assumption that title does not include the streets and alleys, as shown in the diagram herein. The whole of Blk 5A and 5B inclusive of streets and alleys would be 10 acres. Therefore the actual acreage under operation as cultivated land, by the occupant, is greater than the amount appraised herein as being owned by the title holder.

Place has the appearance of neglect in cultivation.
Place has only a value as added acreage to other land.

(FOR ORCHARD LANDS ONLY)

REMARKS: re general lie of land, fertility of soil, irrigation, drainage or dyking and reclamation.

ANNUAL COST OF IRRIGATION, DYKING AND DRAINAGE.

ORCHARDS, SMALL FRUITS, ETC. (Give number, age, variety and condition of all tree fruits, condition and area of each kind of small fruits.)

Present Value

Not possible to give exact acreages of small fruits for two reasons. One that streets and alleys are also included, the other that when the place was inspected the lessee was hoeing at the strawberries, and it was not possible to determine what he would be able to retain in production. $

Also the Loganberries started out at the south side, as old and useless merged into fairly good canes, and again gradually merged back into old and useless canes. They also cover ground that is included in street. $
