Letter 12935

Dear Sir:

I am writing you with the hopes that you will furnish me with the information I desire.

I am a discharged member of the present forces and owing to my state of health I desire to seek other forms of work as my present occupation bothers me.

First I would like to know if there are still any boats formerly owned by the Japanese for sale and the price of same.

Second could you give me the record of the pack for the previous ten years also the water conditions with regards to spawing also your estimate of the next few years pack in accordance

with this years run
Is it possible for one who
is ignorant of the business that you
pursue find employment with you
and learn the trade.

Hoping you will Oblige
Yours truly
A Baigh.
