PROCEEDINGS AT HEARING

APPEARANCES:

F.M.FERG, Esq., Appearing for the Dominion Government.

S.M.CHERNIAK, Esq., Appearing for the Claimant.

- - - - -

G.N.R.UPTON, Esq., Official Interpreter.

30 MARK H. PEARCE, Esq., Official Reporter.

KEITARO MATSUHARA, the claimant herein, being first duly sworn testified as follows:-

MR. CHERNIAK: Your Honour, I ask leave to amend, I am withdrawing the claims for the fishing vessels subject to the extension of the terms of reference. The remaining claim is for nets and fishing gear. The net loss claimed is $1,200.10.

THE COMMISSIONER: You are withdrawing both of them, leaving only the claim for fishing nets and gear?

10 MR. CHERNIAK: Yes, Your Honour.

DIRECT EXAMINATION BY MR. CHERNIAK:

Q Mr. Matsuhara, I show you a typewritten statement setting out that all the details of your nets are shown on the Analysis Sheet which we worked on; was this statement prepared in accordance with your instructions? A Yes.

Q And is that your signature?

A Yes.

20 Q You swear the contents to be true to the best of your knowledge and recollection?

A Yes.

MR. CHERNIAK: I tender the statement identified by the Claimant as Exhibit 1, Your Honour.

(PERSONAL CHATTEL STATEMENT, EXHIBIT 1.)

MR. CHERNIAK: And on behalf of my learned friend I tender the Custodian's Analysis Sheet as Exhibit 2.

(ANALYSIS, EXHIBIT 2.)

30 MR. CHERNIAK: Your Honour will note that Exhibit 1

sets out that the Claimant has itemized the nets and shown the original value and age at date of evacuation, that is of all nets and lines for which he is making claim, on the Analysis Sheet.

In Exhibit 2, the inked writing is that of my learned friend's and is, I understand, a copy of the notations made on my copy of the Analysis Sheet. You will note, Sir, all these nets were either sold by the Custodian or are shown by the Custodian as declared and not found or are shown not accounted for, theft, etcetera. Might I ask my learned friend to indicate when the Custodian took an inventory of these goods.

MR. FERG: I have on file, it is apparently a document prepared by the Claimant himself, in response to a request from the Custodian and this was received by the Custodian on the 6th of April, 1943.

MR. CHERNIAK: Is there any indication, Your Honour, as to when the Custodian checked up on these nets?

MR. FERG: There is a net statement dated January 4th, 1944, showing the description of the nets, the Japanese value, the purchase price and the goods unaccounted for.

MR. CHERNIAK: It should be pointed out for the record, Your Honour, that in the J.P.Declaration Form, according to Exhibit 2, the Claimant on April 2nd, 1942, declared a number of nets to the

value of $1,970.00 and a number of lines to the value of $310.00 and as far as we know so far the only date we have been given as to an Inventory is in 1944.

Q Mr. Matsuhara, when you made your declaration at date of evacuation, you showed that you had 21 nets of the value of $1,970.00; in your net form which you sent to the Custodian you listed 20 nets with a total value of $1,470.00; what happened to the 21st net?

A I sold that after I made my declaration.

Q Other than that did you sell any of the nets which are listed here?

A No.

MR. CHERNIAK: Thank you.

MR. FERG: It is submitted, Your Honour that the property sold, sold for its fair market value and that the goods claimed for unaccounted for, the prices claimed are excessive and unreasonable.

CROSS/EXAMINED BY MR. FERG:

Q Mr. Matsuhara, you prepared a list of the fishing nets and fishing equipment that you left at the Cannery for the Custodian, did you not?

A Yes.

Q And is that the document that you prepared for the Custodian? A This is the list.

Q And it was prepared by you?

A Yes.

MR. FERG: I will file that, Your Honour.

AND Attached to it is a memorandum from the Custodian's file dated January 4th, 1944, which is a net statement respecting this Claimants goods, I will file that also as Exhibit 3.

(TWO DOCUMENTS, EXHIBIT 3.)

Q The values shown of the various nets on Exhibit 3 are your own valuations?

A Yes.

Q How long have you been a fisherman?

10 A Over 20 years.

Q What would you say, in your experience, would be the life of a fishing net of the type that you use and claim for here?

A About four or five years.

Q There have been fishermen give evidence in cases similar to this in which they stated the life of the nets were three or four years, what do you say about that?

A If they are used continuously that may be so.

20 Q You use your nets continuously, don't you?

A I have nets which I use continuously and those t that I do not use continuously.

MR. CHERNIAK: I should indicate, Your Honour that this list Exhibit 3, is the list referred to in the left hand column of the Custodian's Analysis, Exhibit e and indicated here as being a list which is exactly the same as the claim itself
