Hon. W. J. Bowser.

Attorney General, B.C. Japs work  
Hon. Sir. Sundays

As our local J. Japs

appears to be at sea, or at least in doubt as to  
taking action in regard to violations of the Sabbath  
day.

I write to Enquire if these Heathen Japans are  
permitted to carry on their ordinary work day work  
on the Sabbath day?

These Jap. Contractors, for the last three years have  
continuously carried on all kinds of ordinary work-day  
work Chopping, Cutting, and Hauling Shingle Bolts  
on the Sabbath day, and to put very mildly to say  
it is very annoying to Church goers to have witness  
besides the Example set to the youth of this Country.  
Hoping I am not intruding upon your valuable time

I am, Sir,

Your Humble & Obedt. Servt
