

"CORONERS ACT."
(Sec. 7, Subsecs. (2) and (3).)

(Coroner's Report Form of Inquiry.)

1212 Greenwood, B.C.

July 27th, 1943

Report of INQUIRY as to Cause of Death of

Shintaro Shimizu

Age 26 Sex Male Birthplace Canada Date of death July 21, 1943

Nationality Japanese-Canadian Race Japanese

Remarks This man with Norrie Takata, Teruo Nakatsu, and John Negraeff were working together repairing a dam on Kettle River. He slipped into the water and these men were unable to get him out. Help was sent for to the mill office about 200 yards away and Alex Veregin responded, going out in a boat and diving for him in about 12 to 15 feet of water.

Where found Found in a deep hole in the Kettle River.

Found by Alex Veregin

Post-mortem findings None.

ACKNOWLEDGED

ATTORNEY-GENERAL'S DEPT.
RECEIVED
JUL 30 1943

File No.

Wounds, etc. None

Address of deceased Midway, B. C.

Address of next of kin Mrs. K. Shimizu - mother

Opinion of Coroner I was called by telephone at 9:45 A. M. and proceeded to J. W. Sherbinin & Son lumber mill 12 miles from here. I found three men taking turns at giving artificial respiration. The deceased was pulseless and no heart action could be detected. I consider that he was accidentally drowned.

Municipality or district responsible

Undertaker F. J. Miller

Cremated New Denver, B.C.
Buried at

John Burnell, Coroner.

NOTE.—Depositions or statements of witnesses (if any) to be attached to this form.
