Dear Sir:

I am writing on behalf of Mr. Harry Hayashi, 454 Burlington St. E. Hamilton, whose uncle died in Vancouver on February 25th. 1950. When he was informed by wire of the death he agreed to assume the funeral expenses which he understands will amount to \$ 400.00. He understands that his uncle's personal belongings have been taken by the police. He is anxious to know, since there are no immediate relatives in the vicinity, whether this money will be returned to him and when and who will be looking after the estate of the late Harry Hayashi.

If there is any further information necessary you can communicate with the above direct.

Yours truly,

*W. H. Langhorn.*
