Vancouver B.C.

Nov. 30th /46

Dear Mr McGeer.

A line to see if you would be kind enough to use your good name. With the Hon. H. Mitchell. Minister of Labour in helping me hold my job. With that Dept. I have been with the Dept for three years and nine months. As an Asst Supervisor. in the Japanese Div. We have now closed our camp at Tashme.. B.C. and I have my notice from the local office that I am through on Dec 31st /46 the Dept of Labour is a big Dept and I would like to transfer into some other Division. I was supervisor of all outside work logging. farm. Saw mill road building camp maintenance, park water works.. wood cutting and a doz other out side jobs I had at times 500 men under me and to handle that many Japanese with out and trouble for over three years is quite a chore. I developed a stomach ulcer. by so doing it makes it hard for me to go into a logging camp. now as I have to watch my diet etc so if you would kindly help me in being kept on it would be very much appreciated. I have worked in B.C. in your behalf on all your election campaigns and I am also out this time calling on my friends to vote for you the Canadian Legion in South Van District is also in your behalf my brother is one of the committee out there and they are 100 per cent for you

soon closing I want to wish you the very best of
luck as we really need a man like you to run
this city. you have proved your self many times here
and I hope it is not to much trouble for you to look
me up if it is possible in any way, as this is a busy time
for you... if I had know sooner I would worked on
this before. I have just had my notice.
thanking you for Pass favors. and I hope I havent
bothered you.

I Remain Yours Truly

Frank C. Cameron.
