Kamloops, B.C.

IN THE MATTER OF THE CLAIM OF

TSUGUO MINEOKA

PROCEEDINGS AT HEARING

APPEARANCES:

T.G. BOWEN-COLTHURST, Esq.,	appearing for the Dominion Government.
A.E. COBUS, Esq.,	appearing for the Claimant.

J.R. COLLEY, Esq.,	Secretary to Kamloops Sub-Commission.
MRS. I.C. SMITH,	Official Interpreter
G. HAMBLETON, Esq.,	Official Reporter.

MR. COBUS: I call Tsuguo Mineoka, case No. 94 on the original list.

TSUGUO MINEOKA, the Claimant herein, being first duly sworn, testified as follows:

MR. COBUS: This claim, your honour, was spoken to before the Commission in Kamloops on February 12, 1948 and stood over to these hearings. At that time, leave was asked to amend the claim, and leave was granted to amend the claim as counsel might be advised. I would therefore make the following amendments to the claim itself:

We are amending the claim for personal property only and have divided that claim into a claim for goods sold at less than market value, valued at $324.50 and sold for $188.02, leaving a net claim for that list, $136.48; and a separate claim for goods lost, stolen or destroyed, amounting to $492.34, making a total net personal property claim of $628.82.

MR. BOWEN-COLTHURST: That just refers to the lumber and the glass, does it?

MR. COBUS: We have made up two lists which you will find attached to the two statements with respect to personalty.

DIRECT EXAMINATION BY MR. COBUS:

Q: Mr. Mineoka, I produce to you a statement concerning the real estate for which you are claiming. Did you instruct me to prepare this statement for

you and is that your signature?

A: Yes, that is mine.

Q: Are the statements contained therein true to the best of your knowledge and recollection?

A: Yes.

MR. COBUS: I ask to file that as the first exhibit.

(STATEMENT MARKED EXHIBIT NO. 1)

MR. COBUS: Before referring to the statement, your honour, I wish to question the witness.

Q: When did you leave your home in Steveston, Mr. Mineoka? A: The night of December 7, 1941

Q: And what were the circumstances surrounding that?

A: Well, the Mounted Police come round and took me into Vancouver.

Q: You were held in custody in Vancouver?

A: Yes.

Q: Were you given an opportunity to return to your home? A: No.

Q: After that time you were held in several internment camps? A: Yes.

Q: Eastward of Vancouver? A: Yes.

Q: Where did your wife live? A: Vancouver.

Q: In Vancouver. She didn't live with you in your home at Steveston? A: Yes, but she comes only once a week home from Vancouver to look after the home.

Q: What was she doing in Vancouver?

A: She keeps a rooming house.

Q: At the time, then, that you were taken into custody

you had no opportunity of putting your affairs in order or perhaps taking care of what chattels you did have on the property. A: No.

Q: And during the time that you were held in custody were you able to communicate with your wife respecting your property? A: No.

Q: Why weren't you able to communicate with her?

A: We could just write only personal things, that was all allowed.

Q: Was your mail censored? A: Yes.

Q: With respect to property? A: Yes.

Q: That is, any remarks concerning your property likely would be censored, is that it?

A: Yes.

MR. COBUS: Referring to the statement of the claimant with respect to the real property -- but perhaps before I go on I would ask my learned friend to produce the Farm Appraisal Report.

Q: I have before me, witness, a Farm Appraisal Report which indicates that your property was located near Branscomb, a B.C. Electric Station, I gather, a half a mile away, is that correct?

A: No, the nearest B.C. Electric Station is Cottages.

Q: How far away from your property?

A: It is about a quarter of a mile.

Q: And what sort of a station is Cottages?

A: Next to Branscomb.

Q: That is, it is on the B.C. Electric Railway line?

A: Yes.

MR. COBUS: I would ask to file the Farm Appraisal Re-

port on behalf of my learned friend.

(FARM APPRAISAL REPORT MARKED EXHIBIT NO. 2)

MR. COBUS: Referring to the statement itself, your honour, the property consisted of 2.13 acres, purchased in 1930 at a cost price of $750.00. At the date of purchase it was cleared, but not cultivated, and there were no improvements. The claimant estimates the value at the date of sale to be $4,680.00. He lists as improvements other than buildings, fencing and landscaping between the years 1930 and 1935 at a cost of $80.00. He had to build two bridges 12 feet by 10 feet over a drainage ditch which was built in front of his property. This was done in 1939. That, by the way, is included in that cost of $80.00 which has been mentioned. He planted, in addition, fruit trees, flower trees and shrubs and bulbs, and a detailed list of the trees, etc., is found on the reverse of the statement and marked by an asterisk. He values the things which he planted on the property at $350.00. In 1943 the Custodian allowed tenants credit of $25.00 on $100.00 annual rent for painting which the tenant claimed he had done.

The claimant built on the property three buildings: a dwelling, which is described as a frame building with a shingle roof and which was built in 1934 and '5, and the cost is set out and it is valued at $1,850.00 by the claimant; he built a shed in 1933 at a contract price of $180.00

which he estimates as being worth $100.00 at the date of sale; and then he built a very substantial barn, a two storey building, with two chicken houses on the uppper floor of this barn, and it, too, was a frame building with shingled roof and a concrete foundation. He estimates its value to be $1,550.00.

The claimant then comments that the buildings were well built and carefully preserved, both the house and the barn were kept painted, and the land was very good and highlyproductive, and he says: "My gardens were noted throughout the neighbourhood." At this point, your honour, I am reminded that I have another document I would like to put in.

Q: Witness, I produce to you what appears to be a ground plan. A: Yes.

Q: Another which appears to be a ground plan and an elevation plan of a building.

A: Yes.

Q: And a third sheet containing four snapshots.

A: Yes.

Q: Would you identify each of them, please? What is the top sheet? A: This is the whole sketch of my property. On them is three buildings.

Q: And the second sheet? A: This is a ground floor plan, barn and storage and shed and chicken house.

Q: And these snapshots on the third page. In what

year were these pictures taken?

A: The three pictures were taken in 1941.

Q: Would you indicate which three?

A: These there, the two dwellings.

Q: The back view and the front view of the dwelling.

A: Yes.

Q: Yes. A: And the pond.

Q: And the fish pond in the back yard. Those were taken in what year?

A: 1941

Q: 1941. A: Yes.

Q: And the fourth picture, which is described as "Back garden." A: Yes, 1940.

Q: 1940? A: Yes.

MR. COBUS: I would ask to file this as an exhibit, your honour.

(PLANS AND PHOTOGRAPHS MARKED EXHIBIT NO. 3)

MR. COBUS: Now, to go on with the statement: "By my own labour I installed a concrete fish pond in the back garden as well as a small hothouse in the rear of my home. It was an extremely attractive home and farm, and I feel that the appraisal of $2,026.00 was much below its real market value, which I place at $4,680.00. My wife arranged through the Custodian to let the property to the elder Herberts at an annual rent of $100.00 plus water and taxes. The elder Herberts then allowed their son, C. Herbert to occupy the premises. My wife thought that the Herberts would look after the property, but as soon as I was able to, after

release from internment, I took steps to hand over control and management by filing a J.P. form."

Q: Witness, what was your first opportunity to file a J.P. form? A: It was the year 1943, the Custodian asked me to complete report as they send out the forms.

Q: Why was it that you were able to make this J.P. form out in 1943? A: I have no chance to do, and --

Q: Yes, but why were you able to do it in 1943?

A: The Custodian ask it.

Q: Well, then, why didn't you do it before?

A: I couldn't do it and I had no chance to.

Q: Yes, I understand that, but will you tell me why you didn't make it out before 1943? What prevented you from making it out? Let me put it this way: Where were you between 1941 and April, I believe it is, 1943? A: I was in internment camp.

Q: And you were not given an opportunity to make out a J.P. form? A: No.

Q: During your internment, were you ever asked to declare the property you had left behind?

A: Yes, once, in the camp at Petawawa one time.

Q: And did you make out such a form?

A; Not Custodian form.

Q: Not a Custodian form? A: No.

Q: But you made out some sort of form? A: Yes.

MR. COBUS: I would ask my learned friend to produce such a form if he has such a one in his possession.

MR. BOWEN-COLTHURST: I haven't got one here.

MR. COBUS: Will my learned friend undertake to produce such a document before the hearings in Vancouver if it becomes available.

MR. BOWEN-COLTHURST: I will advise the Custodian's office as to the request, your honour.

MR. COBUS: Q: Now, witness, I show you a statement concerning your personal chattels which is marked "No. 1." Did you instruct me to prepare this statement for you? A: Yes.

Q: And is that your signature? A: Yes, mine.

Q: I show you also a list or an inventory of goods. Did you prepare this list? A: Yes.

Q: Is that your signature? A: Yes, mine.

Q: And are the market values which you indicate in the second-to-last column fair market values of those goods? A: Yes.

MR. COBUS: I ask to file the statement and the inventory as the next exhibit.

(STATEMENT AND INVENTORY MARKED EXHIBIT No.4)

MR. COBUS: The statement, your honour, refers to chattels claimed which were sold by the Custodian, and the inventory lists such items with the market value and the amount at which it was sold by the Custodian.

The claimant says that the chattels, all of them, belonging to him remained on the premises at 128 Williams Road, Steveston, B.C. in the dwelling or in the shed or in the barn. He goes

on to say: "When I was taken by the RCMP in December, 1941, I was given and had no opportunity to do anything with my personal property. My wife was in Vancouver managing her business, a rooming house. From the Custodian's file, I gather that P.S. Ross and Sons were asked to take charge of my affairs on December 15, 1941. While I was at Petawawa internment camp I was asked to fill out a form respecting the property I had left behind. I filled this form out in May of June of 1942 to the best of my memory. In April 1943 I was released and returned to B.C., and on June the 28, 1943, I filled out my J.P. form. From the information received from the Custodian I was able to ascertain what goods had actually been sold and the attached lists indicate that the goods were sold at a figure substantially below their fair market value.

"With respect to the lumber claimed for, I would point out that the lumber actually found and inspected by Mr. T.C. King at the request of the Custodian was valued $90.00, yet it was actually sold for $50.00, net to me, $37.36. The amount of lumber Mr. King reports, however, is only 4,000 feet of 2 by 12 and 1 by 12, a small quantity of 2 by 4 and 1 by 8, and two hundred feet of fir flooring, whereas I left over 9,000 feet in all of lumber on the premises. The $20.41 credit given the Custodian is for monies received from him as representing the proceeds of

an auction sale in June, 1945. In February, 1948 I was informed that this was in error, but I have received no details as to what the sale represented."

Q: Witness, I show you a statement concerning personal chattels for which you are claiming which is marked "No.2". Did you instruct me to prepare this statement for you? A: Yes.

Q: Is that your signature? A: Yes.

Q: Are the statements contained therein true to the best of your knowledge and recollection?

A: Yes.

Q: I produce to you a two page inventory marked "No. 2". Did you prepare this statement?

A: Yes, I did.

Q: Is that your signature? A: Yes.

Q: Are the values you show in the last column fair market values? A: Yes.

Q: For the goods claimed? A: Yes.

MR. COBUS: I would ask to file the statement and inventory as the next exhibit.

(STATEMENT AND INVENTORY MARKED EXHIBIT NO. 5)

MR. COBUS: This statement concerns chattels claimed which are either lost, stolen or destroyed estimated to be of $492.34 value at the date of evacuation. The chattels listed in list No. 2 were left by the claimant at 128 Williams Road Steveston, B.C. in the dwelling and shed and barn. The claimant then says: "It would appear that about half the lumber I left is unaccounted for, that 100 flower pots disappeared, that the

camp bed I declared was sold but not credited to my account. I left a three-piece sunroom wicker seat, consisting of an easy chair, which was sold and two armchairs which are not accounted for. My wife sold two beds and one cupboard to a neighbour and removed two trunks containing her own personal effects, but no claim was made for these. She removed nothing else from the property and apart from one visit, she was always accompanied by an agent of the Custodian. The 19½ cases of glass were heavy and bulky. In evaluating the articles claimed for on List No. 2, I have allowed reasonable depreciation."

Your witness.

MR. BOWEN-COLTHURST: It will be contended, your honour, that the real estate was sold for its fair market value. With regard to the personal property, it will be contended that that property of the claimant's which was sold was sold for its fair market value. Some of the lumber was sold, and in that connection I should say that my file indicates, and no doubt it will be contended, that the $50.00 was net and not as claimed by the claimant, $37.36. As far as the claim for items that were not sold is concerned, it will be contended that, in the first place, Mr. Herbert was the tenant placed in charge by the claimant or the claimant's agent and that as a result the Custodian is not responsible for some or all of these articles that are claimed to

have disappeared and have not been accounted for. If it should be held that the Custodian is responsible for any of these, then it will be contended that the value placed upon them by the claimant is exhorbitant.

Now, I have an assessment here and I think my friend will admit that the 1942 assessment was $479.00 for land, and the value of the improvements was $1720.00.

MR. COBUS: That appears to be correct, your honour.

CROSS EXAMINATION BY MR. BOWEN-COLTHURST:

Q: Now, Mr. Mineoka, you say in your claim form that this original lease with Herbert was made by your wife through the Custodian. Actually, the fact of the matter is, is it not, that the original lease was made directly between your wife and Herbert and later the Custodian, for the following year, continued it. Do you understand my question?

A: Yes.

Q: What is your answer to the question, then?

A: It was not two years, just one year.

Q: That is, the first lease was just for one year?

A: Yes.

Q: And that lease, I suggest to you, was made directly between Herbert and your wife. A: Yes.

Q: And the Custodian didn't come into the negotiations with Herbert as far as the lease was concerned until the following year.

A A: In the year 1943 when I was released and met my wife first she told me that Herbert come to my wife several times and ask to rent the house and she doesn't arrange any house rent at that time.

Q: In January, 1942, your wife arranged directly with Herbert to lease the place for one year, didn't she?

A: She didn't tell me at the time.

Q: Did she tell you that later? A: Yes.

10 Q: And as far as both you and your wife were concerned, you considered that Herbert had charge of your property both personal and real property at the time this lease was made, isn't that correct?

A: Yes.

Q: I will put it another way. Actually what happened was that the personal property, that is, all these goods that you have listed were left in care of Mr. Herbert in January, 1942, weren't they?

A: Yes, I see what you mean. My wife, yes, I suppose

20 so. My wife has.

Q: I will show you a claim form dated at Kamloops on the 25th of November, 1947. Is that your signature? A: Yes, it is mine.

Q: And the contents contained in that claim form are correct? A: Yes.

Q: And there you state that, in answer to a question, 5 (d), "In whose care was the property left at date of evacuation by claimant," "E.H. Herbert, 269 Williams Road, Steveston, B.C.;" that is

30 correct, isn't it? A: Yes.

MR. BOWEN-COLTHURST: I put that in as an exhibit.

(CLAIM FORM MARKED EXHIBIT NO. 6)

Q: I show you a letter dated November 9, 1942 purporting to be signed by Mrs. Mineoka. Is that your wife's letter, can you say?

A: No.

Q: You say that isn't your wife's letter?

A: No, because the signature is not my wife's.

Q: That signature is not your wife's? Was your wife at a place called Tashme?

A: Yes, she was.

Q: On November 9, 1942? A: I think so, but first time I met her is '43.

Q: Does she get other people, perhaps, to write letters for her, do you know? A: I don't know.

Q: Does she write English herself? A: No.

Q: I see. Referring to this letter that purports to be signed by your wife, Mr. Mineoka, it says in part --

MR. COBUS: Your honour, I don't imagine my friend is going to attempt to file that letter at any rate, so I don't see that we are going to gain anything by pursuing that line of examination.

MR. BOWEN-COLTHURST: My only point is this, that I feel Mrs. Mineoka couldn't write herself and no doubt got someone else to write this letter and that she was acting as this man's agent.

MR. COBUS: I am afraid you are conjecturing, and I would most certainly object if you attempted to

file it.

MR. BOWEN-COLTHURST: I won't pursue that any further.

Q: Now, I will show you a letter dated October 20, 1944. Is that you signature?

A: Yes, that is mine.

Q: And you recall writing that letter, do you?

A: Yes.

MR. BOWEN-COLTHURST: I would like to read part of this letter that I consider relevant, your honour. The letter is dated at Tashme, B.C., October 20, 1944, and it is addressed to the Office of the Custodian at Vancouver. It says in part: "Dear Sir: I am surprised to read with regret that the answer of Mr. Herbert mentioned in your favour dated 30th ult., regarding the nineteen and one half cases of glass stored in the shed at Steveston. I wish you understand commonly following my explanations: (1) I hope Mr. Herbert remember he took the key of the shed himself where not only the glass but many other tools such as lawn mower, hoes, garden rakes, etc., kept when she left house from my wife."

Q: When you say, "when she left house from my wife," witness, what you meant there, I suppose, was when he rented the house from your wife, is that right? A: You mean Herbert?

Q: You say in this paragraph that, "I hope Mr. Herbert remember he took the key of the shed himself where not only the glass but many other tools such as lawn mower, hoes, garden rake, etc., kept when she left house, from my wife." What you

meant there is "at the time he rented the house from your wife," isn't that correct?

A: Yes.

MR. BOWEN-COLTHURST: I file that as an exhibit.

(LETTER MARKED EXHIBIT NO. 7)

Q: I show you a J.P. form dated June 28, 1943. Is that your signature? A: Yes.

Q: And these deletions and notations, I suppose, were not on it at the time you signed it, were they?

A: I don't quite get the meaning of that.

Q: Other than these various notations, that is, what is written in pencil and ink and crayon marks, that is as it was when you signed it, is that correct? A: No, no.

Q: You didn't put these marks on it that you see on it? A: No.

Q: But other than that, that is as it was when you signed it? A: When I sign it, it was clear.

Q: Yes, I see. And at the time you signed it, the information contained in the form was correct, was it? A: Yes.

MR. BOWEN-COLTHURST: I file that as an exhibit.

(J.P. FORM MARKED EXHIBIT NO. 8)

Q: I suppose the information shown on your real estate claim form as to the cost of the various buildings you erected was from memory only, was it? A: Yes, we don't keep that document, no.

Q: What was your occupation prior to your internment,

Mr. Mineoka? A: Farmer.

Q: You, of course, had no experience at estimating and appraising farm lands and buildings, had you?

A: Yes.

Q: You say you have? A: Experience, you mean?

MR. BOWEN-COLTHURST: I won't pursue that further.

RE-DIRECT EXAMINATION BY MR. COBUS:

Q: Witness, why is your wife not here to assist in giving evidence? A: She is sick and has no chance to appear here.

MR. COBUS: I wonder if my learned friend would admit that only slightly over 4,000 feet of lumber were sold, or, if he can't do that, can he indicate exactly how much lumber was sold?

MR. BOWEN-COLTHURST: The only estimates we have is as to the value of the lumber, your honour, and I can't give that information, I am afraid. There is nothing on the file to indicate the quantity, only the value.

MR. COBUS: The value, did you say?

MR. BOWEN-COLTHURST: Yes, the value.

MR. COBUS: Well, would my learned friend then produce any appraisal on the lumber?

MR. BOWEN-COLTHURST: Well, I haven't an appraisal; I have merely an inter-office memorandum.

MR. COBUS: Well, by "value," you mean sale price.

MR. BOWEN-COLTHURST: Yes, yes, that is right. No, there was an estimate made. There was an estimate

according to my file. I might even have that in writing. I have on file a letter from Thomas C. King who, acting for the Custodian, advised, in part, that he had visited this property in question and had inspected the lumber and found that there was 4,000 feet of common fir which he valued at $90.00 as is. The letter is dated October 29, 1942.

MR. COBUS: Q: Now, witness, did your wife tell you how she came to this arrangement with the Herberts? That is, did she enter into this agreement with the Herberts concerning the property with the approval of the Custodian?

A: Yes.

Q: Well, would you tell me, witness, what your wife actually told you about this lease?

A: She rent the house to Herbert and approved by the Custodian. The rent gets through the Custodian.

Q: She collected her rents through the Custodian?

A: Yes.

Q: There was no written agreement, I gather?

A: No.

MR. COBUS: I think I would ask my learned friend to admit that during the year 1942 the Custodian actually knew of this arrangement and in fact was collecting or had ordered the Herberts to pay the rent money to the Custodian.

MR. BOWEN-COLTHURST: My file indicates that on August 22, 1942 the Custodian's office was aware of this lease between the claimant's wife, or the

claimant himself through his wife and the Herberts and at that time the arrangement was that the Herberts would pay $100.00 a year, which had not been paid, and instructions were given to the Herberts that the $100.00 was to be paid to the Custodian's office.

MR. COBUS: No further questions, your honour.

THE COMMISSIONER: All right.

R.J. McMASTER, Esq., appearing for the Claimant.

A. WATSON, Esq., Secretary.

D.J. HANFORD, Esq., Official Interpreter.

T.P. HORROBIN, Esq., Official Reporter.

MR. McMASTER: My lord, proceeding with the list, I had intended to speak to this earlier, I have just given my friend notice that I intend to apply to amend the claim of T. Mineoka who is on the general Kamloops list, to increase his claim with respect to certain chattels. I have given my friend a long list of those chattels and I would say this now, apparently he was never given a detailed report as to his chattels and he recently was at the Coast and went into the Custodian's office and obtained a detailed report, as a result of which he desires to amend his claim.

I was wondering whether you wished to deal with the application now or whether it should be a matter of making an application to His Honour Judge Archibald when we appear before him.

THE COMMISSIONER: Is there any objection to the proposed amendment?

MR. HUNTER: No, my lord.

THE COMMISSIONER: I will grant the amendment now. I take it it arises from information he has received from the Custodian since the date of the filing of the claim which he did not have at the time of filing it?

MR. McMASTER: That is my understanding, yes.

THE COMMISSIONER: Then the claim which is under the name of Tsuguo Mineoka, leave is given to amend the claim by substituting -- is that what you wish--?

MR. McMASTER: I am sorry, my lord, but I haven't the

file with me and I am not sure whether it is to be substituted.

THE COMMISSIONER: -- to amend as counsel may be advised?

MR. McMASTER: Then the record will show I am leaving thelist of goods that are being added with the Secretary.

THE SECRETARY: This is to be attached to the claim, Mr. McMaster?

MR. McMASTER: Yes.

THE COMMISSIONER: Mr. Reporter, would you turn over to the Secretary, please, an extract of the transcript covering this application so that it may be attached to the claim. You had better submit it to me for my signature so that it goes complete to the County Judge.

Dear Sir:

We have for reply your letter of August 28th. Regarding the 19½ cases of glass, we wrote to Mr. Herbert about this and he replied as follows:

"There is nothing left in the sheds. Mrs. Mineoka came several times when I was not at home and took things from the shed."

As for the lumber, this was sold by Mr. C. C. Robinson in November, 1942, and your account was credited with the proceeds.

Mrs. Mineoka was down here early in the spring of this year and made certain arrangements, taking with her on April 20th, a number of articles, including 2 trunks, and ordered everything else left on the premises to be moved to our auction room and sold. This has been done. We are sorry that the contents of the trunks were not all there. We know nothing about this and they were apparently in good order when Mrs. Mineoka took them away and did not mention that the locks had been broken.

Yours truly,

Dear Sir:

This will acknowledge receipt of your letter of January 19th. We are enclosing herewith our cheque in the amount of $1.50, being interest by coupon on Dominion of Canada Bonds, which was received by this office from the bank on December 9th, 1946.

With reference to the 19½ cases of glass, which you claim, an investigation by the Custodian revealed that Mr. Herbert, the tenant whom you placed in charge of your property before evacuation, stated in a letter to this office on September 6th, 1944:

"In regard to the glass in the barn at 128 Williams, there is nothing left in the sheds. Mrs. Mineoka came several times when I was not at home and took things from the shed."

A further investigation was made by the Custodian, but no trace was found of this glass. We are afraid there is nothing further we can do in this matter.

Comments re Appraiser's report not covered by above information:
The buildings were well built and carefully preserved by me. Both the house and barn were kept painted. The land was very good and highly productive. My gardens were noted throughout the neighbourhood. By my own labour I installed a concrete fish pond in the back garden as well as a small fish house in the rear of my home. I consider an extremely attractive home and farm and I feel that the appraisal of $2076.00 was much below its real market value. Land & plant at $1680.00

~~General Statement as to Chattels not Described above:~~

When I was taken by the RCMP in December 1941 I was given no opportunity to do anything with my personal property. and had My wife was in Vancouver managing her own business, a rooming house. From the custodian's file I gather that P.S. Ross & Sons were asked to take charge of my affairs on Dec. 15, 1941.

Additional Comments, if any: While I was at the Petawawa Internment Camp I was asked to fill out a form respecting the property I had left behind. I filled this form out in May or June of 1942 to the best of my memory. On April, 1943, I was released and returned to B. C. and on June 28, 1943, I filled out my J.P. form. From the information received from the Custodian

I was able to ascertain what goods had actually been sold and the attached list indicates that the goods were sold at a figure substantially below their fair market value. With respect to the lumber claimed for I would point out that the lumber actually found and inspected by Mr. D. B. King, at the request of the custodian, was valued at $90.00 yet it was sold for $50.00, net to me $37.36 The amount of lumber Mr. King reports, however, is only 4000' of 2 x 12 and 1 x 12, a small quantity of 2 x 4 and 1 x 8 and 200' of fir flooring, whereas I left over 9000" in all of lumber on the premises.

The $20.41 credit given the custodian is for moneys received from him as representing proceeds of an auction sale on June, 1945. In Feb. 1948 I was informed that this was in error but I have received no details as to what the sale represented.

Dear Sir:

We have for reply your letter of August 28th. Regarding the 19½ cases of glass, we wrote to Mr. Herbert about this and he replied as follows:

"There is nothing left in the sheds. Mrs. Mineoka came several times when I was not at home and took things from the shed."

As for the lumber, this was sold by Mr. C. C. Robinson in November, 1942, and your account was credited with the proceeds.

Mrs. Mineoka was down here early in the spring of this year and made certain arrangements, taking with her on April 20th, a number of articles, including 2 trunks, and ordered everything else left on the premises to be moved to our auction room and sold. This has been done. We are sorry that the contents of the trunks were not all there. We know nothing about this and they were apparently in good order when Mrs. Mineoka took them away and did not mention that the locks had been broken.

Yours truly,

Dear Sir:-

This will acknowledge receipt of your letter of January 19th. We are enclosing herewith our cheque in the amount of $1.50, being interest by coupon on Dominion of Canada Bonds, which was received by this office from the bank of December 9th, 1946.

With reference to the 19½ cases of glass, which you claim, an investigation by the Custodian revealed that Mr. Herbert, the tenant whom you placed in charge of your property before evacuation stated in a letter to this office on September 6th, 1944:

> "In regard to the glass in the barn at 128 Williams, there is nothing left in the sheds. Mrs. Mineoka came several times when I was not at home and took things from the shed."

A further investigation was made by the Custodian, but no trace was found of this glass. We are afraid there is nothing further we can do in this matter.

Dear Sir;

I am surprised to read with regret that the answer of Mr. Harbert mentioned in your favour dated 30th. ult., regarding the nineteen and one half cases of glass. stored in the shed at Steveston.

I wish you understand commonly folowing my explanations;

(1) I hope Mr. Harbert remenber he took the key of the shed himself where not only the glass but many other tools such as lawn mower, hoes, garden rakes etc., kept when she left house, from my wife.

(2) My wife never went home after the house rented without the agent of custodian except one time when she went home for something, I wish also he remenber that he never opened the shed and said do not tuch or will call a police. at that time."

(3) Therefore you can get a clear information that she took these glass away or not from your agent of Steveston because the all goods I got here checked and shipped by your agent.

So kindly take every possible steps on this matter as I belive this is only way that Iwrite to ask you, I am,

Very truly yours,
