IN THE MATTER OF THE CLAIM OF

YOSHIAKI YUKAWA.

PROCEEDINGS AT HEARING.

CASE NO: 508.

IN THE MATTER OF THE "INQUIRIES ACT"

PART 1, REVISED STATUTES OF CANADA 1927, CHAPTER 99.

JAPANESE PROPERTY CLAIMS COMMISSION

B E F O R E

(THE HONOURABLE MR. JUSTICE H.I. BIRD, COMMISSIONER).

Lethbridge, Alberta,

April 5th, 1948.

IN THE MATTER OF THE CLAIM OF

YOSHIAKI YUKAWA.

PROCEEDINGS AT HEARING.

APPEARANCES:

J.W.G. HUNTER, Esq.,	appearing for the Dominion Government.
L.S. TURCOTTE, Esq.,	appearing for the Claimant.

A. WATSON, Esq.,	Secretary.
G.N.R. UPTON, Esq.,	Official Interpreter.
T.P. HORROBIN, Esq.,	Official Reporter.

MR. TURCOTTE: My lord, I would like to proceed with the case of Yoshiaki Yukawa, No. 51 on the list.

I might explain in this case that Yoshiaki Yukawa died in 1945. There have been no letters of administration so far as I can ascertain, there being no reason for it.

THE COMMISSIONER: Yes.

MR. TURCOTTE: The widow is living in Ontario with two of the children -- no, one of the children, and the other two children are with the grandfather here, that is the deceased's father, and I am asking your Lordship's permission to call the father who assisted in building this property. It was a new property and he is well acquainted with the facts necessary. I suppose at a later date it will be necessary to administer the estate in case there is any award made.

THE COMMISSIONER: That seems satisfactory. Mr. Hunter, have you any objection to hearing from the father of the deceased?

MR. HUNTER: No, my lord. I presume anything resulting from a recommendation, if any, would be made to the dedeased's estate and they would furnish evidence to the Government of administration.

MR. TURCOTTE: We don't wish to go to that expense unless there is something to be gained. I will call Mr. Yukawa.

YONEKICHI YUKAWA, a witness on behalf of the Claimant herein, being first duly sworn, testified through the Interpreter as follows:

DIRECT EXAMINATION BY MR. TURCOTTE:

Q Are you the father of Yoshiaki Yukawa?

A Yes.

Q Q Did he die in June of 1945?

A Yes.

Q And his widow's name is Hatsu Yukawa?

A Yes.

Q And she is in St. Catherine's, Ontario, now?

A Yes.

Q There are three children?

A Yes. One is over in St. Catherine's, and he has two here.

Q That is the witness has taken care of two?

A Yes.

Q Now how far away from where you lived did your son establish his chicken farm?

A He was on Wilson Road, about three-quarters of a mile away.

Q With whom did his son and family or wife live with when he was building the buildings?

A At his house.

Q At the witness' house? A: Yes.

Q And did the witness help the son with the building?

A Yes.

Q Now I am showing you a statement of real estate. Is that your signature?

A Yes, I signed it.

Q And was that prepared by me from information which

you gave to me? A: Yes, he explained it all to you.

Q And is everything in there true to the best of his memory? A: Yes.

Q And are all the facts in there within his knowledge?

A Yes. Generally speaking I understand it all.

(STATEMENT MARKED EXHIBIT NO. 1).

Q I am showing you another document, a statement of personal chattels. Is that his signature on that?

A Yes.

Q And wasthat prepared by me from information which he gave to me? A: Yes.

(STATEMENT MARKED EXHIBIT NO. 2).

MR. TURCOTTE: Would my learnedfriend file the analysis of the claim.

(ANALYSIS MARKED EXHIBIT NO. 3).

THE COMMISSIONER: All these buildings were built in 1941, were they?

MR. TURCOTTE: Yes.

Q How long had your son lived in that house? How many months had your son lived in the new house?

A About two months.

MR. TURCOTTE: About two months, my lord. It was a brand new proposition.

THE COMMISSIONER: Just let me make sure I have your claim correct. You show the estimated value at date of sale at $1175.00. Does that relate to land alone?

MR. TURCOTTE: Land alone. That is the way I have shown all my claims.

THE COMMISSIONER: Yes.

MR. TURCOTTE: I probably should have added it up.

Q This was going to be used as a chicken farm, is that correct? A: Yes.

Q Now the Custodian says that the stove owned by your son was sent or shipped to him?

A Yes. I don't know anything about it, but I didn't receive it.

MR. TURCOTTE: I think there is a mix-up in these stoves. There is a letter showing that the stove was shipped to this man, that it was his stove. I think they have them mixed up. He didn't claim for his stove. He was here last week. I think there is something in the file. I think there is a mistake, sir. The stove that was shipped really belonged to this man, and not to the son.

MR. HUNTER: Are you referring to the kitchen stove?

MR. TURCOTTE: Yes. There is a letter from this man about his own stove in that file. My lord, I would like to offer these as exhibits. The first is signed by Anderson who was an agent of the Custodian. I understand chattels belonging to Yonekichi Yukawa --

THE COMMISSIONER: Yes, that is this man.

MR. TURCOTTE: --it shows "outstanding articles missing, hand cultivator", and then it says, "Heater (was shipped to the Japanese last fall.)" and "Range (was shipped to the Japanese last fall.)" And then it refers to 6 milk cans, sold by Yukawa. You remember we discussed it last week, my lord.

THE COMMISSIONER: Well, I do not.

MR. TURCOTTE: In any event, theyhave this in this estate file, and as a result of that I suppose at leaste they have put it on the analysis of this e estate that the stove that was shipped belonged to the estate, whereas the stove is clearly shown as belonging to this man, unless the Custodian has some other evidence. I have examined the file very carefully and I can't find it.

THE COMMISSIONER: What is the date of the letter?

MR. TURCOTTE: It isn't dated, my lord, it is a report.

(REPORT MARKED EXHIBIT NO. 4).

MR. TURCOTTE: Now then, I would also like to put in a letter from a man named Rooke.

THE COMMISSIONER: Is this a letter or a report?

MR. TURCOTTE: This is a certification letter,

"This is to certify that I have taken the heater stove from the Wilson Road property owned by Yoshiaki Yukawa to the Gibson Rodd property owned by Yonekichi Yukawa.

"This was done on the authority of Y. Yukawa in a letter to the Custodian."

I merely want to put that letter in to show that there can be no connection between Yoshiaki's heater and Yonekichi's heater, because clearly the heater was taken by Rooke, whereas this letter shows the heater being shipped which was this man's heater, not Yoshiaki's.

THE COMMISSIONER: What is the date of the letter?

MR. TURCOTTE: It was received by the Custodian on the 26th of September, 1942.

Y. Yukawa,
In Chief.

(LETTER MARKED EXHIBIT NO. 5).

MR. TURCOTTE: My lord, in regard to the truck, I have made a check of the serial number as shown on the Custodian's report, and it starts with "6". I therefore presume that is the 1936 truck, and therefore our value is much too high, and I reduced that to $600.00 instead of a thousand dollars. I have reduced it, I think, on your form.

THE COMMISSIONER: It shows on Exhibit 2 as $1100.00.

MR. TURCOTTE: That is the new price. In his claim he claimed a thousand dollars which I think should be reduced to $600.00 at least. It appears to me to be more reasonable.

Now there is a comment on the analysis in regard to the cooking utensils, $50.00, and it says that it was "shipped, see letter July 24, 1942, B.C. Security Commission". Now that letter asks that they be shipped, as I remember it, but there is no particular proof that they were shipped. Now I haven't had an opportunity to write to Mrs. Yukawa to see whether she received any utensils or not, but I would like that question left open, that is unless Mr. Hunter has some other evidence.

MR. HUNTER: No, I have none, my lord.

MR. TURCOTTE: I think he will agree that the letter merely asks for it. There was no evidence it was actually shipped.

MR. HUNTER: On the strength of the information in the file the way it should have read is, "may have been shipped", my lord.

THE COMMISSIONER: Well, I am making that change in Exhibit 3, Mr. Hunter.

MR. HUNTER: Very good, my lord.

MR. TURCOTTE: I would like my learned friend to produce a report of Mr. Anderson. I think there is a report in there to the effect that the place was ransacked, and everything was stolen. This is a report, my lord, dated June 12th, 1945, from R.M. Anderson re Yoshiaki Yukawa, "The house on this property is standing wide open and evidently has not been lived in for a long time.

"We found nothing that would warrant moving. The stove that was moved by Mrs. Rooke to the Gibson Road, is of no consequence, and certainly not worth moving."

I tender that, my lord, as an exhibit.

(REPORT MARKED EXHIBIT NO. 6).

Q Now, how old on the average were these chattels that were owned by your son? When did he buy them?

A The kitchen utensils were bought in 1941.

Q What about the stoves and beds and all that sort of thing? A: They were bought in 1941.

Q 1941, I see. Some new and some used?

A He said the sofa was an old one.

Q The sofa was an old one. What about the other things? A: All the rest were new.

Q Except for the sofa, everything else was new, is that correct? A: Yes.

Q And are the prices that you have placed on these

chattels the purchase price, or what? How did you arrive at the prices? A: They were notx important things, but all the new things, I think, generally speaking, they were based on the purchase price.

Q On the purchase price; I see. That is all.

MR. HUNTER: It is submitted, my lord, that the real property was sold for itw fair market value. It is submitted the vehicle was sold for its fair market value. It is submitted that the prices claimed for items not sold by the Custodian are exorbitant. I would file the Soldier Settlement Board appraisal. That will be Exhibit 7.

(APPRAISAL MARKED EXHIBIT NO. 7).

MR. HUNTER: The vehicle was appraised by McDermott Motors at $300.00 and was sold at that price, my lord. The R.C.M.P. report shows the mileage at over six million miles, but I think the figure is misplaced. I think it is 25,019, my lord, the next figure.

THE COMMISSIONER: Have you the R.C.M.P. report?

MR. HUNTER: Yes, my lord.

THE COMMISSIONER: I think perhaps you had better put it in.

(REPORT MARKED EXHIBIT NO. 8).

MR. HUNTER: As to the condition it says, "it appears good. Extra equipment, none." It is dated March 9th, 1942.

MR. TURCOTTE: There has been no evidence, I presume, taken on automobilex values at the Coast as yet.

THE COMMISSIONER: No. Do counsel recall when ceiling prices were fixed on motorcars?

MR. HUNTER: I don't think it was at that time, my lord.

THE COMMISSIONER: No, I do not think the ceilings came on until after 1942.

MR. HUNTER: I think that is right. We will have some evidence on that, but I think it was after 1942, my lord.

MR. TURCOTTE: I know here we had what were called "used car lists".

THE COMMISSIONER: I fancy they had them there, too. I am pretty sure they had.

MR. TURCOTTE: It will give a pretty fair idea of fair market price.

MR. HUNTER: The real property, my lord, is entirely a question of value. The chattels, with the exception of those which may have been shipped and the heater stove, which was abandoned as valueless, were all apparently stolen, and it is entirely a question of value to be determined by your Lordship. I am sorry that we can't be of more assistance on that, but actually nothing was sold and we can't even give a comparison on figures except for the vehicle, perhaps.

THE COMMISSIONER: I appreciate that.

MR. HUNTER: There are a couple of questions I would like to clear up with this man.

CROSS-EXAMINATION BY MR. HUNTER:

Q Mr. Yukawa, these prices which you have shown in

your personal property statement, those are just estimated prices, is that correct?

A I didn't put down these prices. They were the prices which were put down by my son and his wife, and I can't answer it.

Q Where did they put these prices down? Your son is dead, and his wife is in St. Catherine's. When and where didthey put these prices down?

A Before my boy's wife went to St. Catherine's, she had written down these particulars and left them with me.

Q And do you know whether these prices she shows were taken by her from memory or from written records which she had? A: I am not in a position to say; I don't know.

Q But these, anyway, are figures which were supplied to you by your daughter-in-law?

A Yes.

Q And the estimated value, that was also supplied by your daughter-in-law? A: Yes.

Q I see. You have no personal knowledge of the prices paid or the estimated value?

A My knowledge is merely from information which has been given to me.

Q You have no personal knowledge?

A Yes.

Q You mean no. A: I only know them from personal knowledge.

THE INTERPRETER: Would you repeat the question? Maybe I have it muddled up.

THE COMMISSIONER: I think you have it already, Mr. Hunter.

MR. HUNTER: I think it is clear, but for the purpose of the record, I would like to have it correct, my lord. I wouldn't want that in there if it was wrong.

THE COMMISSIONER: Put your question again.

MR. HUNTER: Q: You have no personal knowledge of prices or estimated value? A: I have no personal knowledge.

MR. HUNTER: Yes. That is all, my lord.

MR. TURCOTTE: My lord, that is not very satisfactory. I was just wondering whether I should get in touch with Mrs. Yukawa.

THE COMMISSIONER: I think you would be safer to arrange that she be called, say, in Toronto, because there is not very much proof of these values at the moment.

MR. TURCOTTE: I will do that. I will get him to write to her and I will write to the Toronto firm of solicitors.

THE COMMISSIONER: Yes, I think it would be wise to do that, and she had better be called before me when I am in Toronto. I will be there for all the month of May. So if you will, instruct your Toronto agent to apply to have her evidence taken there and I will hear it at that time. That is all, thank you, Mr. Yukawa.

(PROCEEDINGS RESUMED PURSUANT TO ADJOURNMENT)

MR. BREWIN: We might deal with Mrs. Yukawa, my lord.

THE COMMISSIONER: The number?

MR. BREWIN: It is added to the list. Your Lordship will remember that was a claim that was heard in Lethbridge.

THE COMMISSIONER: Oh yes, the Yukawa claim which was heard at Lethbridge. Mr. Secretary, would you mind letting me have the Lethbridge number?

THE SECRETARY: Case 508 at Lethbridge.

THE COMMISSIONER: You have the transcriptx, have you, Mr. Brewin?

MR. BREWIN: No, but I have seen my friend's copy of the transcript.

HATSUE YUKAWA, the claimant herein, being first duly sworn, testified through the Interpreter as follows:

Direct EXAMINATION BY MR. BREWIN:

Q Mrs. Yukawa, you are the widow of the late Yoshiaki Yukawa? A: Yes.

Q Your husband, I believe, died in June of 1945?

A Yes.

Q And I believe in Lethbridge your father-in-law, Mr. Yonekichi Yukawa, gave evidence in respect to the claim for the estate of your late husband?

A Mes.

Q And have you had an opportunity to read over the

evidence which he gave? A: Yes.

Q And is the evidence given there correct?

A Yes.

Q I notice that he says that a good deal of the information he gave had been supplied by you, is that correct? A: Yes.

Q And I have here copies of claim forms that were put in, one is in regard to and it is headed "Real Estate form farm land", and that is a copy of information that was filed by your father-in-law, Have you read that over?

A Yes.

Q Is the information set out there correct?

A Yes.

MR. BREWIN: I don't know whether this should be marked as an exhibit, my lord.

THE COMMISSIONER: Is this something in addition to that which was filed?

MR. BREWIN: No, my lord, this is an exact copy of what was filed.

THE COMMISSIONER: I can tell you what the exhibits were. The statement of the real property relating to 6¾ acres on Wilson Road, New Westminster, was filed as Exhibit 1.

MR. BREWIN: Yes, my lord. This is a copy I have had sent to me by Mr. Turcotte.

THE COMMISSIONER: We will say that it verifies the contents of Exhibit 1.

MR. BREWIN: Yes. Perhaps my friend could tell me what number is the personal chattels claim form.

MR. HUNTER: It is Exhibit 2.

MR. BREWIN: Q: Exhibit 2 was the claim form in respect to personal chattels which your father-in-law filed. Have you read that over?

A Yes.

Q And are all the facts set out there correct to your knowledge? A: As far as I know, yes.

Q Well you do know about them, do you?

A Yes.

Q You supplied all the facts that went into it?

A Yes.

Q What year were you married? A: 1941, I believe it was.

Q And you moved on to this farm with your husband?

A Yes.

Q And most of the things you had in there were new? You were recently married, I suppose, is that correct?

A Yes.

Q And you have read over the evidence? I have asked you that before, the evidence given by your father-in-law? A: Yes.

Q And it is all correct, is it? A: Yes.

Q I don't think I need ask you in detail about these matters. There is one thing I should ask about and that is the Custodian filed an analysis of personal property claim which I suppose was marked as an exhibit, my lord.

THE COMMISSIONER: Yes, Exhibit 3.

MR. BREWIN: Q: On this document which the Custodian prepared, it says that a stove for which you are

claiming $180.00 was shipped. That implies it was shipped to you.

MR. HUNTER: No, to the husband.

MR. BREWIN: The husband died. What is the date of shipment? It says, "See July 5th, 1942, British Columbia Security Commission".

THE COMMISSIONER: The husband died in 1945.

MR. BREWIN: Q: Your husband died in 1945?

A In 1945.

Q It says it was shipped to your husband. Was that stove for which you are claiming ever shipped to your husband? A: No, it wasn't shipped to us.

Q You would know, I suppose. You were living with your husband and I suppose you would be using the stove if it had been shipped?

THE COMMISSIONER: Well she said it was not shipped. That is the end of it, is it not?

MR. BREWIN: Well she might have been away or something.

Q Apparently there is also stated in the analysis of personal property claim that cooking utensils for which you are claiming $50.00 were shipped, in a letter of July 24th, presumably the same letter as referred to. Were the kitchen utensils shipped? Did you ever receive them?

A No, we didn't receive them.

Q Now these prices that you have put on these chattels, are they what you paid for them or what you estimate to be the value? A: Well they were the estimated value of them.

Q Most of them were fairly new, at any rate, I think?

A Yes.

THE COMMISSIONER: Q: Now your father-in-law has said that the prices shown are the cost prices in 1941. Is that not correct? A: Yes.

THE COMMISSIONER: That is correct, is it?

A Yes.

MR. HUNTER: It showsboth, my lord.

THE COMMISSIONER: It showed both, did it?

MR. HUNTER: Under prices paid and estimated value at date of evacuation.

MR. BREWIN: That is all, thank you.

THE COMMISSIONER: Any recross-examination, Mr. Hunter?

CROSS-EXAMINATION BY MR. HUNTER:

Q This stove, I notice, was purchased in 1942. Was it used? A: Yes, it was used.

Q By you, I presume? A:. Yes.

Q And I notice the claim you are making is at cost price. Why do you do that? A: Well, my husband bought the stove before I had come over when I was married, and he apparently estimated the value to be still worth that price with the use it had.

Q I see. He didn't allow anything for it being a used article. A: No.

Q And the heater the same? A: Yes.

Q And apparently the gasoline lantern the same? That was a Coleman lantern, I presume, was it?

A Yes.

Q I don't think there is anything else. You are thoroughly familiar with these articles, are you?

A Yes, I am.

Q And the prices given are as indicated, your estimated value? A: Yes.

THE COMMISSIONER: Mrs. Yukawa, these articles were bought in what year, 1940?

A 1941, I believe.

Q 1941? A: Yes.

Q And they were used by your husband and yourself for how long? A: Only a periodof two or three months, I think.

MR. HUNTER: They vary, my lord. Some are in 1941 and some in 1942. It is shown on Exhibit 2.

THE COMMISSIONER: Shown on Exhibit 2?

MR. HUNTER: It shows the approximate date of purchase.

THE COMMISSIONER: That is all, is it?

MR. BREWIN: Yes, I think so.

THE COMMISSIONER: Thank you, Mrs. Yukawa. That is all we require.

MR. HUNTER: That retains the same number, I presume.

THE COMMISSIONER: It will retain the same number.

Comments re Appraiser's report not covered by above information: The deceased purchased the property in 1941. He had cleared 2.5 acres and had nearly finished chicken house and dwelling house. Family had lived in house for about 2 months. Electricity had not been installed but was available from line about 200 yards away.

As deceased paid $675.00 for uncleared land, it is felt that appraisers value of $150.20 did not represent the true market value. It was impossible to build a 2 story 20x100 chicken house in 1941 for $850.00

General Statement as to Chattels not Described above:

Additional Comments, if any: The deceased had just married and moved in so that all his chattels were practically new. The real property was sold to V.L.A. as at January 1st 1943 but apparently the first effort made by the custodian to take possession of the chattels was on June 12, 1945 when R. M. Anderson reported that the house was standing wide open and he found nothing worth moving. This claim for chattels is based on list of chattels which are contained in enventory of custodian dated

(OVER)

July 6th 1942.

The custodian claims that the stove and heater were shipped to the deceased. This is apparently incorrect as the file of the custodian shows that the heater and stove shipped to Alberta belonged to Yonekichi Yukawa who is another claimant and who admits having received his stove and heater. There is the further evidence in the file of the custodian that the heater was removed from the premises by C.L. Rooke. The custodian says that cooking utensils were shipped to deceased and quotes letter from B.C. Security Commission dated July 24, 1942. This letter merely quotes a letter asking that five pots and 2 frying pans be shipped. There is nothing in file to show that they were shipped and these articles in any event were only a very small part of the kitchen utensils, dishes and cutlery.

RE: Yoshiaki YUKAWA, #12484
Wilson Road, Delta, B.C.

The house on this property is standing wide open and evidently has not been lived in for a long time.

We found nothing that would warrant moving. The stove that was moved by Mrs. Rooke to the Gibson Road, is of no consequence, and certainly not worth moving.

Farm Appraisal Report

Remarks: This place was in process of being established as a chicken farm. The henhouse is almost finished, requiring only roosts and dropping boards to complete, when it can be occupied. It is fairly well constructed. The house is not sided outside, and inner walls are bare shiplap, but both are new and fit for occupation at once.

I consider that these buildings add their full value to the farm

Soil is poor at the building site, but does improve slightly as it follows the slight slope to the eastward. Clearing is heavy but there is some fuel value of the bush covering as a partial offset to the expense of clearing.

Location is in proximity to full industrial opportunity of various sorts, including the newly developed peat industry in the delta.
