W.E. HUCKVALE, Esq.,	appearing for the claimant.

MISS LILLIE THOMAS,	Secretary.
MRS. LUCIE HANDFORD,	Official Interpreter.
S.R. HOWARD, Esq.,	Official Reporter.

THE SECRETARY: Case No. 559, Gunjiro Ikeda.

GUNJIRO IKEDA, the claimant herein, being first duly sworn, testified through the Interpreter as follows:

DIRECT EXAMINATION BY MR. HUCKVALE:

Q Mr. Ikeda, you are claiming with respect to farm property described as Ward 2, Lot "B", Block 1, re-sub division of the West Half of 32, Block 5, North Range West 2? A: Yes.

Q Now with respect to your claim for that farmland, I want to show you this form (indicating).

A He understands this but he also wants to add that in 1940 he had a bath-house built and improved his chicken house.

Q But apart from that are the particulars contained in this form true and correct? A: Yes.

Q And is that your signature on the form?

A Yes.

MR. HUCKVALE: I tender that, sir.

(STATEMENT MARKED EXHIBIT NO. 1).

MR. HUCKVALE: Q: Now as I understand you, Mr. Ikeda, you originally bought three lots, "A", "B", and "C", is that right? A: Yes.

Q Well did you buy three lots or not?

A I bought originally one lot which I later divided into "A", "B" and "C" lots.

Q And that contained 25 acres, is that right?

A Yes.

Q And you paid $1000.00 for those 25 acres?

A Yes.

A Yes.

Q And then you sold Lot "C" consisting of four acres, is that correct? A: Yes.

Q For $240.00? A: Yes.

Q And that, I take it, was all bush land, is that right? A: Yes.

Q And then you transferred Lot "A" to a Mr. Kado?

A Yes, it consisted of ten acres.

Q And that left you with 11 acres which is theproperty we are talking about? A: Yes.

Q Now this house you had on your property which you say was 26 x 36 ? A: Yes.

Q Do you know roughly what the material for that house cost? A: About $670.00.

Q And did you build that yourself or did you employ somebody to build it?

A It was built by carpenters.

Q And can you remember what you paid approximately for those carpenters?

A About $450.00.

Q Did you do any work yourself on it?

A No, I was busy elsewhere and therefore I didn't have much time to do anything with the building.

Q Now you also built a barn, 24 x 28, is that right?

A Yes.

Q And approximately what would the materials in that barn cost? A: Approximately $340.00.

Q And did you build it or did carpenters build it?

A I employed carpenters also but I put in some time myself, too.

Q Can you remember how much you paid the carpenters you employed?

A Approximately $280.00.

Q You also had, I think, a chicken house on this place? A: Yes.

Q When did you build it? A: About 1935.

Q And can you remember how much the material cost?

A Approximately $30.00.

Q And did you build that yourself or did you employ others to build it?

A I employed carpenters but also helped myself.

Q And can you remember approximately what you paid the carpenters?

A I paid them at the rate of $4.00 a day and it took about nine days so that it would mean $36.00.

Q And you had a bathhouse you built?

A Yes, in 1940 I built it.

Q And how much did the material for that bathhouse cost? A: About $75.00 or perhaps more.

Q And did carpenters build it for you?

A Yes, I employed carpenters but also helped a little myself.

Q How much did you employ the carpenters for? How much did you pay the carpenters whom you employed?

A About $40.00.

Q Now did you insure your house?

A Yes, I did.

Q I show you this policy (indicating) which shows that the house was insured for $700.00 with $300.00 on the furniture; is that the policy?

A Yes.

Q Did anybody inspect that house before it was insured? A: Yes, they did.

MR. HUCKVALE: I tender that policy.

(POLICY MARKED EXHIBIT No. 2).

MR. HUCKVALE: And perhaps my learned friend would file the appraisal for the Crown now.

(APPRAISAL REPORT MARKED EXHIBIT NO. 3).

MR. HUCKVALE: Q: Now you are claiming for some crops, Mr. Ikeda, as well? A: Yes.

Q Did you make any lease of your property yourself?

A No, I did not; I did have an offer but I had no time to make the arrangements.

Q I want to show you this statement (indicating) and will you tell me if that has been prepared by you or on your instructions?

A Yes, this was prepared by my children.

Q Well does it show the revenue produced in 1941?

A Yes.

Q Well now, according to that statement you got $857.20 for jam plus another $660.33 or a total of $1517.53, is that correct?

A Yes.

Q And in addition to that you sold some some everbearing strawberries for $54. and sixty some cents?

A Yes.

Q And some beans, were there not? Will you tell me

how much you sold the beans for?

A Yes.

Q How much for thebeans? A: $234.41.

Q And you are prepared to state that that is a true statement of your revenuesx for the year 1941?

A Yes, it is true.

MR. HUCKVALE: I will tender that, sir.

(STATEMENT MARKED EXHIBIT NO. 4).

MR. HUCKVALE: Q: Now did you have as much crop in in 1942 as you did in 1941?

A Yes, it would have been about the same or perhaps more because I planted an extra acre.

Q Well, so far as you could tell when you left the place was the crop going to be a good one in '42 or just a fair one or a bad one?

A It might have been better, but as I didn't harvest it myself I don't know.

Q Well I know he doesn't know, but I am trying to get at what the prospects at the date you left would be. A: I think it would have been better than '41.

Q Now so far as your strawberry crop is concerned, you have set it out on that paper which you have filed in terms of jam, is that right?

A Yes.

Q Why do you state it in terms of jam instead of in terms of crates? A: I mentioned jam because that was a fruit which was to be shipped to the factory, jam factory. Those mentioned as crates were to be delivered to various

other places.

Q Now out of that crop, out of that revenue which you have set forth, roughly what would your expenses have been in 1941?

A About $400.00.

Q And would the expenses in '42, had you been there, been the same or greater?

A If the crop had been bigger in '42, the expenses would have been proportionately bigger.

Q Now you also claimed, Mr. Ikeda, with respect to a list of chattels, is that right?

A Yes.

Q And thosechattels were set forth in the supplement to your original claim?

A Yes.

Q Now with respect to that claim for chattels, I want to show you this form (indicating). Will you just take a look at that, please?

A Yes.

Q Are the particulars that you have given in that form correct to the best of your knowledge, information and belief? A: Yes.

Q And have you signed that form?

A Yes, I have.

MR. HUCKVALE: I tender that, sir.

(STATEMENT MARKED EXHIBIT NO. 5).

MR. HUCKVALE: And I would ask my friend, on behalf of the Crown, to file the analysis of personal property.

(ANALYSIS MARKED EXHIBIT NO. 6).

MR. HUCKVALE: My friend will have noticed in this that there is one item in the chattel claim that has been abandoned, and that is the one dealing with the 500 feet of lumber, and that would reduce the chattel claim by $20.00, apparently.

THE SUB-COMMISSIONER: $30.00?

MR. HUCKVALE: $20.00.

Q I show you this document which purports to be an inventory of chattels (indicating). Will you take a look at that and tell me if you received it from the Custodian? A: Yes.

Q And did you sign it and return one copy to the Custodian? A: Yes.

MR. HUCKVALE: I will tender that, sir.

(INVENTORY MARKED EXHIBIT NO. 7).

MR. HUCKVALE: Q: And I show you these four sheets which list chattels and your estimate of their proper value; has that list been prepared under your instructions? A: Yes.

MR. HUCKVALE: I will tender that, sir.

(LIST MARKED EXHIBIT NO. 8).

MR. HUCKVALE: Now you will observe, sir, if you have seen the analysis of personal property that this farm was apparently vandalized and everything scattered about while under the control, of course, of the Custodian. There are one or two items on the personal property analysis that I want to ask about.

Q Did you sell any beds yourself, Mr. Ikeda?

A No, I did not.

Q And did you leave five beds behind, as you allege?

A Yes.

Q Now you had three tables, is that correct?

A Yes.

Q How many were home made and how many had you purchased? A: I bought one and made two myself.

Q The two that you made, what were they made of? What kind of lumber?

A I made it out of flooring wood.

Q And are you skilled at that sort of work?

A Yes, I had done some work like that before.

Q You claim 15 garden hoes; do you recollect those?

A Yes.

Q Were any of those broken at the date of your evacuation?

A No, they were as good as new.

Q Were there any broken handles amongst them?

A There might have been a few on the place but I didn't list those.

Q And the ones that you listed had no broken handles?

A No, I didn't include those. There were none with broken handles.

Q Now you claim some mattocks? A: Yes.

Q Had any of those broken handles at the time you left? A: No, they didn't have broken handles.

Q This pump that you claim for, a hand water pump, where was it?

A It was left in the basement.

Q Was it loose? A: I disconnected it from the well and took it into the basement.

Q Yes. You took it into the basement?

A Yes.

Q It has been suggested in the analysis that it might have been a fixture and I just wanted to clear up that it wasn't.

Will you answer Mr. Rice, please.

MR. RICE: I am submitting, your Honour, that the real estate was sold for its fair value. I am submitting the chattels sold or disposed of by the Custodian were sold at their fair value. I am submitting the other chattels claimed by the claimant were not disclosed in his claim and the Custodian is not responsible for the same, and if he is the claim is exorbitant.

MR. HUCKVALE: May I ask what we failed to disclose? You certainly don't show it on your own analysis.

MR. RICE: Well, look at the first two items of the first page, and we show it isn't inventoried. It is shown as not inventoried.

MR. HUCKVALE: That doesn't mean that we failed to disclose them, if you fail to inventory them.

MR. RICE: They are not disclosed on your inventory or your claim. Your signed inventory doesn't show it.

MR. HUCKVALE: You just look at it and see.

MR. RICE: We say it isn't inventoried.

CROSS-EXAMINATION BY MR. RICE:

Q Is that yoursignature on that document (indicating)?

A Yes.

Q This is an inventory of chattels that you left on the property, which was prepared by the Custodian or a member of his staff and forwarded to you in December of 1942?

MR. HUCKVALE: It is already in evidence, your Honour. I put it in.

MR. RICE: Not this one you didn't.

MR. HUCKVALE: A copy of your own document I put in. I take it it is the same.

A Yes, I remember this.

MR. RICE: I tender this one as an exhibit.

MR. HUCKVALE: I want to preserve the file from getting too bulky. I think it is already in.

MR. RICE: It is already in, but there are additions on the other one that is filed that are not on this one at all.

THE SUB-COMMISSIONER: On the inventory that is in as Exhibit No.7.

MR. RICE: Yes. And I wish to file this one as Exhibit 9.

THE SUB-COMMISSIONER: You say it is different from the one that has been filed?

MR. RICE: Well there is an item added in pencil on Exhibit 7 that is not on this which will be marked as Exhibit 9, which I propose filing now.

(INVENTORY MARKED EXHIBIT NO. 9).

MR. RICE: Q What crops did you grow on your land?

A Strawberries, blackberries, black currants, raspberries,

that is for the fruits, and I also grew vegetables.

Q What vegetables did you grow?

A Beans, potatoes, cabbages, lettuce, and also asparagus.

Q And how much money did you say that you made in the year 1941?

A After deducting expenses about $1000.00.

Q About $1000.00? A: Yes, about $1000.00.

Q And you say you would have made as much in 1942, I believe? A: Yes, I wouldn't have made less than that.

Q You wouldn't have made any less than that although you hadn't planted your beans or potatoes or lettuce or cabbage?

A No, I hadn't.

Q You hadn't planted any of those vegetables when you were evacuated? A: Yes, because I was evacuated before seeding time.

Q And you are sort of making a wild guess as to what the profits would have been for 1942, are you not?

A Apart from the strawberries it is just an estimate but the strawberries were already in and were ready.

Q And the frost or a blight could have destroyed the strawberries, or a drought?

A I don't think there was any danger of that.

Q Why didn't you claim for the years '43, '44, '45, and right up to the present time?

MR. HUCKVALE: Because you had sold our land.

A Well I couldn't do that because strawberries need replanting every 2 or 3 years.

MR. RICE: Q: How much did your crop amount to in 1940?

A There were about five tons, approximately.

Q How much in money after expenses were paid?

A Approximately about $100.00.

Q Approximately how much?

A A ton, $100.00 a ton.

Q No, but how much were all your returns from the farm in 1940, the net returns, how much would they amount to in dollars?

A About $1000.00.

MR. RICE: I am tendering, your Honour, as an exhibit the real property memorandum showing the assessment and the sale.

(MEMORANDUM MARKED EXHIBIT NO. 10).

MR. RICE: That is all, thanks.

MR. HUCKVALE: That is all, thank you, Mr. Ikeda.

Comments re Appraiser's report not covered by above information:

In 1927 I purchased lots A, B & C. for $1000.00. In 1935 I sold lot C. (4 acres) to Mr. Nakamura for $240.00. In 1935 I transferred lot A. to S. Kado. This contained 10 acres and as he was related to me the transfer was without consideration. The land therefore cost me $40.00 per acre.

This land was fertile. According to appraiser it would not even grow strawberries. This statement is completely erroneous, as in 1941 I made about $1000. clear from strawberries.

I note from Custodian's file that land was rented after evacuation to Murray Co. I had nothing to do with this lease.

The dwelling house was originally built in 1927. I have however continuously improved it, digging basement, new window frames, ~~xxxxxxxxxxxxxxxx~~ also put on a verandah on front of house in 1941. Appraiser says there is no basement in my house. I dug a basement half the size of house in 1939. I had never fully completed this basement but had 3" x 12" lumber on floor and walls were boarded. I had house insured in 1940 for $700. After this I built verandah and finished upstairs in shiplap. Barn was kept in good repair up to the time I left. (over)

Signature

I have not kept a record of my repairs. I used it for truck and storage.

The land never dried out in hot weather as stated in the appraisal. My crop returns will show that the appraiser's statement that my land was almost valueless is completely erroneous. I sold through Surrey Berry GrowersCo-op., strawberries. Raspberries were mostly used by ourselves, but some were sold privately. Beans were sold to Pacific Cannery & Dominion Cannery. I am quite willing to have the records of these Purchasers from me examined.

I used chicken and pig manure on the older land as well as bone meal, fish meal etc. to keep the land in good shape, and it was continuously kept fertile during all the years I was on the place.

STATUTORY CONDITIONS

Misrepresentation **1.** If any person applying for insurance falsely describes the property to the prejudice of the insurer, or misrepresents or fraudulently omits to communicate any circumstance which is material to be made known to the insurer in order to enable it to judge of the risk to be undertaken, the contract shall be void as to the property in respect of which the misrepresentation or omission is made.

Form of Contract **2.** After application for insurance, if the same is in writing, it shall be deemed that any policy sent to the insured is intended to be in accordance with the terms of the application, unless the insurer points out in writing the particulars wherein it differs from the application, in which case the insured may, within two weeks from the receipt of the notification, reject the policy.

Property Not Insured **3.** Unless otherwise specifically stated in the policy, money, books of account, securities for money, evidences of debt or title, and automobiles, tractors and other motor vehicles, are not insured.

Risks Not Covered **4.** Unless otherwise specifically stated in the policy, the insurer is not liable for the losses following, that is to say:

(a) for loss of or damage to property owned by any person other than the insured, unless the interest of the insured therein is stated in the policy;

(b) for loss or damage caused by invasion, insurrection, riot, civil commotion, military or usurped power;

(c) for loss due to the want, within the knowledge of the insured, of good and substantial chimneys; or caused by ashes or embers being deposited, with the knowledge and consent of the insured, in wooden vessels; or by stoves or stove-pipes being, to the knowledge of the insured, in an unsafe condition or improperly secured; or

(d) for loss of or damage to goods while undergoing any process in or by which the application of fire heat is necessary.

Risks Not Covered Except by Special Permission **5.** Unless permission is given by the policy or endorsed thereon, the insurer shall not be liable for loss or damage occurring:

Repairs (a) to buildings or their contents during alteration or repair of the buildings and in consequence thereof; fifteen days being allowed in each year for incidental alterations or repairs without such permission;

Inflammable Substances (b) while illuminating gas or vapour is generated by the insured, or to his knowledge, in the building insured or which contains the property insured, or while there is stored or kept therein by the insured, or to his knowledge, by any person under his control, petroleum or any liquid product thereof, coal oil, camphene, gasoline, burning fluid, benzine, naphtha, or any of their constituent parts (refined oil for lighting, heating or cooking purposes only, not exceeding five gallons in quantity, gasoline, if contained in a tightly closed metallic can free from leaks and not exceeding one quart in quantity, or lubricating oil not being crude petroleum nor oil of less specific gravity than is required by law for illuminating purposes, not exceeding five gallons in quantity excepted), or more than twenty-five pounds weight of gunpowder, dynamite or similar explosives;

Change of Interest (c) after the interest of the insured in the subject-matter of the insurance is assigned, but this condition is not to apply to an authorized assignment under *The Bankruptcy Act* or to change of title by succession, by operation of law, or by death;

Vacancy (d) when the building insured or containing the property insured is, to the knowledge of the insured, vacant or unoccupied for more than thirty consecutive days, or being a manufacturing establishment, ceases to be operated and continues out of operation for more than thirty consecutive days.

Explosion and Lightning **6.** The insurer will make good loss or damage caused by lightning or by the explosion of coal or natural gas in a building not forming part of gas works, whether fire ensues therefrom or not; and loss or damage by fire caused by any other explosion; but, if electrical appliances or devices are insured, any loss or damage to them caused by lightning or other electrical currents is excluded and the insurer shall be liable only for such loss or damage to them as may occur from fire originating outside the article itself.

Material Change **7.** Any change material to the risk and within the control and knowledge of the insured shall avoid the policy as to the part affected thereby, unless the change is promptly notified in writing to the insurer or its local agent; and the insurer, when so notified, may return the unearned portion, if any, of the premium paid and cancel the policy, or may notify the insured in writing that, if he desires the policy to continue in force, he must within fifteen days of the receipt of the notice pay to the insurer an additional premium, and in default of such payment the policy shall no longer be in force and the insurer shall return the unearned portion, if any, of the premium paid.

Other Insurance **8.** (a) If the insured has at the date of this policy any other insurance on property covered thereby which is not disclosed to the insurer, or hereafter effects any other insurance thereon without the written assent of the insurer, he shall not be entitled to recover more than sixty per cent. of the loss in respect of such property; but if for any fraudulent purpose the insured does not disclose such other insurance, this policy shall be void.

(b) The insurer shall be deemed to have assented to such other insurance unless it dissents by notice in writing within two weeks after notice thereof.

(c) In the event of there being any other insurance on property herein described at the time of the happening of a loss in respect thereof, the insurer shall be liable only for payment of a rateable proportion of the loss or a rateable proportion of such amounts as the insured shall be entitled to recover under clause (a) of this condition.

Mortgagees and Other Payees **9.** Where the loss, if any, under a policy has, with the consent of the insurer, been made payable to some person other than the insured, the policy shall not be cancelled or altered by the insurer to the prejudice of such person without reasonable notice to him.

Termination of Insurance **10.** (1) The insurance may be terminated:

(a) subject to the provisions of condition 9, by the insurer giving to the insured at any time fifteen days' notice of cancellation by registered mail, or five days' notice of cancellation personally delivered, and, if the insurance is on the cash plan, refunding the excess of premium actually paid by the insured beyond the *pro rata* premium for the expired time;

(b) If on the cash plan, by the insured giving written notice of termination to the insurer, in which case the insurer shall, upon surrender of this policy, refund the excess of premium actually paid by the insured beyond the customary short rate for the expired time.

(2) Repayment of the excess premium may be made by money, post office order or postal note, or by cheque payable at par and certified by a chartered bank doing business in the Province. If the notice is given by registered letter, such repayment shall accompany the notice, and in such case the fifteen days mentioned in clause (a) of this condition shall commence to run from the day following the receipt of the registered letter at the post office to which it is addressed.

Salvage **11.** After any loss or damage to insured property, it shall be the duty of the insured, when and as soon as practicable, to secure the insured property from further damage, and to separate as far as reasonably may be the damaged from the undamaged property, and to notify the insurer of the separation.

Insurance on Goods Moved **12.** If any of the insured property is necessarily removed to prevent damage or further damage thereto, that part of the insurance under this policy which exceeds the amount of the insurer's liability for any loss already incurred shall for seven days only, or for the unexpired term if less than seven days, cover the property removed and any property remaining in the original location in the proportions which the value of the property in the respective locations bears to the value of the property in them all; and the insurer will contribute *pro rata* towards any loss or expense connected with such act of salvage, according to the respective interests of the parties.

Entry, Control, Abandonment **13.** After any loss or damage to insured property, the insurer shall have an immediate right of access and entry by accredited agents sufficient to enable them to survey and examine the property, and to make an estimate of the loss or damage, and, after the insured has secured the property, a further right of access and entry sufficient to enable them to make appraisement or particular estimate of the loss or damage, but the insurer shall not be entitled to the control or possession of the insured property, or the remains or salvage thereof, unless it accepts a part thereof at its agreed value or its value as ascertained according to condition 17 or undertakes replacement under condition 19, and without the consent of the insurer there can be no abandonment to it of insured property.

Who To Make Proof of Loss **14.** Proof of loss must be made by the insured, although the loss is payable to a third person, except that, in case of the absence of the insured or his inability to make the same, proof may be made by his agent, such absence or inability being satisfactorily accounted for, or in the like case or if the insured refuse to do so, by a person to whom any part of the insurance money is payable.

Requirements After Loss **15.** Any person entitled to claim under this policy shall:

(a) forthwith after loss give notice in writing to the insurer;

(b) deliver, as soon thereafter as practicable, a particular account of the loss;

(c) furnish therewith a statutory declaration declaring:

(i) that the account is just and true;

(ii) when and how the loss occurred, and if caused by fire, how the fire originated, so far as the declarant knows or believes;

(iii) that the loss did not occur through any wilful act or neglect or the procurement, means or connivance of the insured;

(iv) the amount of other insurances and names of other insurers;

(v) all liens and encumbrances on the property insured;

(vi) the place where the property insured, if movable, was deposited at the time of the fire;

(d) if required and if practicable, produce books of account, warehouse receipts and stock lists, and furnish invoices and other vouchers verified by statutory declaration, and furnish a copy of the written portion of any other policy. The evidence furnished under this clause shall not be considered proofs of loss within the meanings of conditions 18 and 19.

Fraud **16.** Any fraud or wilfully false statement in a statutory declaration, in relation to any of the above particulars, shall vitiate the claim of the person making the declaration.

Arbitration **17.** If any difference arises as to the value of the property insured, the property saved, or the amount of the loss, such value and amount and the proportion thereof, if any, to be paid by the insurer shall, whether the right to recover on the policy is disputed or not, and independently of all other questions, be submitted to the arbitration of some person to be chosen by both parties, or if they cannot agree on one person, then to two persons, one to be chosen by the insured and the other by the insurer, and a third to be appointed by the persons so chosen, or on their failing to agree, then by a Judge of the County or District Court of the County or District in which the loss has happened; and such reference shall be subject to the provisions of *The Arbitration Act* and the award shall, if the insurer is in other respects liable, be conclusive as to the amount of the loss and the proportion to be paid by the insurer; where the full amount of the claim is awarded the costs shall follow the event; and in other cases all questions of costs shall be in the discretion of the arbitrators.

When Loss Payable **18.** The loss shall be payable within sixty days after completion of the proofs of loss, unless the contract provides for a shorter period.

Replacement **19.** The insurer, instead of making payment, may repair, rebuild, or replace the property damaged or lost, giving written notice of its intention so to do within fifteen days after receipt of the proofs of loss. In such event the insurer shall commence to so repair, rebuild or replace the property within thirty days after receipt of the proofs of loss and shall thereafter proceed with all due diligence to the completion thereof.

Action **20.** Every action or proceeding against the insurer for the recovery of any claim under or by virtue of this policy shall be absolutely barred unless commenced within one year next after the loss or damage occurs.

Agency **21.** Any officer or agent of the insurer who assumes on behalf of the insurer to enter into a written agreement relating to any matter connected with the insurance shall be deemed *prima facie* to be the agent of the insurer for the purpose.

Waiver of Condition **22.** No condition of this policy shall be deemed to have been waived by the insurer, either in whole or in part, unless the waiver is clearly expressed in writing signed by an agent of the insurer.

Notice **23.** Any written notice to the insurer may be delivered at or sent by registered post to the chief agency or head office of the insurer in the Province or delivered or so sent to any authorized agent of the insurer therein. Written notice may be given to the insured by letter personally delivered to him or by registered letter addressed to him at his last post office address notified to the insurer, or, where no address is notified and the address is not known, addressed to him at the post office of the agency, if any, from which the application was received.

Subrogation **24.** The insurer may require from the insured an assignment of all right of recovery against any other party for loss or damage to the extent that payment therefor is made by the insurer.

Farm Appraisal Report

JL 436

Remarks: Property is located on unnamed road running west from the Sandell Road one mile north of the Townline Road. This is a poor property as it is almost straight sand and would require building up by cover cropping to even grow strawberries, lacking in humus. It would dry out quickly in hot weather. It has received little attention this year and the straws are grown up with weeds and hay. Some land has been slashed but stumps have not been removed. The balance is fairly heavy clearing with some cordwood. Buildings are poor, of cheap construction, and in poor state of repair. There are no fences. Water is obtained from a wood cribbed well which apparently does not go dry. A creek runs through the corner of the property. There is no electricity in the house but a power line runs about ½ mile to the south-east. There are a few fruit trees near the house but of no commercial value.

(FOR ORCHARD LANDS ONLY)

REMARKS: re general lie of land, fertility of soil, irrigation, drainage or dyking and reclamation.

In the vicinity of this property the soil is mostly light and sandy and has been pretty well cropped out. Although I have placed a nominal value of $20.00 per acre on the cultivated land I consider it is almost valueless.

Description of Storage of Goods: Left on farm

EXHIBIT No. 559-5
DATE Aug. 11/48
FILLED BY O.R. Hucklebridge

General Statement as to Chattels not Described above: I have attached to my claim a list of the chattels left on my farm with resale values set out opposite each item. I can give, if necessary, the cost price of each article and have tried to allow reasonable depreciation in each case.

Additional Comments, if any: It is apparent from Custodian's file that my place was vandalised soon after I left. Moreover Custodian leased property without my permission and allowed tenant use of buildings and farm tools. Further that such of my chattels the Custodian actually collected were mixed with my neighbour's. Since puchasing Federal Truck in 1941 I built the box on it. I was offered $1800. for this truck, hence my valuation. The 500' of lumber which I claimed for I now abandon. The platform scale was not broken when I left. The sink was not old. It was bought in 1940 and was not a fixture.

Note:

Mr. S. C. Carlsen, Custodian Representative, reports that this property was broken into by vandals and household effects and farm equipment were scattered around the premises. Anything of value was removed to Auction and the remaining goods were abandoned on the property.

He states further that as goods from several farms were removed at the same time, proceeds from the sale of Mr. IKEDA's effects must have been credited to the wrong account.

The notations on the Original Inventory would indicate Mr. IKEDA's effects did not have much value.
