Dirs:—

Enclosed please find my property loss claim form — the reason for submitting it at this late date is because I was working in the bush at Birch Island and had no knowledge of the dead-line set for the filing of these forms.

Upon visiting Kamloops to spend New Years I was informed of the dead-line date, but that I might still be able to file under the circumstances, therefore I am respectfully doing so.

I sincerely hope this will meet with your approval.

Very sincerely,

The vessel "Sakura" was used by the Royal Canadian Navy at Prince Rupert since its surrender in Dec. of 1941 to prior of its sale in Nov. 1942 a period of 11 months.

The above named vessel was used as a ferry boat. This information was obtained from Miss Laing Anglican church missionary at Prince Rupert at the time - who personally inquired at Naval headquarters as to the authenticity of the use of the vessel

This usage materially affects the sale price of the vessel. My claim for its use is $2.00 a day for period used by the Navy

A Commissioner appointed by His Excellency the Governor General in Council of the Dominion of Canada pursuant to Order-In-Council, P. C. 1810, dated the 18th. day of July, A.D. 1947, as amended by Order-In-Council, P. C. 3737 dated the 17th. day of September, A.D. 1947 under the Inquiries Act, R. R. C. 1927, to inquire into and report upon the claim of persons of the Japanese Race, who were evacuated from the protected area of the Province of British Columbia and resident in Canada as at the 18th. of July, A.D. 1947.

THE PETITION AND CLAIM OF SHIGEHARU UYEYAMA (Registration No. 03145) of Forest Grove, in the County of Cariboo, in the Province of British Columbia,

HUMBLY SHEWETH:-

1. That I am of the Japanese Race (naturally born Canadian) born at the Village of Steveston, British Columbia, on April 3rd. 1912, and I was evacuated from the protected area namely Ucluelet, on the west coast of Vancouver Island, in the Province of British Columbia and resided in Canada as at the 18th. day of July, A.D. 1947.

2. That I was on all days and dates material to this petition and claim was owner of 1 trolling vessel, which was sold and disposed of by the Disposal Committee of Japanese Vessel, on or about the middle of May 1942 resulting in loss to me equal to the difference between the amount received from the sale and the fair market value, namely $1550.00 particulars of which are as follows:

A. 1 Trolling boat known as "Gloom III". It is of 37 ft. overall in length, 8 ft. beam, 4 ft. 6 in. depth, powered by 60 H.P. Vivian Gasoline Engine (4 cylinders). The above described vessel was constructed by me in the year 1935 at the cost $3000.00.

B. In the following year 1936, I have further expended the sum of $250.00, installing 2 sets of gurdies. (4 spools to a gurdy).

C. In the year 1940, I have again expended the further sum of $1600.00 replacing the original engine with 60 H.P. Vivian Gasoline Engine (4 cylinders) and minor alterations to the hull.

D. That the above-mentioned vessel was kept in good state of repairs, good running order, and seaworthy.

E. I claim that the above described vessel was sold and disposed of by the Disposal Committee of Japanese Vessels for $1700.00 on the days and dates hereinbefore mentioned at a loss to me of the sum of $1550.00 as I am of the opinion that the price of the said vessel and the true market value thereof is $3250.00.

F. Therefore I claim the sum of $1550.00.

WHEREFORE I PRAY:

1. That my claim for the said sum of $1550.00 be allowed and paid.

2. And for such further and other relief as the nature of the claim may require.

3. And I request that my hearing be allowed at the City of Kamloops, British Columbia.

AND I, as in duty bound will ever pray etc.,

THE PETITION AND CLAIM OF ITARO TERASHITA, (Registration No. 05541) and now residing in Japan,

HUMBLY SHEWETH:*

1. That the petitioner and claimant was of the Japanese Race, who was evacuated from the protected area, namely the Village of Ucluelet, on the west coast of Vancouver Island, British Columbia and resided in Canada until the 27th. day of December A.D. 1946.

2. Your petitioner and claimant was on all days and dates material to this petition and claim was owner of Real property and 1 fishing vessel, which were vested in the Custodian and which were disposed of by the Custodian for less than the fair market value thereof at the time of sale resulting in loss to the claimant equal to the difference between the amount received from the sale and the fair market value, namely $1945.25 particulars of which are as follows;

1. House and Lot in the City of Vancouver of the Province of British Columbia and more particularly known as: Lots 12 and 13 of Block 2 of S.E.$\frac{1}{4}$ of Section 44 in the Townsight of Hastings suburban land, according to the registered map or plan of the said Sub-division, deposited in the Land Registry Office at the City of Vancouver, in the Province aforesaid and numbered 4395.

Dear Sir:

I am directed by the Commissioner to return to you your claim under date of October 2nd, 1947, because it does not comply with the terms of the Order-in-Council under which the Commissioner is authorized to consider claims of persons of the Japanese race who were evacuated from the protected area in British Columbia.

Will you kindly prepare your claim again and send it forward to the undersigned, addressed at 506 Royal Bank Building, Vancouver, B.C.

1. Two copies of the claim must be filed.
2. A statutory declaration as to the truth of the contents of the claim must be made by the claimant. A form of statutory declaration is enclosed.
3. Your claim already filed does not show whether the vessel was sold by the Custodian or under the authority of the Committee, of which the Honourable Mr. Justice Smith was Chairman.

   If the vessel was sold by the Custodian you are entitled to present a claim. If, however, it was sold under the authority of Mr. Justice Smith's Committee, the Commissioner is not authorized to consider it.

MR. MACDONALD: Your honour, this is a case that was supposed to come up at Nelson last week. It was on my learned friend's list, I believe.

MR. COBUS: 74 on the Secretary's list.

MR. MACDONALD: Yes. It seems that instead of the claimant contacting Mr. Cobus or the Committee, he wrote to the Custodian on June 2nd from Athalmere, B.C., and this is what he sets out in his letter:

"I received a notice from Mr. W.J. Sturgeon which advised me to attend at Nelson courthouse on June 18th, 1948 to submit evidence in my claim. Am sorry I cannot attend that it would cost us too much to travel and beside I got to lay off work for a week as I and family are staying 20 miles in the bush, so I can't go alone and leave my family. Will you please cancel my property claim of my fishing net? Thanking you, Yours truly, Yoshinori Higo, Registration No. 09506."

This was sent to me, your honour, by the Custodian's office. On the 18th of June we were sitting in Nelson. I would ask that this claim be cancelled just as the claimant has set out.

THE COMMISSIONER: You are not acting for this man, Mr. Cobus?

MR. COBUS: We were instructed by Mr. Higo originally, but he has not given us any further instructions. I tried to get in touch with him at Nelson without success.

THE COMMISSIONER: I will just make a note on the list that he has withdrawn his claim.

Dear Sir,

I am enclosing with this letter, the recept for the camera Kodiak 6/20 Series 3. which I wish to claim I have sent it to the R.C.M.P. previously but was informed to write to you.

Also I wish to claim for the following list of things which was not given me a fair market value.

1937 Plymouth Sedan. This car has been thoughly overhauled since I got it. the motor overhauled and car repainted twin horn installed seal beam headlight & relay installed new king pins installed the car cost me $1000.00 for which I used a little over a year, it was sold by the Custodian for sum of $350.00 of which I received $300. less than half of the prevailing market value without the improvement put on the car.

Also the house which I owned in Cumberland was a five room house in which I estimated the value about $1000.00 have been sold by the Custodian for the sum of $75.00. The prolay is owned by the C.C.P. Ltd of Cumberland B.C. I believe the sum of $1500 do not pay for the windows alone in the

said house. I have only listed the article handled by the Custodian the rest was sold by me at a sacrifice due to forced sale. if any claim as this is covered please notify me. I cannot get to Vancouver or Nelson or Kamloops due to the remoteness of where I am living now. so could you look after these matter there, without my presence

The Information set out in part above is correct and true to the best of my knowledge and I make this solemn declaration conscientiously believing to be true. I thank you

November 12th, 1947.

Honorable Sir;

Re-Maple Ridge Cooperative
Produce Exchange, Haney, B. C.

Kamloops

In the matter of disposal of the property of the above named organization by the Custodian I wish to submit the case for your investigation.

I having been entrusted as the managing-director of this organization until evacuation, many inquiries have been directed to me from shareholders as to what being done about their organization property owned by many members including approximately 20% white grower members.

I learned that the Buckerfield Ltd. the feed dealer bought the property in question about two year ago, but up to this date the Custodian office issued neither statement about this fact nor credited any share money to any shareholder in my knowledge.

I therefore, humbly request your investigation so that the shareholders may be informed how their interest has been disposed of.

I am, Sir;

Yours very sincerely,

Re: Claim of Powell Lumber & Fuel Co. Ltd., lumber manufacturers, in respect to loss occasioned by compulsory liquidation of the above-named business and its assets.

1. This claim is made on behalf of Powell Lumber & Fuel Co. Ltd., which is an incorporated company and whose shareholders consist of Japanese.

2. This company possessed, amongst its assets :

a) certain buildings, machinery, fixtures and equipment.
b) marketable lumber.
c) timber limits.
d) goodwill.

3. This company formerly carried on business at Vancouver, B.C.

4. The present address of the said company is c/o Walter A. Jacklin, Esq., 202 Credit Foncier Building, Vancouver, B.C.

5. The assets referred to in paragraphs (a) and (b) were located at the City of Vancouver, in the Province of British Columbia, and the timber limits referred to in (c) aforesaid were located on the P.G. & E. Railway approximately 21 miles from Squamish.

6. After the evacuation order was made, the claimant sought leave to dispose of its assets in the normal course of business, but, due to compulsion exercised by the Custodian, the claimant was compelled to dispose of its assets at a loss and was unable, due to such compulsion, to sell its business as a going concern, which resulted in the goodwill of the said business being sacrificed and in like manner the claimant sustaining loss of revenue from the years 1942 to 1946.

7. Attached hereto is a statement showing the nature of the loss sustained and how the same is ascertained.

Withdrawn, Vancouver
23 Sept. 1948.

JAPANESE PROPERTY CLAIMS COMMISSION

B E F O R E

(THE HONOURABLE MR. JUSTICE H.I. BIRD, COMMISSIONER)

Vernon, B. C.,

February 25th, 1948.

IN THE MATTER OF THE CLAIM OF

SAITARO YAMACKI

PROCEEDINGS AT HEARING.

APPEARANCES:

J.W.G. HUNTER, Esq.,	appearing for the Dominion Government.
J.A. MacLENNAN, Esq.,	appearing for the Claimant.

A. WATSON, Esq.,	Secretary.
G.N.R. UPTON, Esq.,	Official Interpreter.
G. HAMBLETON, Esq.,	Official Reporter.

MR. MacLENNAN: My lord, may I speak to a matter not on the list?

A Mr. Saitaro Yamacki consulted me this morning in connection with a letter under date February 23rd, 1948, which he received from Mr. Watson, Secretary to this Commission, asking him to report here before the end of this session to explain why he was late in filing his claim. He filed the claim on the 30th of January.

THE COMMISSIONER: Yes.

MR. MacLENNAN: My lord, he instructs me that the claim is in respect of Powell Lumber & Fuel Company, Limited, a company claim. He heard from somewhere that there were no claims for companies and he delayed on that account. When he did find out, he got in touch with his solicitor, Mr. McPhee, and with his auditor, Mr. Jackland. Under those circumstances, my lord, he does ask that the time be extended on his account.

THE COMMISSIONER: Yes. Well he was quite right in his first conclusion, that claims by corporations could not be considered. The change was made by Order-in-Council made some time during the month of January, so that in the circumstances there is every reason to grant the extension and I will do so. The case will be set on the list for Vancouver to be heard along with other corporate claims, probably in September.

MR. MacLENNAN: Thank you, my lord.

THE COMMISSIONER: This purports to be a personal claim,

Mr. Secretary has handed to me.

MR. MacLENNAN: A personal claim, my lord.

THE SECRETARY: A personal claim.

THE COMMISSIONER: So your instructions apparently were not correct.

MR. MacLENNAN: My lord, I can't understand it. He says it is a personal claim in the Powell Lumber & Fuel Company Limited. Now, just what his claim is, I don't know. He apparently has a solicitor in Vancouver dealing with the matter. He considered it apparently as a company claim or personal chattels belonging to the company probably, but it was due to that company entanglement that the delay occurred, as he explains.

THE COMMISSIONER: I suppose you have no instructions in regard to this claim, Mr. Hunter?

MR. HUNTER: I don't know about it, my lord. If it is a straight company claim, I have no objections whatsoever; if it is a personal claim, I do raise the objection that the time is up and there must be some finality.

THE COMMISSIONER: Perhaps you had better put the man on the witness stand and let us find out what it is about.

SAITARO YAMACKI, the claimant herein, being first duly sworn, testified through the Interpreter as follows:

THE COMMISSIONER: Perhaps you might get an explanation through the Interpreter as to what the background of the claim is.

DIRECT EXAMINATION BY MR. MacLENNAN:

Q Mr. Yamacki, is this the claim you filed with the Commission?

A Yes, his personal.

Q It is your personal claim?

A Yes.

Q Where does the Powell Lumber & Fuel Company come into it? A: He had to get out of Vancouver owing to the war. A lawyer by the name of William Ray, he told me, "Don't you worry".

MR. MacLENNAN: Well, is he back in '42?

THE INTERPRETER: Yes.

MR. MacLENNAN: Q: Why are you late in filing this claim?

THE INTERPRETER: I really can't get what he is saying.

THE COMMISSIONER: I think you should cut him off, Mr. Interpreter, and let us have what he has said so far.

THE INTERPRETER: To tell the honest truth, it is so involved, my lord, I am trying to get the gist of it.

THE COMMISSIONER: All right, go ahead.

MR. KUBONIWU: His son in Montreal said it was useless putting in a claim, and the company auditor said sure. I spoke to the Custodian.

THE COMMISSIONER: Who did?

MR. KUBONIWU: He said he would get some kind of a claim.

THE COMMISSIONER: Are you any further ahead, Mr. Interpreter?

THE INTERPRETER: Honestly, my lord, I can't. It is a

very involved thing with the company.

THE COMMISSIONER: I think we will stand the witness down.

MR. KUBONIWU: I could understand. I would like to hear him once more so that I could say it to you.

THE COMMISSIONER: Just a minute, now. We will stand him down and you can let him talk to your own interpreter, Mr. MacLennan. Just explain to him that I want him to stand down.

(Interpreted).

(PROCEEDINGS RESUMED AFTER SHORT RECESS).

THE COMMISSIONER: What do you make of it, Mr. MacLennan?

MR. MacLENNAN: My lord, in connection with Mr. Yamacki, with the assistance of four or five interpreters, I think we are getting pretty close to the situation. I believe this is the situation: Mr. Yamacki instructed Mr. Jackland, his auditor in Vancouver, to file a claim for the company some months ago. I am instructed that Mr. Jackland was in touch with the Custodian's office when he was informed there were no company claims to be permitted. By the time this claimant heard that and put in his claim, it was too late, although it is not yet clear, my lord, whether the company itself has made a claim; we can't really get it from this man at all. His claim here is a personal one, certainly. I would suggest, my lord, that if the company has not filed a claim, that this be allowed to be heard; if the company has filed a claim, his claim would be a company claim and would be heard at the same

time as the company.

THE COMMISSIONER: The inference being that the property he is claiming now is property owned by the company?

MR. MacLENNAN: Formerly owned by the company, my lord, and he is an officer of the company, president of the company, apparently the chief shareholder, so presumably he is claiming this personally.

THE COMMISSIONER: It ought to be filed as a company claim, and in those circumstances I will give you leave to file it late as a corporate claim, but this claim, of course, we cannot consider at all.

MR. MacLENNAN: Thank you, my lord. I will tell this man that I am not sure that I am instructed on his behalf.

THE COMMISSIONER: I see.

MR. MacLENNAN: I think Mr. McPhee, a solicitor in Vancouver, is really representing him. I will convey that information to him.

THE COMMISSIONER: Perhaps you can get that worked out with whoever is going to act for him. But the claim should be filed immediately.

MR. MacLENNAN: Thank you, my lord.

(PROCEEDINGS ADJOURNED SINE DIE)

I hereby certify the foregoing to be a true and accurate transcript of the proceedings herein.

Dear Sandy,

Re claim of Ito Iwasa

Receipt is acknowledged of Mr.Best's letter of the 6th November and claim form therewith.

The extraordinary extenuating circumstances mentioned in Mr.Best's letter appear to be entirely erroneous. He states that the claimant's husband was interned until May 1948, but the said husband was released unconditionally from internment at Angler on or about 10th July 1946. At that time he was moved to a hostel in Moose Jaw, on the 27th July 1946 he obtained employment and was released unconditionally from the hostel. If he stayed in the hostel after that date that was a matter of choice. The R.C.M.P. advise us that his wife was in Moose Jaw with him. As for having little opportunity to see the "New Canadian" or any other newspapers, you are probably aware that in these Japanese hostels there were numerous copies of the "New Canadian."

The facts as stated in Mr.Best's letter are clearly so fictitious, and since it is upon these facts that Mr.Best considers his client's application

to be justified, that I cannot see how I could possibly agree to the late filing.

Dear Sir: Re Claim of Ito Iwasa -

I enclose herewith a Claim form for the above named Claimant, now resident in Clarkson, Ontario.

I fully appreciate of course, that this claim is made at an extremely late date, and the difficulty involved in having it heard. However, there are some rather extraordinary extenuating circumstances -- the claimant's husband who normally would have advised her in these matters, was interned until May 1948 and did not return to his family until after that time. The claimant herself had originally been living in Lemon Creek, B.C., but was at a hostel in Moose Jaw until May 1948, and when her husband was released, moved to Clarkson, Ontario, which is a small village between Toronto and Hamilton. The claimant had very little, if any, opportunity to see the "New Canadian" or any other newspaper wherein the advertisements were placed, and living in a comparatively isolated locality in Ontario, had little communication with other Japanese Canadians.

If it is at all possible that this claim be placed at the foot of the list for Toronto hearings, we would very respectfully request that your Lordship consider so ordering.

Yours very truly,

R. A. Best

JAPANESE PROPERTY CLAIMS COMMISSION

(Before the Honourable Mr. Justice H.I.Bird, Commissioner)

Vancouver, B.C.
November 12th, 1948.

RE: CLAIM OF IWASA ITO.

MR. BREWIN: It was suggested my lord, that I might speak to one or two cases perhaps now or later on.

THE COMMISSIONER: I think now would be more convenient.

MR. BREWIN: In this case of Iwasa Ito this was a case in which Mr. Best has written a letter and has set out in his letter of November 6th what he says are the extraordinary extenuating circumstances.

THE COMMISSIONER: I have read the letter as well as that of Mr. Hunter's.

MR. BREWIN: Well, my lord, all I can say is that the facts if they are as Mr. Hunter's letter indicates, then I don't think there is very much substance to my application. On the other hand, I would like the opportunity before it is finally struck off to write and check on that. There might be some misunderstanding.

THE COMMISSIONER: That will be quite satisfactory if you will do so. We will stand it down and it can be spoken to when we get your reply.

I hereby certify the foregoing to be a true and accurate report of the said proceedings.

IN THE MATTER OF A COMMISSION TO INVESTIGATE CLAIMS

OF JAPANESE CANADIANS FOR PROPERTY LOSSES

I, FREDERICK FIELD of the City of Vancouver in the Province of British Columbia, Chartered Accountant, make oath and say:

1. I am advised that TOKYO MAIKAWA has filed a claim alleging that premises Nos.365-369 Powell Street, Vancouver, being a portion of Block 40, formerly Lots 27 and 28 in the District Lot 196 Group I, New Westminster District, was sold by the Custodian of Enemy Property for less than its fair market value.
2. That the said property was not owned by TOKYO MAIKAWA but by T. MAIKAWA STORES LIMITED.
3. That of the one thousand two hundred and fifty two (1252) issued Shares of the Capital Stock of the said Company one thousand one hundred and sixty seven (1167) Shares were registered in the name of TOMEKISHI MAIKAWA.
4. That I was appointed liquidator of T. MAIKAWA STORES LIMITED and that I have full knowledge of all matters in relation thereto, having liquidated the assets of the said Corporation.
5. In December 1941, when I first investigated this Company I ascertained that TOMEKISHI MAKAIWA was at that time resident in Japan.
6. To the best of my knowledge and belief TOMEKISHI MAIKAWA has never returned from Japan and I am confident that he has not been in Canada at any time since that date up to and including 18th July 1947 and in fact I believe him to be still in Japan if he is still alive.

Dear Sandy:

Re: Tokio MAIKAWA

Further to our telephone conversation with reference to the above application, I have had an opportunity to peruse the file and wish to advise you that I consider this application to be entirely outside the Terms of Reference for the following reasons:

(1) The application is a personal application whereas the property, in connection with which the application is made, was owned by T. Maikawa Stores Ltd. Under the Terms of Reference no application may be made on behalf of this company because it is a corporation of which the majority of the shares were owned by a Japanese resident in Japan as of the 18th July 1947.

(2) The only application which this man could make in relation to the property owned by the company would be to contend that his shares in the company were disposed of for less than their fair market value. This was a company where Mr. Field of P.S. Ross & Sons acted as liquidator. He liquidated the assets of the company and, I believe, surrendered its charter. It is submitted that this is not a disposal of shares within the Terms of Reference.

Yours very truly,

John W. G. Hunter
