Re: T. Maikawa Stores Ltd.

The final report on the above Company has been received, distribution of all funds was made on 1st March, 1949, and the account closed. However, since that time the account has been re-opened and credited with $154.43 from three claims paid by other Japanese.

Distribution of this amount could be proportioned to each shareholder, but there are four shareholders who had only one share each, and the amount they would receive would be the very small sum of 12 cents. Rather than make distribution thus, I propose to transfer the full amount to the account of Tomekichi Maikawa who held 1167 of the 1250 paid up shares. My reason for doing this is:- P.S. Ross in their statement of distribution deducted $91.13 from his portion to adjust premium on bonds, which amount was distributed to Evacuee shareholders. On July 20, 1949, it was decided that an unpaid shareholder by the name of Shigeru Ouye, File 3189, should receive the same consideration as paid shareholders and he was paid $56.25 which amount was transferred from the account of Tomekichi Maikawa. Hence Maikawa received $91.13 and $56.25 ($147.38) less than was due to him.

In view of the above it would seem reasonable to transfer the whole amount of $154.43 to his account.

Will you please authorize this transfer?

Please transfer as you suggest

Attention: Mr. Reed

Dear Sirs:

re: T. Maikawa Stores Ltd.

Further to our telephone conversation relative to the distribution of funds on the winding up of this company and the claim for payment for one share by Shigeru Oue, we would advise that the company records did not reflect that this share was ever paid for. However, the possibility exists that an entry should have gone through the books some time prior to 1942 crediting Oue's capital account for this share.

This would appear reasonable in view of the fact that there were three other shareholders each holding one share.

In view of this we would recommend that an amount of $56.25 be paid to Shigeru Oue out of the amount credited to the enemy account for Tomekichi Maikawa.

Yours faithfully,

P. S. Ross & Sons

Re: Distribution of funds to shareholders
of T. MAIKAWA STORES LIMITED

Shigeru Ouye is the holder of 1 share, Certificate Number 1 in the T. Maikawa Stores Ltd. The Liquidators, P. S. Ross & Sons, decided that this share was an unpaid share given to Ouye when he became a director of the Company and therefore no distribution of funds was made to him. However, in view of the correspondence on file between Ouye and this office concerning this share and referring to Ouye's last letter of July 2nd, 1949 further conversation has taken place between Mr. Nicoll of P. S. Ross & Sons and the writer. It has been agreed that Shigeru Ouye is entitled to the same consideration as the other shareholders and distribution of $56.25, covering the value of 1 share, is today being credited to his account for remittance to him.

Dear Sir:

Re: T. Maikawa Stores Limited

Your letter of January 6, addressed to Mr. Watson, Secretary of the Japanese Property Claims Commission, has been handed by him to me for reply.

Mr. Tokio Maikawa filed a claim relating to real property which was owned by the limited company. This was, of course, improper as the claim would have had to be filed on behalf of the limited company. Further, when the records were examined, it was ascertained that the holders of the majority of shares were in Japan as of July 18, 1947. Under the terms of reference no claim may be made on behalf of a limited company unless the holders of the majority of shares are resident in Canada on or before that date. In the case of this company the majority of the shares were registered in the name of Tomekichi Maikawa, a resident of Japan.

This matter came up before the Commissioner on September 23, 1948, and was adjourned for further evidence. On September 30, 1948, I filed an affidavit of Mr. Frederick Field in which he swore to the facts stated above. At that time the Commissioner remarked, "Mr. McMaster, that seems to shut out this claim in view of the terms of Reference to me." Mr. McMaster than stated that he would like to have the privilege of ascertaining whether or not there was any possibility that these shares were held in trust by Tomekichi Maikawa or whether they had been transferred but the transfer unregistered on the books of the company.

18339 - Vol. II - Maikawa T. Stores Ltd.

Mr. Kunio Hidaka.

March 12, 1949.

I am advised by Mr. McMaster that he wrote to this effect to his principals in Toronto but that no reply has been received.

That is the total information which I am able to give you.

Yours sincerely,

JWGH/AC

Replying to your letter of the 19th instant the writer has discussed with Mr. Shears the storage charges on the chattels and records of the above Company, and it has been suggested that the charge be made at the old rate of the Crone Storage Company Limited of $2.00 per month, and, therefore, it would be necessary to provide $48.00 for two years storage charges.

Dear Sir:

Re: T. Maikawa Stores Ltd.

I was formerly president of T. Maikawa Stores Ltd., located at 365-369 Powell Street, Vancouver, which was taken over and later liquidated by you. I am the beneficial owner of 81 of the 1,252 shares of the Company.

As a resident of Canada, I am, hereby, filing a claim for my share of the proceeds resulting from the liquidation of the company, and claim this as a right regardless of what distribution is to be made of the balance representing the share of residents of Japan, if any. I am, therefore, requesting 81/1252 part of the proceeds.

Also, I request a detailed statement of the gross and net realization from the liquidation of the assets of the company. An itemized breakdown would be very much appreciated.

Realizing that a good many points are likely to be involved in this matter, I shall be glad to have my representative meet with you, should you consider it advisable.

Yours very truly,

Tokio Maikawa,
formerly president,

Dear Sirs:

Re: T. Maikawa Stores Limited

You will recall our recent conversation with you regarding the following rice milling machinery, which is the property of T. Maikawa Stores Limited:

1 Engleberg Huller
1 Huntley #2 D Screener

This machinery is at present stored at 354 Alexander Street and the owner of the premises, Mr. R. A. Pitre, is now anxious that the machinery be removed as soon as possible as he contemplates some alterations to the building.

Would you be kindly enough, therefore, to arrange for these articles to be taken down to the auction rooms at 992 Powell Street at an early date.

Yours faithfully,

P. S. Ross & Sons

Your letter of the 1st August has been received and considered.

The matter referred to, as you state, has been discussed on several occasions and the source from which these funds were derived brought into question.

However, on Mr. McPherson's last visit here the matter was fully reviewed and it was decided that if you were prepared to recommend the payment of the balance owing to Tokio Maikawa that there would appear to be no reason why our consent should be withheld. In view, therefore, of the recommendation contained in your present letter, we are prepared to confirm this payment.

We note that the cashing of a Victory Bond will be necessary and this will be in order.

The balance owing to Tokio Maikawa on the accounts of the above mentioned company is $11,500.00 and as at 31st July, 1945, the interest amounts to $3,316.87. We have discussed the matter of this man's account on a number of occasions with yourself and also with Mr. G. W. McPherson and our understanding now is that you are agreeable to our making payment of this item. This is the only liability outstanding in respect of this company and we would recommend that the amount be paid forthwith.

In order to pay this balance it will be necessary for us to cash in a $1,000.00 Victory Bond.

When we were in Mr. Field's office yesterday, the question was raised as to payment of a balance due T. Maikawa. Mr. Field submitted a schedule of Enemy Japanese Accounts under date of 4th of May, 1945, and when Mr. G. W. Re: T. Maikawa Stores Ltd.

In response to yours of the 11th instant wherein you quote a letter from Mr. A. H. Young, we are today addressing a letter to Mr. Garrett, Registrar of Companies, asking what his wishes are with respect to the various companies whose business is being wound up by us.

Our understanding at present is that Mr. Garrett is not particularly concerned about the filing of annual returns and is holding these companies in abeyance based on a certified copy of the Order appointing us as Controllers which is filed with him in all cases.

Yours faithfully,

Dear Sirs:

Re: T. Maikawa Stores Ltd., M. Furuya Co. Ltd.
and Komura Bros. Limited

On 30th September, 1944, we advertised for sale the residue of merchandise belonging to these three companies, all of Japanese manufacture. This merchandise consisted of old drugs and other miscellaneous merchandise of Japanese manufacture and of very questionable value.

As a result of the advertisement no bids were received and subsequently we endeavoured to secure an offer from Mr. Anderson, who had previously handled a certain amount of Japanese merchandise. At that time Mr. Anderson said he might pay $50.00 but he was not particularly interested due to his said experiences with the former merchandise purchased by him. He also explained that he had a quantity of similar merchandise on hand and very little success in selling it. We have endeavoured from time to time to have Mr. Anderson make another offer but he states he is not interested.

We now have a firm offer for this residue of merchandise of $50.00 and in order to clean up these three companies, we recommend that this offer be accepted.

Yours faithfully,

Dear Sirs, Re: T. Maikawa Stores Limited and
Farmers' Products Distributing
Company Limited

We acknowledge your letter of the 24th instants.

The situation in this case is rather involved. Our recollection of the matter is that the Farmers' Products Distributing Co. Ltd. has not been succeeded by the B. C. Purchasers' Co-op. Assoc., but certain shareholders of the Farmers' Products Distributing Co. Ltd. were to have their shares exchanged for shares in the B. C. Purchasers' Co-op Assoc. The conclusion of this arrangement was prevented by events subsequent to December 7th, 1941. It is impossible for us at this time to estimate what shares in the B. C. Purchasers' Co-op Assoc. are worth. To determine this it means the concluding of the arrangements involving B. C. Purchasers' Co-op. Assoc., Farmers' P roducts Distributing Co. L td., and West Coast Trading Co. Ltd.

It is our opinion that this whole matter must be left until after the War, when the various officers concerned can get together and determine what is actually the situation.

Yours truly,

NORRIS & MacLENNAN,

I am in receipt of your letter of the 22nd instant.

I feel that the agreement reached in our discussion in regard to the desirability of securing a further valuation was quite justified.

With the joint valuation made by Mr. J.P. Nicolls and Mr. J.C. McPherson which you have now received, the consideration of the revised offer which is in line with this valuation is on a sound basis.

We have your assurance that the deposit of $300.00 may be considered a sufficient rent for three months and that the purposes for which the building will be used will not prejudice our position should the option not be exercised at the close of that period.

In accordance with your recommendation for acceptance we are pleased to approve of this offer on the basis outlined.

It is suggested that Mr. Sheppard should be retained by yourselves to prepare the necessary documents.

Yours truly,

F. G. Shears,

Dear Sirs:

Re: T. Maikawa Stores Limited - Lots 27 & 28, Block 40, D.L. 196, being 369 Powell Street

We have had a number of interviews with you surrounding an offer made to rent with an option to purchase the above premises. The original offer made by Mr. McMorland was for the sum of $10,500.00 with an understanding that he would pay the appraised value of the light fixtures contained in the building in addition thereto. This would be approximately an additional $400.00. We submitted this offer to Mr. Reeve of Johnson, Reeve & Watson and under date of 15th November Mr. Reeve recommended that the offer should be accepted.

In discussions with Messrs. Shears and Wright of your office, it was subsequently decided that it would be advisable to secure further valuations and accordingly we secured the services of Mr. J. P. Nicolls of Macaulay, Nicolls and Maitland and Mr. J. C. McPherson of Pemberton Realty Corporation Limited, Managing Director. These gentlemen are recognized as responsible real estate valuators. They made a joint inspection of the building and their joint recommendation is $12,500.00 would be a fair market price of this property today. We subsequently went back to Mr. McMorland and his agent and discussed the matter thoroughly and they have now agreed to increase their offer to $12,500.00 on an option basis for ninety days. They have paid a deposit of $300.00 which will represent rent of the premises for three months. If, at the end of three months, the option is exercised this $300.00 will apply on the purchase price. The terms are 40% cash, the balance in three equal payments of three, six and nine months with interest at 5%. This offer will include payment for the light fixtures and is also subject to the real estate agent's commission of 5%.

We recommend this offer to you for your acceptance and will be glad to hear from you as soon as possible.

Yours faithfully,

P. S. Ross & Sons.

Dear Sirs:

Re: T. Maikawa Stores Limited v.
Teruji Haga (In Japan)

We acknowledge receipt of your cheque in the sum of $4.00 re the above. This covers the payment of a War Savings Certificate.

It appears that in 1942 we instructed the store to turn $100.00 worth of War Savings Certificates into the Bank of Montreal with a request that they shall then send them to Ottawa with a request that they be turned into cheque form. War Savings Certificates were reissued in cheque form but instead of being mailed to the Bank of Montreal for the account of T. Maikawa Stores Limited they were sent to your office. Our understanding is that your Mr. Alexander proceeded to send these cheques out to the relative Japanese named therein.

We have been successful in collecting back $44.00 of this money and this present receipt represents another $4,00, making $48.00 in all. The books of T. Maikawa Stores Limited still show a balance of $52.00 and we would appreciate any suggestion you could make for the recovery of this money.

Yours faithfully,

P. S. Ross & Sons

Dear Mr. McPherson:

Re: T. Maikawa Stores Limited.

I enquired from Mr. Field recently in regard to the progress of Maikawa Stores.

Enclosed please find his Report on the liquidation dated 6th March, 1944. You will notice that the stock as at September 30th was $30,622.21 and as at the end of February it has been reduced to $6,736.97. You will also note that Messrs. P.S. Ross & Sons anticipate that the sale will be completed by the end of this month. In any case we should be drawing somewhat to the end and may have to dispose of the balance of the merchandise after closing the store.

Yours very truly,

Dear Sirs:

Re: T. Maikawa Stores Ltd.

I have your letter of the 8th instant in regard to the disposition of the merchandise of the above company.

I observe that Gault Bros. have examined the stock and do not favour a sale at 70¢ on the dollar in that they believe a better return could be made in the manner they suggest.

I presume that you have analysed this suggestion and are satisfied that sufficient increase over normal sales is likely to take place so that in a short time the stock would be down to very small proportions. The discontinuance of new purchases, the advantage of the Christmas season, coupled with the selling campaign may combine to bring this about.

On the strength of your recommendation in regard to this matter we are prepared to authorise you to proceed along the lines indicated. I think the manner of the disposition of the final stock when its sufficiently reduced could be decided later. This might depend upon the quantity and variety of goods left unsold.

You will therefore kindly advise when this stage is reached and submit a definite recommendation at that time in regard to cleaning up the final balance of merchandise still on hand.

Yours truly,

Dear Mr. McPherson,

Re: T. Maikawa Stores Limited.

I thank you for your wire advising that approval would be given to the sale of the Maikawa merchandise on the basis outlined in my telegram provided that the deal was recommended by Messrs. P. S. Ross & Sons.

It appeared to me that Mr. Field would likely be asking for a quick decision in regard to this matter and I wanted your re-action to the acceptance of a deal of the kind suggested.

However, the opinion expressed by Gault Bros. was decidedly against the acceptance of the offer and they suggested that better results could be obtained by well advertising a closing out sale and in a month or so auctioning the balance which might remain. Messrs. P.S. Ross & Sons have recommended this procedure and I have approved of same and they are to make it immediately effective.

I am enclosing a copy of Messrs. P.S. Ross & Sons' letter to ourselves in this connection and copy of my reply.

Dear Sir:

Re: T. Maikawa Stores Limited

As arranged by telephone a few days ago two of our salesmen, well qualified to determine the value of the Drygoods and Menswear stock at the Maikawa Store, have inspected this merchandise and it is their opinion that the offer now before you is rather low in consideration of the type of merchandise contained therein.

They point out that with the exception of the Groceries, Hardware, and Drugs, of which they have no intimate knowledge, a very large proportion of the stock could be sold in lots, at full landed value, to retailers carrying these lines of goods and that the balance then remaining would no doubt be sold by tender at a figure very close to the price offered for the whole stock.

This is no doubt likewise true of the Hardware and Drug stock and it is most unlikely that any difficulty would be experienced in disposing of the Groceries at their full value.

In view of the foregoing I am firmly of the opinion that very satisfactory results could be obtained by orderly liquidation of the stock by sale through the store to the consumer public as slightly less than the regular retail price.

It would be my suggestion that three or four quarter-page advertisements be published in the two afternoon newspapers, alternating from one paper to the other every second day, such publicity to be continued only so long as required, or in other words if the first advertisement brings to the store a large number of people then advertising could be discontinued until a new impetus seemed to be necessary.

Prices on staple goods, such as menswear, drygoods and hardware, might be reduced 10% but not more, which in the case of the drygoods and menswear stock should give you about 35% on cost, assuming that you now have the regular markup of 50%.

In regard to the Groceries there would be no occasion for any reduction in price beyond perhaps a few cents on each article to stimulate interest and I have sketched out what I think might be an appropriate advertisement to bring to the attention of the public the proposed sale.

18139 - Vol. II - Maikawa T. Stores Ltd.

No doubt the stock could be reduced from its present figure of $25,000.00 to about $5,000.00 within six or eight weeks at prices which would give you much better than cost, allowing for sale of the tag ends of the stock either by tender ar a rate on the dollar or by auction as was most successfully carried out in respect to the Ebisuzaki stock.

Additional clerks would be necessary for the sale but you could fairly well regulate the crowds by spacing your advertisements and by letting into the store (if this is necessary) just as many people as could be conveniently handled by your staff.

The liquidation of a business such as this in view of the present scarcity of staple goods should present no serious problem and if you have a capable manager I am quite sure the result will be most gratifying. If there is any further service that I can give you in this matter please do not hesitate to call upon me and I shall be pleased indeed to be of what assistance I can.

Yours truly,

"H. K. Hall"

Attention: Mr. F. G. Shears

Dear Sirs: Re: T. Maikawa Stores Ltd.

On the 25th day of November, 1943, there was opened in the presence of Mr. Shears and our Mr. Field the sole tender for the assets of T. Maikawa Stores Limited. This bid was made by Army & Navy Stores Limited and they tendered an offer of seventy cents on the dollar for the stock of merchandise and a flat offer of $700.00 for the fixtures. The appraisal we secured on the fixtures shows a valuation of $2,811.50 and we recommend that the offer for the fixtures be refused.

We have given the matter of the bid of seventy cents on the dollar for the merchandise considerable thought and have had several interviews with both Mr. Shears and Mr. Wright therewith. It was finally decided to ask the officials of Messrs. Gault Bros. Limited to give their opinion as to the adequacy of this offer.

Two of Messrs. Gault Bros.' staff made an examination of the stock on hand and report as follows: in their opinion the offer of seventy cents on the dollar should not be accepted. They point out that while there is certain merchandise that is not particularly saleable in Vancouver due to it being in small sizes and more or less suitable for Japanese trade, the biggest part of the stock is very saleable and this is the reason for their opinion. They also point out that there is a substantial stock of groceries and that the offer on these should not be less than ninety cents on the dollar. They suggest that a closing-out sale be initiated immediately, that certain advertising be undertaken in connection therewith, that due care be taken in the store to prevent pilfering, that with the Christmas season to work on it should take a relatively small time to bring the stock down to a very small level. During the period of sale, they would suggest that no further purchases be made. They believe that in this way it should be possible to secure a return considerably in excess of the seventy cents on the dollar offered.

This recommendation seems to us quite sound and we would recommend that we be authorized to proceed along these lines. We would suggest that when the stock is reduced to around $5,000.00, it might then be feasible to put on an auction sale to clean up the balance.

We would ask you to be good enough to consider our recommendations as quickly as possible so that, should you approve, we may proceed to make the necessary arrangements.

Yours faithfully,

P. S. Ross & Sons

Re: T. Maikawa Stores Limited

Attached hereto you will find, Conveyance in duplicate, dated the ____ day of November, 1943, for signature of the Deputy Custodian. This relates to property known as 346 Alexander Street which is transferred to Purser Brothers in exchange for the warehouse property known as 354 Alexander Street; the latter parcel being at the rear of the Maikawa Stores, 369 Powell Street.

A Conveyance was prepared by Mr. Albert H. Young in December, 1942, who reports in part as follows:

"The Deputy Registrar also took objection to the deed from the Secretary of State of Canada to the Purser brothers covering Lot 13 and Westerly half of Lot 14, Block 40, D.L. 196, as it did not contain the name of the personal representative of the deceased brothers. I drew this deed in that manner at the suggestion of one of the clerks of the Land Registry Office. He told me at that time to wipe out the interests of the deceased brothers by appropriate Quit Claim Deeds if all the heirs of the deceased brothers consented to this and deed the property only to the living brothers. I shall prepare another deed in due course to satisfy the Deputy Registrar and I shall send it to you for execution by the Secretary of State."

We passed the document and Mr. McPherson executed it some time ago. The one now submitted replaces the deed signed, in duplicate, by Mr. G.W. McPherson; signatures have been cancelled and we suggest that these go forward with the new documents for Mr. McPherson's inspection.

Dear Sir: Re: T. Maikawa Stores Limited

We wish to acknowledge and thank you for your communication of the 7th instant, advising that registration of documents relating to above company and Purser Brothers has again been delayed for the reason that deed from Scottish Temperance & General Assurance Co. Ltd. contained names of two deceased Purser Brothers instead of their legal personal representative. It is noted that you have requested Messrs. Walsh, Bull & Company to obtain another deed herein and that this will have to be sent to Scotland for execution by the insurance company.

It is further noted that you are preparing another deed from Secretary of State of Canada to Purser Brothers covering Lot 13 and Westerly half of Lot 14, Block 40, D.L. 196, and we will be pleased to receive this in due course.

Dear Sir:- Re: T. MAIKAWA STORES LIMITED,
Your File No.219A Legal Dept.

As I informed you yesterday when I was in your office, the registration of the conveyancing documents relating to the above company and Purser brothers is held up again, for the reason that the deed from the Scottish Temperance & General Assurance Company, Limited, contained the names of two deceased Purser brothers instead of the names of their legal personal representative.

In my belief there is no way to circumvent this defect, so I have already requested Messrs. Walsh, Bull & Company, solicitors for the above insurance company to obtain another deed and paid them their fee for this service. I regret to say that there will be a delay of at least six weeks as the deed has to be sent to Scotland for execution by the insurance company.

The Deputy Registrar also took objection to the deed from the Secretary of State of Canada to the Purser brothers covering Lot 13 and Westerly half of Lot 14, Block 40, D.L. 196, as it did not contain the name of the personal representative of the deceased brothers. I drew this deed in that manner at the suggestion of one of the clerks of the Land Registry Office. Dear Mr. Young: Re: T. Maikawa Stores Limited.

Confirming the writer's conversation with you today, this is to advise that Mr. J. Pitcairn Hogg, Legislative Counsel, Department of the Attorney General, Victoria, has been in the office and we have discussed the exchange of properties on Alexander Street.

Mr. Hogg is of the opinion that what we are now doing is virtually consumation of an agreement entered into prior to the outbreak of war and therefore not within the provisions of the Order in Council requiring a permit of the Minister of Justice. He points out that only the method of payment is at variance.

We would therefore be obliged if you would submit all the documents to the Registrar and report registration in due course, together with a memo of your fees and disbursements.

Your early attention to this matter would be very much appreciated.

File (219A) & 271 MEMORANDUM September 23rd, 1943.

TO: MR. F. G. SHEARS

FROM: MR. K. W. WRIGHT Re: T. Maikawa Stores Limited.

We have now received a letter from Mr. J. Pitcairn Hogg, Legislative Counsel, Victoria, as follows:

"I have discussed this matter with the Hon. the Attorney-General.

His view is that until a sale has been made to someone who is not Japanese or to a company in which there are no Japanese shareholders, he ought not to give his consent."

It would appear advisable to insert an advertisement calling for tenders so that liquidation of the assets herein may be proceeded with. It is unfortunate that the pressure of work prevented personal attendance on the Attorney-General, but I think it would be worthwhile to go to Victoria next week and point out that our policy of liquidation is to some extent hampered by this ruling.

I suggest that a valuation be obtained and that the valuator be asked to make a separate valuation of the warehouse at the rear. If a purchaser is found, we could no doubt arrange to deposit a sum in escrow, pending completion of title of the warehouse lot.

I do not think it will be possible to convince the Attorney-General's Department with further correspondence.

I am sending copy of this memo to Mr. Field in order that you may both have an opportunity to consider the suggestions herein.

Dear Sir: Re: T. Maikawa Stores Limited.

Thank you for your communication of the 11th instant.

The Attorney General's consent is required by the Minister of Justice as we have made application for license to register the mortgage for $600.00 as well as the title to Lot 16, Block 40, D.L. 196, Group 1, New Westminster District, Map 196 in T. Maikawa Stores Ltd. This in accord with P.C. 1457, copy of which is herewith enclosed.

Completion of title is for the sole purpose of enabling the liquidator to sell the assets of the Corporation. The Custodian is now operating the Department Store situate on Powell Street and it is important that we get title to the warehouse property at the rear and wind up the business.

Present directors are as follows:

Frank G. Shears,
Director,
Office of the Custodian, — President
506 Royal Bank Bldg.,
Vancouver, B. C.

Benjamin Good,
Accountant,
Office of the Custodian, — Secretary

Kenneth W. Wright,
Counsel to the Custodian, Director.
912 Royal Bank Bldg.,

Two shares were transferred from Tokio Maikawa's holdings to Messrs. Good and Wright.

Upon completion of the liquidation, the funds will be transferred by the liquidator to the Custodian and Tokio Maikawa's account here will be credited with whatever sum he may be entitled to on distribution. The disposition of enemy assets is an international matter and will be determined by the terms of the Treaty of Peace.

There is no special form applicable to the case. We merely require a letter from the Honourable the Attorney General stating that he approves of the registration.
Your early attention would be very much appreciated.

Dear Sir:--

Re: T. Maikawa Stores Limited.
Your File No.219A& 271 Legal Department.

I have your letter of 9th September.

I find from the office of the Registrar of Companies that the shares in this Company stand as follows:--

"Custodian of Enemy Property	1167 shares.
Shigeru Ouye	1 "
Tokio Maikawa	81 "
Bungoro Maikawa	1 "
Shigeyoshi Ouye	1 "
Kisaku Hayashi	1 "

Does it follow that on the completion of liquidation a distribution will be made of the assets to the Custodian and to the Japs above named in the proportion of the shares held by each? If so, is it proper to make a distribution to these Japanese? I notice that they are all said to be resident at Shalalth, B.C.

Am I correct in assuming that the purpose of the transaction in which the consent of the Attorney-General is desired is to vest in T. Maikawa Stores Limited -

1. A mortgage for $600.00
2. The title to Lot 16, Block 40, D.L. 196, Group 1 N.W.D., Map 196.

If title to the mortgage and to Lot 16 is vested in the Company, is that solely for the purpose of enabling the liquidator to offer the whole of the assets of the Company for sale so as to complete the liquidation of the Company?

18139 - Vol. II - Maikawa T. Stores Ltd.

When liquidation is completed will the proceeds be held by the Custodian? And, if so, until what event occurs?

I may say that the Hon. Mr. Maitland will not be in the City until probably Tuesday of next week. I should like to have your reply to this letter to submit to him and at the same time please let me have a form of approval that you desire him to sign.

Dear Mr. McPherson:

Re: T. Maikawa Stores Limited.

With reference to your enquiries regarding the above.

Operations are still being carried on although as you are aware the decision was reached to discontinue as soon as possible. It is felt, however, that it would not be desirable to close the store until an acceptable offer had been obtained as once the store was closed, the chances of obtaining the best offer would be minimized.

The reason for the recent delay in endeavouring to dispose of this property is due to the fact that at the present time we are unable to give good title.

This matter has been in the hands of Mr. Wright and I am enclosing a Memorandum which I have obtained from him in regard to this matter.

As soon as this question of the title has been straightened out it is our intention to advertise and endeavour to dispose of this business as a going concern.

Yours very truly,

F. G. Shear,
Director.

Exhibit 148

Files #219 & 271 MEMORANDUM September 10th, 1943.

TO: MR. F. G. SHEARS

FROM: MR. K. W. WRIGHT Re: T. Maikawa Stores Limited.

All documents relating to the exchange of the property belonging to Maikawa on Alexander Street in return for the property at the rear of the Powell Street store on which the warehouse is situated were sent to the Minister of Justice and returned by the Deputy Minister with instructions to obtain the approval of the Attorney General of British Columbia.

Our application went forward to the Attorney General and correspondence followed with Pitcairn Hogg, Esq., Legislative Counsel, Department of the Attorney General, Victoria. Press reports reveal that the Attorney General is opposed to granting such permits as will allow registration of property in name of a person of the Japanese race and so far we have found it impossible to convince the authorities that leave to register should be granted herein.

You will recall that I telephoned Mr. Hogg some weeks ago and advised him of our willingness to attend early in August in order to deal with this and other matters. Mr. Hogg informed us that he would be in Vancouver and call at this office on Monday, July 19th, at 11:00 a.m., but he did not come in. About a week later he phoned to say that he had returned to Victoria earlier than expected and suggested that an interview take place in Victoria. Some time later, we wrote, stating that pressure of work prevented attendance and asked for re-consideration and the early return of the documents.

Following our interview with Mr. Field on Wednesday last, I again wrote to Mr. Hogg and stressed the need for early liquidation and our desire to put the title in order. If we do not hear from him in the course of a few days, I will telephone and arrange an appointment at the earliest possible date. As you know, the Attorney General has been absent from Victoria on holidays and may still be away, but it appears that regardless of the demands upon our time in this office, a personal interview is the only way to bring this to a head.

I have thought of suggesting to Mr. G. W. McPherson that he might interview Mr. Fred Varcoe, the Deputy Minister of Justice in Ottawa, but in view of the fact that the case is already before the Provincial Attorney General, question the wisdom of this shortcut.

It would not be advisable to advertise the business for sale until such time as we are in a position to include all the real property and it is very important that we acquire title to the warehouse lot.

Dear Sir: Re: T. Maikawa Stores Limited.

We enclose herewith copy of Order appointing Mr. Frederick Field liquidator of the above Company.

As advised on July 26th, 1943, we desire to offer the business for sale as a going concern, including in the sale all the real property. It is therefore desirable to complete the registration of documents giving title to the warehouse property situate at the rear of the main store.

We would be very much obliged if you would obtain the approval of the Honourable the Attorney General to register the transfer as well as the mortgage referred to in our communication to him of April 2nd, 1943, and acknowledged by you on May 3rd, 1943.

Gentlemen: Re: T. Maikawa Stores Limited.

We have your communication of the 3rd instant with enclosure, and have looked over Mr. A. H. Young's bill of costs. The writer has no personal knowledge of many items but in view of the amount of work outlined in the bill, it does not appear that the account is excessive. We therefore suggest that it be paid.

We have again written to J. Pitcairn Hogg, Esq. K.C., Legislative Counsel, Department of the Attorney-General, Victoria, B. C., relative to proposed liquidation and pressing for return of the documents as well as the Attorney General's approval for registration, in order to complete title to the warehouse property at the rear.

Due to pressure of work, it has been impossible for me to go to Victoria and if we do not hear from Mr. Hogg in a few days, intend to telephone and arrange an appointment with the Attorney General in the hope of clearing this matter up.

It is our intention to offer the business for sale as a going concern, including in the sale all the real property, and so that this may be done, we would ask that the Custodian be granted permission of the Attorney General to transfer to the Company the title to the warehouse property situate on Alexander Street, Vancouver, as set forth in our letter to you of May 10th last. We would be pleased to have this permission as soon as possible so that we may proceed to liquidate at once.

With regard to the other matters which Mr. Wright wishes to discuss with you, he requested us to inform you that he hopes to have an interview with you during August and that he will contact you before going to Victoria to make sure that it is convenient for you to see him.

Dear Mr. Hogg: Re: T. Maikawa Stores Limited.

Delay in replying to your communication dated May 11th, 1943, was occasioned by the fact that we agreed with your suggestion that the annual reports should be brought up to date and instructed the Company's solicitor accordingly. We have just received a letter from Mr. A. H. Young as follows:

"This is to advise you that the Annual Reports of T. Maikawa Stores Limited, for the years 1942 and 1943, have been sent to the Registrar of Companies and have been accepted by him.

Everything of this Company appears in order now with the Registrar of Companies and there should be no further obstacle in getting permission from the Department of the Attorney-General at Victoria, to register the transfer of property and the Purser mortgage in favour of the Company.

Please take this matter up with Mr. J. Pitcairn Hogg, the Legislative Counsel and as soon as you hear from him, let me know."

You also asked if it is our intention to offer the real estate for sale immediately. We have taken this matter up with Ottawa and in accord with instructions, have prepared a liquidation order and this has gone forward for execution by the Custodian. The order will cover the real estate, and in due course it is our

18339 - Vol. II - Maikawa T. Stores Ltd.

intention to offer the business for sale by tender as a going concern to include the land and buildings.

It is therefore desirable to have the title of the warehouse at the rear in good order and we would appreciate receiving the Attorney-General's recommendation in order to obtain the necessary permit from the Minister of Justice.

The liquidation should be carried out by Mr. Field as Liquidator, disposing of the assets rather than of the company.

Dear Mr. Shears:

Re: T. Maikawa Stores Limited

I have your letter of June 29th, with enclosures.

P. S. Ross &Sons' report has been considered by the Custodian and he concurs in their recommendation that the business and building be liquidated. The liquidation should be carried out by Mr. Field as Liquidator disposing of the assets rather than of the company.

If you will have a Liquidation Order prepared, following the forms now in use, and forward it, I will arrange to have same signed by the Secretary of State.

Yours very truly,

(G. W. McPherson)
Executive Assistant.
