Dear Sirs:

RE: Fuji Chop Suey - radio

We enclose herewith Custodian cheque in the sum of \$28.87.
This represents the net proceeds from sale of a Victor radio and gram-
ophone combination which was surrendered to the Royal Canadian Mounted
Police by Mr. Fujiro OGINO. Mr. OGINO was the Manager of Fuji Chop Suey.
We are convinced this radio is the property of Fuji Chop Suey instead of
Mr. OGINO and would therefore ask you to credit these funds to the account
of Fuji Chop Suey. Kindly acknowledge receipt of this cheque.

Dear Sir:

We have had no reply to our letter of February 6, 1947,
regarding ownership of the Victor radio and gramophone which you sur-
rendered to the Royal Canadian Mounted Police. We are therefore con-
vinced that this was the property of Fuji Chop Suey and we are today

Dear Sirs:

Re: Fuji Chop Suey Ltd. and
Maikawa Limited

Since receiving yours of the 9th May, 1945 re the account of Maikawa Limited we have considered the matter and are agreeable to admitting the account of Maikawa Limited at the book figure of \$4,770.64 less \$100.00 for merchandise returned. This makes a net credit of \$4,670.64 and a dividend of 70¢ on the dollar represents \$3,269.45. We have already sent you a cheque for \$2,000.00 and are now sending you a cheque for \$1,269.45.

We have a claim from the Royal Bank of Canada in connection with two cheques of the Fuji Chop Suey Ltd. issued by the manager, Mr. T. Ogino, and amounting to \$75.00. It would appear reasonable that the Royal Bank should be considered as creditors in respect of these cheques, and with your approval we propose to pay them a dividend of 70¢ on the dollar, or \$52.50.

Yours faithfully,

Re: MATKAWA LIMITED and
FUJI CHOP SUEY LIMITED

We beg to advise you that on February 8th last, at your request, we wrote to Zenichi KINOSHITA, the former manager of Matkawa Limited, in regard to their claim against the Fuji Chop Suey Limited. As we received no reply, we wrote the B. C. Security Commission on March 5th last, requesting that they endeavour to obtain an answer to our letter.

We are now in receipt of a letter from Mr. KINOSHITA dated April 30th last, a copy of which we attach.

In view of the indefinite reply received from Mr. KINOSHITA, could distribution be made to Matkawa Limited on the basis of the amount shown on the Fuji Chop Suey Limited's books, which we understand is less than the amount claimed by Matkawa Limited.

General Remarks

The assets of this company are completely liquidated and we have asked you for a release of our control. In our report of 17th January, 1945, we asked your permission to pay the Canadian creditors an interim dividend of 70%. This permission was received from you and 70% on the dollar has been paid to some of the creditors. One of the largest creditors Maikawa Limited (no connection with T. Maikawa Stores Limited) and we have asked your office to be good enough to write to Maikawa Limited and ask them to submit a statement in support of their claim. There is a difference of several hundred dollars between their claim and the records shown on the books. The claim by Maikawa Limited being in excess of that shown by the books. In addition, at the time that the restaurant was closed down a quantity of perishable merchandise was returned to Maikawa Limited and credit should be received therefor. Before paying any money on this debt, we feel that we should be supplied with a proper statement.

Re: Fuji Chop Suey Limited

Dear Sir:

Mr. Field, the liquidator of the above Company, has certain funds on hand out of which payments can be made to creditors. The amount which appears to be due to the Matsuda Co. Ltd. is \$4,770.64. The amount which you have filed as your claim is \$5190.89. We understand however that certain supplies may have been furnished to Fuji Chop Suey Ltd. since the balance of \$4,770.64, but on the other hand a considerable quantity of supplies was turned over to Matsuda Ltd. as a counter claim. Before the liquidator can be in a position to disburse funds to the Matsuda Co. Ltd., it will be necessary for the correct amount of your claim to be established. Will you therefore give this matter your immediate attention and let us have whatever information is available in this regard.

Dear Sirs:

Re: Fuji Chop Suey Limited

The local creditors of this company amount to approximately \$6,000.00 and we would like your permission to pay them an interim dividend of .70¢ on the dollar which will leave cash on hand of slightly over \$1,000.00. Included in these creditors is an amount due to Maikawa Limited, an evacuee company, in the amount of \$4,770.64. When making their list of debts and filing them with your office, Maikawa Limited show the balance due of \$5,190.89. We believe that there were supplies furnished to Fuji Chop Suey Limited by Maikawa Limited since the balance of \$4,770.64 was arrived at but as a contra to that a considerable quantity of supplies on hand at Fuji Chop Suey Limited were turned over to Maikawa Limited.

We have written to Maikawa Limited asking them for a statement so that we may determine the amount of their balance but have received no reply. Would it be possible for your office to write to Maikawa Limited pointing out to them that you must have these figures in order to receive a payment from the liquidator.

Yours faithfully,

William Ross

Re: Fuji Chop Suey Limited

The books of Fuji Chop Suey Limited show certain receivables in connection with Japanese Mutual Aid Societies. The names are as follows:

KO Nishimura	\$175.00
KO Yennemmo	50.00
BIK Yokel	120.00
KO K. Yukel	121.20
KO Nimi	150.00 (credit)

It does not appear to us that there is much chance of collecting these but you may have some information you may be able to give us in connection therewith.

The books also show a loan to a man named Hatameka Yabaho of \$260.00, K. Mizoguchi (T. Ogino) \$350.16, N.S.F. cheque for \$15.00 drawn by Yoshiye Hizo and endorsed by K. Kamaguchi. The debit balance shown as due by Mizoguchi represents payments made to the Royal Bank of Canada by T. Ogino, the manager of Fuji Chop Suey Limited, as guarantor for the sum of \$400.00, being advances to Mizoguchi by the Royal Bank. We understand the guarantee was given by T. Ogino under the authority of Sannosuke Matkawa.

The equipment and real property has been sold.
There is no mention on file of the company truck.

We have had no complete report since March 11/42.

There appears to be no reason why, on receipt of a final report, a release should not be given to the liquidator.

Re: Meter No: 3-1818

Dear Sirs:

The enclosed account covers arrears of water rates to December 8th 1942 plus charges for the month ending November 3rd 1944 being a total of \$42.50 gross.

At the beginning of this year we wrote to P.S. Ross and Sons with reference to the arrears and requested that this amount be paid since the water had been turned off. We have heard nothing from them and we now find that the premises are occupied and the water has been turned on without authorization from this Department and without any request from your office.

I would ask that immediate attention be given this matter since in the ordinary course of events the water is due to be turned off again and as this would undoubtedly cause the occupants considerable inconvenience, we would appreciate hearing from you by return.

Yours truly,

H. A. Black

Dear Sir:

Re: Delinquent Taxes

I enclose herewith statements re various properties appearing on our Tax Roll as being assessed to Japanese, which, under normal conditions, would be included in Tax Sale this year, if taxes were not paid prior to date of sale.

Will you please check your records with the view of ascertaining that these properties are still vested with the Custodian, and advise me if any have changed hands, or, if not vested with the Custodian, could they be included in Tax Sale?

In case of Lot 12/1/394, Wilhelmina and Frances Holtz, I note that payment was made on June 12-1944 on two Improved properties assessed to Wilhelmina Holtz, (see letter that date, Ref. No. 319 Legal Dept.) Will your department be paying taxes to protect vacant lot herein described, or can it be allowed to go to Tax Sale? In viewing correspondence on file it appears that a Mrs. Anna B. Johnson is holder of unregistered title to the properties in question. Her last known residence being Detroit, Mich.

Your kind cooperation in this matter will be appreciated.

Yours faithfully,

D.L. 196 - Fuji Chop Sney Limited

Dear Sirs:

We are in receipt of your letter of the 12th instant and have noted the opinion of Mr. Reeve, in regards to the acceptance of the offer of \$9000.00 for the above property.

You have previously discussed this matter, that is, in regards to the efforts which have been made to dispose of or to make this property revenue bearing. We note that in your opinion the offer is satisfactory and that you recommend the acceptance of this bid, and in view of this, we hereby approve of the sale at this figure.

Yours truly,

Attention: Mr. F. G. Shears

Dear Sirs:

Re: 314 Powell Street being Lot 3, Block 55,
D.L. 196 - Fuji Chop Suey Limited

We have received an offer of \$9,000.00 cash for the above mentioned building together with a deposit of \$900.00. In the original valuation by Mr. Reeve he stated that under conditions existing at the time of his valuation he did not think we could expect to obtain more than \$7,000.00 for this building. He also stated at that time if we were able to rent the premises for a period of several years we might eventually hope to get \$10,000.00. We have submitted the present offer of \$9,000.00 to Mr. Reeve and quote from his letter of 12th August as follows:

"We are of the opinion that in the circumstances this would be a satisfactory sale from the owner's point of view."

In view of Mr. Reeve's remarks and also the difficulty we have had in getting an offer of any kind, also bearing in mind the fact that this building was built for a specific purpose, that of a restaurant, we recommend that the offer of \$9,000.00 be accepted.

Yours faithfully,

F. G. Shears

Dear Sirs: Your file 295-163
 re Fuji Chop Suey Limited,
 314 Powell Street

Referring to our report to you of the 8th November, 1943 and your enquiry as to whether we would recommend acceptance of an offer to purchase the above property at \$9,000, cash, we have considered the matter carefully.

In view of the fact that the building is vacant and that it is not easy to obtain a permanent tenant at a satisfactory rent also that the carrying charges involve a considerable loss while the property is unproductive, also in view of the single purpose character of the design of the building, we are of the opinion that you will be well advised to accept the offer mentioned above.

We are of the opinion that in the circumstances this would be a very satisfactory sale from the owner's point of view.

Yours faithfully,

re: \$5000.00 - Toraryu SHIMOTAKAHARA v.
S. MAIKAWA, on the Fuji Chop Suey Building

This claim has been lodged on file 1698, Sannosuke MAIKAWA, Registration No. 10502, address formerly registered as Seal Cove, Prince Rupert, B.C. In reviewing this file and registration form it does not appear to belong against this party.

As Internee 284, Sannosuke MAIKAWA, was formerly a stockholder in Maikawa Limited, and operated in a rather large way before returning to Japan on or about February 22nd, 1941, the claim seems to be more likely against him.

We enclose herewith copy of extract taken from Evacuee 1698 for your consideration and attention, if necessary.

MEMORANDUM

Re: Fuji Chop Suey Limited

Mr. Field, as liquidator, is going to write a letter recommending that the assets of the company be advertised for sale and, in view of the large enemy interest in the share capital and the large enemy debt, his recommendation should be accepted and steps taken immediately to dispose of the assets.

The other principal shareholder, Mr. Worli, should be advised and, if he wishes to pay off the enemy debt or make other arrangements, they might be considered.

Attention: Mr. Field, Liquidator

Dear Sirs:

Re: Fuji Chop Suiy Limited

On checking over the above noted file it is noted that Mr. Harrison has made a memorandum to the effect that the Liquidation Section of the Customs' Office should be advised by your Mr. Field that rent for Fuji Chop equipment, used for registration purposes, should be paid to Mr. Field as liquidator of the Company. Mr. Harrison suggests that the rent should be reasonable under the circumstances.

Your Mr. Field may have already communicated with the Evacuation Office in connection with this matter but I thought I would bring it to your attention in view of Mr. Harrison's memorandum on file.

Yours truly,

Dear Sirs:

Re: Accounts

Messrs. P.S. Ross & Sons were appointed
Controllers of your Company on February 26th, 1942 and
Mr. Frederick Field of that firm was subsequently
appointed Liquidator on April 4th, 1942. In accordance
with the appointment, accounts of Messrs. P.S. Ross and
Sons, in the amount of \$140.00, have been approved and
paid by the Custodian. It would, therefore, be appre-
ciated if you would kindly issue a cheque payable to the
Custodian for the above noted amount.

It is regretted that copies of the accounts
are not available.

Re: Fuji Chop Suey Limited

You will note Mr. Hoult's memorandum on file, and Mr. Field is to let me have a letter by the end of the month, dealing with the situation.

The Security Commission has not paid any accounts, but this should be collected by Mr. Field as soon as possible, and he is following it up today. The Evacuation Section will have to reimburse the Security Commission for a portion of the rent charged by Mr. Field and this might be based on the rent paid prior to the Security Commission going in. This should not be allowed to hold up payment by the Security Commission to Mr. Field, as liquidator of the company. The Evacuation Section should be advised by Mr. Field that they have to pay for the rent of the equipment from him, but the rent should be reasonable under the circumstances.

You might see if there is any cross indexing to do here with the necessary files in the Enemy or Evacuee Section.

I have paid \$140.00 by cheque to Messrs. P.S. Ross & Sons and Mr. Field, as liquidator, should be asked to reimburse us for this amount. I do not see the bills on file, but no doubt you will be able to locate same and mark them as paid. The originals, presumably, have gone to Montreal to Mr. Hoult and will be returned in due course and receipted.

Attention Miss F. Carroll.

Dear Sirs: re: Fuji Chop Suey Ltd.
Your file 361.

Confirming our telephone conversation of yesterday's date, we wish to point out that the Warrant issued to the company in respect of enemy-owned shares did not come to this office. Until your advice of today, we have had no knowledge that such a warrant existed.

We have in our possession the share certificate book and the stubs show the issuance only of the shares as disclosed by our report. It is our intention to make search amongst the records of the company with a view to finding this warrant, also the share certificate concerned, if possible. If we are unable to find them, it will be necessary to write to Mr. Ogino who acted as manager at Vancouver.

As you are aware, the premises of this company have been rented for the last six months by the B. C. Security Commission. Any small perishable assets have been disposed of. The fixtures and equipment of the restaurant are under lock and key and the sale of these is being deferred until such time as the Commission vacates the premises. This we expect will be in the course of the next thirty days.

With the changing atmosphere of Powell Street due to sale of various properties and the evacuation of the Japanese, it may be possible to dispose of the

fixtures and equipment to some one desirous of operating the building as a restaurant.

We have discussed this matter with Mr. G. W. McPherson several times and he is in agreement with our suggestions but of course nothing definite can be done until such time as the B. C. Security Commission vacate.

With regard to the bill of the Shell Oil Company of B. C. amounting to \$45.65, this is one of the ordinary debts of the company which cannot be settled until such time as the balance of the assets are realized.

Re: Fuji Chop Sney Limited

Dear Sirs:

It would be very much appreciated if you would kindly let me have an up-to-date report on the above noted company, since we do not appear to have received one since the Liquidation Order was issued on April 4th.

It is noted on checking through this file that a warrant was issued to the company on February 10th to transfer one hundred and seventy-eight (178) enemy shares into the name of the Custodian of Enemy Property. It does not appear that this warrant was ever acted upon, since we have not received the Share Certificate.

It is also noted that we have on file a copy of a letter, the original of which was evidently forwarded to your office, from the Shell Oil Company of British Columbia, in respect to a debt of \$45.65 owing by the company.

Advice as to whether or not this debt has been paid would be greatly appreciated.

Yours truly,

Dear Sirs:

Re: Fruit Chan Sney Ltd.

I am enclosing a copy of a letter received from the B.C. Security Commission, dated May 15th which will be of interest to you.

In reviewing your report I have the following comments to make:

The vesting certificates should be prepared and filed on the property and I have given instructions to this effect.

The enemy owned share certificates have been transferred to the Custodian and it would appear desirable that declarations be obtained from the other share holders as to their beneficial interests. Arrangements have been made to obtain these declarations.

Since your Mr. Field has been appointed liquidator it would not appear necessary to change the directors at this time.

Yours truly,

(G.W. McPherson)
Authorized Deputy of the Secretary
of State and/or Custodian

Dear Sirs:

Re: Fuji Soap Suer Co. Ltd.

I wish to confirm the telephone conversation I had with you this morning when you advised me that the tenants, ~~the~~ the B.C. Securities Commission, desire to remove additional partitions on the above Company's premises and that any such removal, if consented to by the Custodian would be carried out so that no damage would be caused to the premises and the partitions would be placed in their original position at the end of the occupancy.

I understand that these arrangements were made with Mr. Wray of P.B. Ross & Sons as to previous removal of partitions, that Company representing the Custodian as Controllers.

I would appreciate your confirming the fact that the property will be left in the same state of repair as it was in at the time of the Commission's occupation.

Dear Sir:

Re: Fuji Chop Suey Limited

In accordance with your instructions of 31st January 1942 we have made a preliminary inspection of the above company and submit our report as follows:

Fuji Chop Suey Limited is a private company which was incorporated under the British Columbia Companies Act on 8th June 1931 with an authorized share capital of \$50,000.00 divided into 1,000 shares of \$50.00 each.

The statutory books and records of the company are extremely irregular, apparently due to the fact that the principal shareholder, S. Maikawa, managed these affairs personally without the assistance of a solicitor. The Minute Book contains the memorandum and articles of the company and only one Minute dated 13th July 1931. The share certificate stubs show shares issued as follows:

Date	Shareholder	Consideration	No. of Shares
13th July 1931	S. Maikawa	cash	1
	T. Sasaki	cash	1
	H. Kaino	cash	1

According to the share ledger the shareholders on 7th December 1941 and at present are:

The company carries on business as a good class Chinese restaurant but since the holding of banquets and receptions was prohibited after the outbreak of hostilities with Japan, the business has dropped considerably. It is managed by T. Ogino whose wife is the bookkeeper. At the date of our visit, the cash book of the company had not been written up

since August 1941, the subsequent transactions being contained in a rough cash diary. The accounts have at no time been audited. The Balance Sheet at 30th April 1941 issued in support of the company's declaration of income and excess profits taxes for the year 1941 shows a loan payable to S. Wakawa, Japan, of \$17,051.84. This balance remained outstanding at 7th December 1941 and is therefore an enemy debt.

The present employees are as follows:

T. Ogino	Manager	Japanese national
Masashi Iwabuchi	Waiter	Japanese national
Chunichi Fujii	Waiter	Japanese national
Harno Taba	Waiter	Naturalized Canadian
Yuen Lee	Baker	Chinese
Let Fat Lee	Cook	Chinese
Wah Lee	Chief Cook	Chinese
Wan Shang	Rice Man	Chinese
Lee Jock	Dishwater	Chinese

We have given instructions for the books to be brought up to date immediately and are promised a trial balance as at 31st December 1941 on Monday, the 23rd instant, when we shall continue our investigation.

In view of the substantial enemy interest in this company we recommend that it be placed under the control of the Custodian. We feel that further investigation will bring us to the conclusion that it will be necessary to liquidate the company.

Yours faithfully,

I have your letter of January 30th.

It would appear from this letter that over 50% of the share capital is enemy owned and that there is a substantial enemy debt. In view of this information I am appointing P. S.
