RE:

Attending on Mr. Gladstone Virtue and discussing with him his
proposed representations to the Secretary of State.

- Attending to telephone the Secretary of State to point out:
1. That the Co-operative Committee represents all groups of Japanese Canadians with the exception of Alberta.
 2. That while we support and are in sympathy with Mr. Virtue's recommendations, we believe the special conditions in Alberta do not exist in the rest of Canada and that the claims for the rest of Canada will not be as high as estimated in Mr. Virtue's brief and proceedings are not likely to take so long.

We suggest that there might be two commissions instead of one.
