## JAPANESE FISHING VESSELS

The Japanese Fishing Vessels Disposal Committee was constituted by Order-in-Council P.C. 288, January 13th, 1942, for the purpose of implementing an effective plan to transfer impounded Japanese fishing vessels to new owners, who must be Canadian citizens, of other than Japanese origin.

Prospective purchasers should be experienced fishermen, who propose using the vessels in the fishing industry of British Columbia. They should negotiate directly with the Japanese owner of the ship they wish to buy, or with his representative.

Descriptive details of vessels are available in the offices of the Committee, which may be freely examined by those interested.

**When an agreement for sale and purchase has been made by the Japanese owner and the buyer, details of the transaction should be submitted to the Committee, and, if approved, the transfer of the vessel can be promptly completed.**

**If an agreement cannot be reached between the vendor and the purchaser, the Committee will arbitrate the differences. IF THE VENDOR DOES NOT AGREE TO ARBITRATE, THE COMMITTEE WILL SET A PRICE AT WHICH THE VESSEL MUST BE SOLD.**

Only outright sales, enabling transfer of title of vessel, will be approved by the Committee. In the event of a purchase involving term payments to the seller, the balance to be paid must be secured by mortgage.

PERMITS FOR INSPECTION OF VESSELS CAN NOW BE OBTAINED:

- (a) AT THE COMMITTEE'S OFFICES, 1528 MARINE BUILDING, VANCOUVER.
- (b) IN THE CASE OF RESIDENTS OF NEW WESTMINSTER OR VICINITY, BY APPLYING BY LETTER, TELEPHONE OR TELEGRAPH TO THE OFFICE OF THE COMMITTEE, WHO WILL ARRANGE THAT PERMITS WILL BE ISSUED BY THE NAVAL OFFICE, PACIFIC COAST TERMINALS, NEW WESTMINSTER, ON PRODUCTION OF THE PROPER CREDENTIALS AND REGISTRATION CARDS.

**To prospective purchasers living at a distance from Vancouver, the following procedure is suggested:**

When a specifically desired vessel is known, as well as the name and address of the owner, direct negotiations should be carried out in accordance with the procedure outlined above.

Where the vessel is known, but not the owner or his whereabouts, the Committee's office will assist in supplying the information. **THE PROCEDURE WILL THEN BE THAT OUTLINED IN ABOVE PARAGRAPHS.**

In the case of fishermen not having any specific vessel in mind, but desiring to purchase one or more of the impounded vessels for active fishing service in British Columbia waters, he should write this office, giving the following information:

- (a) Type and size of vessel required.
- (b) The class of fishing he primarily proposes, and the probable general fishing location.
- (c) Amount of cash payment he is prepared to make.
- (d) What terms are required for the balance of total purchase price.

With this information on hand, this office will endeavour to have Japanese owners, OR ACCREDITED REPRESENTATIVES, communicate with the prospective purchaser. **IF THIS CONTACT CANNOT BE ESTABLISHED, THE PURCHASER SHALL BE INFORMED, AND HE SHOULD THEN CALL ON THE COMMITTEE OR SEND HIS ACCREDITED AGENT WITH AUTHORITY TO PURCHASE; AND EITHER PARTY WILL THEN RECEIVE FULL ASSISTANCE FROM THE COMMITTEE.**

All communications should be addressed to the Committee.

Dear Sir:

Re.M.V.

For a period of over 5 months this Committee has operated facilities, designed to assist Japanese fishing vessel owners, to dispose of their vessels at fair prices.

In this period over 1000 vessels have been released through the offices of the Committee; and it has now become vitally necessary to promptly dispose of the remaining vessels in order that the Navy personnel, occupied in their custodianship, be relieved for other duties.

Having received an offer for your vessel License No. , which is considered a fair value, the Committee has sold this vessel for the sum of \$ in accordance with the attached Bill of Sale.

Please sign the attached Bill of Sale, together with the Claim Assignment form, also attached, and return to us.

On receipt of these documents properly executed, we shall remit the net value of the sale, with a statement thereof, to any address designated by you.

Yours very truly,

JAPANESE FISHING VESSELS DISPOSAL COMMITTEE

Telephone Pacific 9331

1528 Marine Building  
VANCOUVER, B.C.

This Committee was constituted by Order in Council, P.C.288, January 13th, 1942, for the purpose of implementing an effective plan to transfer impounded Japanese fishing vessels to new owners, who must be Canadian citizens, other than Japanese origin.

Prospective purchasers should be experienced fishermen, who propose using the vessels in the Fishing Industry of British Columbia. They should negotiate directly with the Japanese owner of the ship they wish to buy, or with his representative.

Descriptive details of vessels are available in the offices of the Committee, which may be freely examined by those interested.

When an agreement for sale and purchase has been made by the Japanese owner and buyer, the details of the transaction should be submitted to the Committee, and, if approved, the transfer of the vessel can be promptly completed. If an agreement cannot be reached between parties, the Committee will arbitrate the differences.

Only outright sales, enabling transfer of title of vessel, will be approved by the Committee. In the event of a purchase involving term payments to the seller, the balance to be paid, must be secured by mortgage.

Permits for inspection of vessels under negotiations, will be issued jointly to owner and prospective purchaser when there is reasonable prospect of an agreement being reached.

. . . . .

To prospective purchasers living at a distance from Vancouver, the following procedure is suggested:-

When a specifically desired vessel is known, as well as the name and address of the owner, direct negotiations should be carried out in accordance with the procedure outlined above.

Where the vessel is known but not the owner or his whereabouts, the Committee's offices will assist in supplying the information.

In the case of fishermen not having any specific vessel in mind, but desiring to purchase one or more of the impounded vessels for active fishing service in British Columbia waters, he should write this office, giving the following information:

- (a) Type and size of vessel required.
- (b) What class of fishing he primarily proposes and the probable general fishing location.
- (c) Amount of cash payment he is prepared to make.
- (d) What terms are required for the balance of total purchase price.

With this information on hand, this office will endeavor to have Japanese owners of suitable vessels communicate directly with prospective purchaser.

All communications should be addressed to the Committee.
