INTERMENT OPERATIONS

Prisoner of War Business Letter

From No. 435-1367

To The Minister of External Affairs

Name KIKUTA, Toshio

Ottawa, Canada

Place Angler Internment Camp,
Angler, Ontario

Date September 12, 1942.

Hon. Sir:

In regard to the exchange of War Prisoners between Canada and Japan, I present to your honour for your kind consideration, my following reasons why I, and my family want to be exchanged, as soon as possible.

As the eldest son, I have the responsibility of looking after our family estates. Already eighteen years have elapsed since I had parted with my parents and came to this country. At present, my father and mother, 70 years and 63 years old respectively, have no one to take care of them, since my brother and sister have both passed away. Therefore, I feel it my duty to go to them as soon as possible to fulfil my filial piety. My wife's parents are both residing in Japan. My wife, being brought up in Japan, does not understand English language very well, so I don't know if she has designated any of her intentions of returning to Japan, to your honour, but she has supported and approved my intention of returning to Japan, and have often written me that she wishes to return too.

These are the reasons, I wish your honour will be kind enough to take into consideration, and I beg you to make every effort in your power, so that my request may be granted.

Yours faithfully,

T. Kikuta
Toshio KIKUTA, #435.

Mrs. Akiko Mori,
New Denver, B.C.,
Nov. 4, 1942.

Dear Mr. Pedro Schwartz,

At this time, I am very sorry to trouble you. I am in New Denver, came here on Sept. 25, with my little son (1½ yrs) and I am not in a very good health.

My husband, Mr. Mori, who is a Japanese National, his registration No. 03107 is at Kelowna, B.C. at the present and I would like him to come to New Denver so he can look after us.

Before I came here, from Vancouver, I applied to the B.C. Security Commission, the permit for my husband, if he can enter to New Denver from Kelowna, when we are to be evacuated. The answer from B.C. Commission was, I can receive a permit from New Denver Commission, so I trusted them. Since I came here, went to Commission Office about four, five times, and yet, cannot receive a permission from them.

Will it be possible for you to write or wire, to the Security Commission in Vancouver, for Mr. Mori's permit for New Denver, and they can send it to him. It will be my great pleasure, if you can kindly help me out. As I said, I am not in a very good health, and cannot do anything.

Please kindly write, the result, of the above mentioned to me.

Following will be my husband's address:

Mr. Senya Mori, Reg. No. 03107
c/o Mr. K. Nakano,
R.R. No. 2, Kelowna, B.C.

This is my address:

Mrs. Akiko Mori, Reg. No. 03109,

I will be closing with my great pleasure.

I thank you very much ,

Sincerely yours,

Dear Sirs:-

I have heard a "rumors"; that if any Japanese Family who wishes to return to Japan, they may do so!..I have already written to "The British Columbia Security Commission" asking about this matter of questions. They have advised us to ask you for the proper procedure, so please may I ask you a few things.

"My husband, Mr.S.Kitagawa has been sick for a long time and he is still in the hospital in British Columbia, in the care of Doctor Ryoan, Medical Superintendent, Essondale, British Columbia. And my parents, they are old and they cannot do very much of a hard work. I have a little son to look after beside my parents and myself. He haven't a steady worker so we haven't very much of a money in hand, so if I could go back to Japan, with my family, I would be very glad. If, in Japan we might somehow could earn our living by doing little things. So will you please let us go back to Japan.

My family's ages included are as followed:-

Dad	- Mr. Y.Kitagawa	58	years	old
Mother	- Mrs. K.Kitagawa	52	"	"
My sick husband	- Mr.S.Kitagawa	35	"	"
myself	- Mrs.E.Kitagawa	26	"	"
My little son	- Masao Kitogawa	3	"	"

We had planned a many times before, to take my sick husband to Japan, for his health. If I cannot take my husband and my family, together with me, then I do not want to go home. My special reason of going back to Japan was for my husband's health and for us to earn our living together. If you have given us your premission, that we could go back to Japan, could you please drop me a few lines saying so. I thank you very much.

We are now staying in the Province of Manitoba in the District of Oak Bluff. We were sent here to the Sugar Beet Farm.

My husband is still back in British Columbia. In the case that we could go to Japan, could you please arrange the matter of my sick husband to join my family and me. I am little afraid, that my husband, who at this time isn't very sick, cannot come alone to this strange country to join us by himself. So could you please let us go to B.C. and join him or else could you fix this matter for me with your party. I would be very glad if you will please make the arrangements for me and drop me a line as soon as possible. I will appreciate your kindly help very much, I thank you for every thing.

Yours truly,
Mrs.E.Kitagawa

Dear Sir:

May I ask another few things about this matter.

We have another party "A single man", who came with us, as one of our family to Manitoba from British Columbia to the Sugar Beet Farm.

His name is: Mr.Choba Fukusawa

Age - 57 years old,

Single, naturalized.

He is an old man, and he has to earn his own living too, but he cannot do a hard work, so he like to go to Japan with us, if we go. Could you kindly please give him your permission too, so he could come with us to Japan.

He said, "He has nobody to stay with or have nobody to look after him. If we go back to Japan. He like to go home with us, as one family, so could you please arrange this matter for him and would you kindly please drop me a line, whether he could come with us or not. I really hope that you will give him your permission, to go home with us, if we go. I thank you very much.

Yours truly,

Mrs.E.Kitagawa.

P.S. Before you arrange everything for us, for going home, could you please let me know everything so I could understand in my mind so I won't see any trouble afterwards. Please drop me a line of your rules of returning to Japan. Thanks again. Mrs.E.Kitagawa.

Minister of Justice,

Sir:-

Re:-TERANISHI, TATSUO p/w #602-1351 (age 26)

I was born in Canada of Japanese Parents. At the age of three I was taken to Japan where, ten years later, my father passed away. This left me the responsibility of supporting my aged mother.

After sixteen years of absence I alone returned to Canada.

At this time my aged mother in Japan, who had been depending solely on the savings which I had been sending at irregular intervals, must now be facing great hardships with no means of support, which greatly weighs on my mind. I, as her son, consider it my duty to support her at any times, which I am sure you will understand.

For the reasons stated above I would like to implore to your Honor if you would kindly take my humble request into consideration and to arrange it so that I may return to Japan as soon as possible.

Yours very truly,

Hon. Louis St. Laurent
Minister of Justice,
Ottawa, Canada.

Hon. Minister of Justice:

Re: Teranishi Masami

I have learned that an exchange of war prisoners between Japan and Canada will be put into effect, and in connection with this event, I have a most urgent request to make to you.

I have an old mother in Japan at the present time. Before war was declared between Japan and Canada, my mother depended on the money which I sent to her as her only means of livelihood. But soon after a state of war was declared between Japan Canada I was unable to correspond with her, and also unable to send her any money. With pain in my heart, I think that my mother in suffering many hardships. After the death of my father, I value nothing more than my mother and now I wish very much to make her comfortable even a moment sooner. These being my desires, this coming exchange of war prisoners to me, is like God's hand in rescue.

Therefore, I beg of you, a thousandfolds, Your Honour, to do everything in your power to have me included in the coming exchange of war prisoners.

On August 30th, 1942, I have made an application to the Secretary of State, renouncing my Canadian citizenship if possible because I believed that I would be repatriated by that action.

Your Honour, please consider the above mentioned facts, and the position which I am in at the present time. I am praying that you will take in my request. I think you in advance, Your Honour, for your kind attention and consideration regarding this matter of utmost importance.

Yours respectfully,
