Dear Howard:

I have a terrible time remembering not to write letters directly to departments of the Government other than the Department of Labour.

Please find enclosed a letter which I have written but have not sent to the Department of External Affairs in regard to a certification of the naturalization of Mr. Muramatsu.

May I ask you to take this up with the Department and if possible secure for Mr. Muramatsu what he is now requesting?

Sincerely yours,

G. E. TRUEMAN

~~Mr. G.E. Trueman,~~
Southern Ontario Placement Officer,
Japanese Division, Department of Labour,
24 Adelaide St. E.,
Toronto 1, Ontario.

Dear Mr. Trueman:

I wish to acknowledge your letter of February 13 concerning application forms for the new citizenship certificates. I have enquired on this matter from the Department of Secretary of State and find that the proper procedure is for any Canadian citizen who wishes a certificate to write directly to the Canadian Citizenship Registration Branch, Department of Secretary of State, West Block, Ottawa, asking for an application form. Those who are not Canadian citizens can get application forms preliminary to naturalization proceedings from the local City or County Clerk.

I hope to get up to Toronto later this month or in March for a couple of days to see how things are progressing.

Yours very truly,

HFP/IM

H. T. Pammett.

Miss H. Helen Nakamura,

Dear Miss Nakamura:

I wish to acknowledge your letter of February 12
concerning applications for citizenship certificates.

I would point out that you are not required to
file an application to become a Canadian citizen under
the new Citizenship Act, since you were born in Canada.
If you desire one of the new citizenship certificates,
however, you should make application to the Canadian
Citizenship Registration Branch, Department of the
Secretary of State, West Block, Ottawa, asking for an
application form for this purpose.

Yours very truly,

A. MacNamara.

Toronto - Feb. 13, 1947.

Mr. H. T. Pammett,

Dear Howard :

Some time ago I was asked by one of our Japanese Naturalized Citizens to get blanks whereby he would be able to secure a new citizenship certificate. I wrote to what was given in the New Canadian as the proper address of the Department in Ottawa. This was more than ten days ago and so far no answer has come.

I wonder if you would be able to lay your hands on say three or four application blanks. If you can, I would appreciate it greatly if you would send them to our office here; we are having quite a number of requests for them.

We hear but little from you or of you these days. I suppose you are unusually busy helping to get briefs and memoranda and so on prepared for the Minister. When will your duties bring you to Toronto again ?

With all good wishes.

Yours sincerely,

Dear Sir or Madam:

In a recent edition of the "New Canadian", I read that we are eligible to file application to become Canadian citizens under the new Citizenship Act.

The address of the place where we can get the application was in the "The New Canadian", but I have lost the paper and cannot recall the address. Would ^{you} be kind enough to tell me whom I should contact or is it possible for you to send me the necessary papers?

I'm a Canadian-born Japanese and ~~am~~ quite anxious to obtain this paper. Anything you can do to help me out ~~will~~ be very much appreciated.

Very sincerely yours,
