DEPUTY GOVERNOR GENERAL

9.2.42

AT THE GOVERNMENT HOUSE AT OTTAWA
Monday, the 9th day of February, 1942.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

WHEREAS the Minister of Fisheries reports that the Committee under the Chairmanship of the Honourable Justice Sidney A. Smith of Vancouver, appointed under the authority of the War Measures Act to supervise the disposal of impounded fishing vessels and equipment owned by persons of Japanese racial origin in British Columbia, was empowered inter alia,-

- (a) To make such arrangements as will make it possible for the present owners of detained vessels to freely negotiate for charters, leases, or sales of such vessels as they own to persons other than those of Japanese origin, provided that the Committee approve of such charters, leases, or sales, which approval shall be a prerequisite for the use of such vessel under fishing license.
- (b) Where necessary, to arbitrate disagreements on price between owners and intending purchasers with a view to preventing advantage being taken of duress.

That the Committee has proposed that a disposal charge of one per centum on all monies involved in transactions for the disposal of the vessels and equipment coming within its terms of reference should be made, having in mind that the expenses of the Committee will be substantially greater than originally estimated, due to the large number of claims for damages to vessels while in custody, necessitating additional expenses for services of competent marine surveyors; and has reported that Mr. Kishizo Kimura, one of the members of the Committee, has stated the Japanese owners are willing to subscribe to this expense.

DEPUTY GOVERNOR GENERAL

9.2.42

17

The Committee of the Privy Council have had before them a report, dated 3rd February, 1942, from the Secretary of State for External Affairs, representing that by Order in Council dated January 7, 1941 (P.C.117) there was established a Standing Committee on Orientals in British Columbia for the purpose of supervising the carrying out of certain Recommendations of the Special Committee on Orientals in British Columbia and to keep the Government constantly informed as to the Oriental situation in that Province;

That the situation in British Columbia has changed materially as a result of the outbreak of war with Japan;

That the policy of the Government in regard to the handling of the Japanese problem in Canada has been laid down in the statement issued by the Prime Minister on January 14, 1942; and

That the action of the Government, in taking direct control of the execution of the said policy, has made it unnecessary to place upon the members of the said Committee the responsibility for continuing to advise the Government in regard to conditions in British Columbia.

The Committee, therefore, on the recommendation of the Secretary of State for External Affairs, concurred in by the Minister of Justice and the Minister of National Defence, advise that the Standing Committee on Orientals in British Columbia be dissolved, and that the Government record its thanks to the members of the Standing Committee for the valuable assistance that they have rendered to the Government during the past year.
