DEPUTY GOVERNOR GENERAL

MAY 17 1943

The Committee of the Privy Council have had before them a report, dated 11th May, 1943, from the Minister of Labour, referring to Order in Council P.C. 1665 of March 4th, 1942, providing for the appointment of the British Columbia Security Commission to administer regulations governing the evacuation of persons of the Japanese race from the protected areas of British Columbia and their placement elsewhere, and to P.C. 946 of February 5th, 1943, authorizing the Minister of Labour to undertake the duties and exercise the powers and carry out the obligations theretofore undertaken, exercised, and carried out by the British Columbia Security Commission.

The Minister reports that by agreement dated September 1st, 1942, between the British Columbia Security Commission and the Province of Alberta, provision was made to enable children of school age of the Japanese race, evacuated from the protected areas of British Columbia, and thereafter placed in the Province of Alberta to attend the schools of the Province and enjoy the teaching services provided by the Province.

The Minister states that, having regard for the provisions of P.C. 946 of February 5th, 1943, it appears necessary and advisable that such agreement should be approved by Your Excellency in Council.

The Committee, therefore, on the recommendation of the Minister of Labour, advise that the said agreement, dated September 1st, 1942, (a copy of which is attached hereto), entered into between the British Columbia Security Commission and the Province of Alberta, making provision for the education of children of persons of the Japanese race, evacuated from the protected areas of British Columbia and placed in the Province of Alberta, be approved.
