THE SECRETARY: Case No. 743, Akisaburo Sato.

AKISABURO SATO, being the claimant herein, being first duly sworn, testified through the Interpreter as follows:

DIRECT EXAMINATION BY MR. VIRTUE:

Q Mr. Sato, I show you a formcalled a summary of evidence. Now, it shows your 15 acres of land near New Westminster? A: Yes.

Q And I believe you paid $850.00 for that land, is that right? A: Yes.

Q You bought it in 1921 and you finished paying for it in 1927? A: Yes.

Q When you bought it what condition was that land in? A: It was just bushland.

Q No buildings, no improvements?

A No, no house, nothing.

Q Now, you cleared thirteen and a half acres of the land, did you? A: Yes.

Q And you planted the cleared land to strawberries and various berries, a vegetablegarden and 24 fruit trees? A: Yes.

Q And you fenced it and you put in drainage boxes? A: Yes. As regards fencing, I did this in conjunction with my neighbour.

Q Yes. A: And we shared the cost of that.

Q Now, all that clearing, and ditching, and draining and planting, I believe cost you $4745.00, did it? A: Yes.

Q Now, you put on a large number of buildings?

A Yes.

Q And they are all shown here in this list with the date when you built them and the cost of material and labour, and the total cost?

A Yes.

Q And that cost you $6000.00? A: Yes.

Q Now, the total cost of this land of yours, including all the improvements and all the rest of it came to $11595.00? A: Yes.

Q But you only put a value on it for a fair market value of $8725.00? A: Yes.

Q Now, what do you say about that fair market value that you put on of $8725.00? What do you say about that value? A: Some of the buildings are getting old, and some depreciation, so I marked it down to this amount as what I thought was a fair total.

Q Yes. Now, are you satisfied that when you were evacuated that the place was worth $8700.00, about? A: Yes.

Q Do you know that the Custodian sold it for $1255.00?

A Yes.

Q What have you to say about that?

A It is very, very low.

MR. VIRTUE: I will put this in as an exhibit, your Honour.

(SUMMARY MARKED EXHIBIT NO. 1).

MR. VIRTUE: Q: I show youa photograph that apparently was taken in February of 1947; will youtake a

look at that photograph? A: Yes, it was taken by my boy on his honeymoon.

Q Is that the house that you have described in your claim form? A: Yes.

Q Now, how does the condition of this house as shown in the photograph in 1947 compare with the condition of your house and property when you were evacuated?

A Well, I can't see any difference in the house from this picture, but the gate posts are all torn down. There was an entrance with the gate posts up here, leading up to the garage, and it looks as if it is rundown.

Q It looks as if it is rundown? A: Yes.

Q Was it rundown when you were evacuated or what condition was it in? A: No, everything was straight.

Q Everything was good? A: Yes.

Q When you were evacuated? A: Yes.

MR. VIRTUE: I will ask leave, sir, to file a little later on today, or perhaps a little later, perhaps next week, a large photograph. It was left with us and it was so large that it wouldn't go in the file and it is just temporarily mislaid. It is hard for us to put our hands on it as the office is being changed around and things are a but upset, but I will ask leave to put it in later on.

THE SUB-COMMISSIONER: Yes.

MR. VIRTUE: Q: Now, did you live on this land at the time that you were evacuated? A: Yes.

Q Did you make a living for yourself and your family there? A: Yes.

Q How far is this land from New Westminster?

A Five miles.

Q Which way? A: Southeast. Just about south.

Q South? A: Yes, just about south.

Q So that it would be between the City of New Westminster and the border? A: Yes.

Q The United States border? A: Yes.

Q But close to New Westminster?

A Yes, five miles.

Q And is that a thickly settled farming area in there? A: Yes.

Q Was there a good road adjoining this land?

A Yes, there was a highway within one mile. There was no road when I first went there.

Q But when you were evacuated? A: When I was evacuated there was a good highway within a mile.

Q How did you get to the highway?

A There was a good motor road to the highway.

Q There was a good motor road from your place to the highway? A: Yes.

Q And what highway are you speaking about?

A Scott road.

Q Scott road? A: Scott road is a gravelled highway.

Q You had quite an acreage here of berries and rhubarb and so on. What condition was your

plantation in when you were evacuated?

A I was running it for many years successively and it was all in very good condition.

Q Do you mean successfully or successively, which?

A Every year I was putting more work in it.

Q Every year you were putting more work in it; but what I am getting at is this: What condition were your berries and your rhubarb and your fruit trees in?

A As far as the strawberries are concerned, there were some that were three and four years old, they were getting old, but every year I put in one acre of fresh strawberries, each year, and those were in good condition.

Q Well, I don't want him to describe every tree and bush, but, generally speaking, what was the condition of his plantation? Was it rundown, or was a good going concern, or what?

A It was in good condition.

Q It was in good condition? A: Yes.

Q Now, here is a list on page 6 of your form of your personal property that you left behind. Do you see that list? A: Yes.

Q Did you leave all that stuff behind?

A Yes.

Q And you put certain prices out there. What do you say about the prices or values you put on your personal property? A: The older things there, according to the age I have reduced them one-third or one-half; the other things that are newer I haven't reduced so much, but I have

brought them all down to what I thought was a fair price.

Q Now, you list here your 1942 crop at $2000.00, do you see that? A: Yes.

Q What time of the year were you evacuated?

A In April.

Q In April, 1942? A: Yes.

Q What did you do about your land or crop before you were evacuated, or did you do anything?

A I didn't know that I was to be evacuated and I hoed it until I was evacuated.

Q Well, did you sell the crop to anybody before you were evacuated? A: No, I didn't sell it, I just left it as it was.

Q Just left it as it was? A: Yes.

Q Do you know a man named J. Keller?

A No.

Q Did you have any dealings with Keller before you were evacuated? A: No, I had nothing to do with him. I don't know him at all.

Q Well, now, why do you value your crop at $2000.00?

A Over a period of twenty years I had been producing this kind of crop and every year I was producing about, strawberries, thirty to thirty-five tons of strawberries in one year.

Q Now, as we go along, what would your strawberry crop have been worth in 1942, about?

A About four or five hundred crates, between $1.50 and $1.75.

Q How many crates? Four to five hundred?

A 500 at least.

Q At $1.50 or $1.75? A: Yes.

Q So that your strawberry crop would have been worth a minimum of about $600.00, at the least?

A And in addition to that there were strawberries produced for the cannery.

Q Well, tell him not to go into details, but just to tell us what he thinks his total strawberry crop would have sold for in $1942, about? Now, Mr. Sato, will you please stick to the question I asked you, about what your total strawberry crop would have sold for in 1942? Now, would you just answer that? A: About $1200.00, I think.

Q $1200.00 A: Yes.

Q Now, your rhubarb crop? A: About $1000.00; but then there is the labour to take into consideration.

Q Never mind that; if you had been there you would have had the labour. And your other berries outside of strawberries?

A Approximately $400.00.

Q Yes. And your other fruits, outside of strawberries and other berries, what other fruits, or what would the other fruits have brought you? Just answer the question. Never mind all the details, just get down to the answer.

A I didn't market very much of the other fruit, it was what I used myself and gave a lot to my friends, but about $40.00 or $50.00 I would

have sold probably.

Q Besides your living, is that right?

A Yes.

Q Now, what did you get out of your 1942 crop?

THE SUB-COMMISSIONER: Do you mean net?

MR. VIRTUE: Q: What did you receive in money?

A I actually receiv ed $400.00. I arranged for my nephew to dispose of it for $600.00, but upon Mr. Keller's complaint it was reduced to only $400.00. That is my mistake. Mr. Keller did not complain; he said that he couldn't pay more than $400.00 for it.

Q I see. So that your 1942 crop, after you left, was sold by your nephew to Keller, is that right?

A I don't know exactly what happened after I left, but it was my impression.

Q Anyway, who was looking after it, the Custodian or Keller? A: I don't know exactly what happened after I left, but it was my impression that the Custodian was looking after it because my nephew left very shortly after I did.

Q So that you got this money, the $400.00, from the Custodian, did you? A: Yes.

Q And it was the Custodian who reported this deal to you? A: Yes.

Q Now, I will show you a paper dated the 21st of January, 1927, from a man named Jolley to you covering this land for $850.00?

A Yes.

Q Is that the purchase deed you got covering this

land? A: Yes.

MR. VIRTUE: I will put that in.

(DEED MARKED EXHIBIT NO. 3).

MR. VIRTUE: If my learned friend has the assessment notice handy I would be much obliged if he would give it to me.

(Notice to Mr. Virtue)

I will offer this from the Custodian's file, sir, as an exhibit; it is an assessment for 1943, apparently, improvements, $1500.00, and the value of the land alone, $850.00.

(ASSESSMENT MARKED EXHIBIT NO. 4).

MR. VIRTUE: Q: Now, the last year you farmed this land yourself was 1941? A: Yes.

Q You were evacuated in the Spring of '42?

A Yes.

Q Now, I hand you a bunch of statements here from the South Fraser Farmer's Union, and without going into detail, would you tell me if this is a statement of part of the crop you got off this l and in '41? A: Yes, just part of the crop.

Q Just part of the crop? A: Yes.

MR. VIRTUE: I will put that in as an exhibit.

(STATEMENTS MARKED EXHIBIT NO. 5).

MR. VIRTUE: I also put in an insurance policy dated the 14th of August, 1941, insuring the dwelling at $1500.00 and the household furniture at $500.00.

(POLICY MARKED EXHIBIT No. 6).

MR. VIRTUE: Q: Your house and buildings were supplied by electricity? A: Yes, from a year before I left.

Q Now, quite a few of your chattels were shipped to you by the Custodian, I believe?

A Yes.

Q In your claim for personal property which you file now have you included any articles which you received from the Custodian?

A No.

Q All right, thank you.

MR. RICE: I take it my learned friend is abandoning to charges made by the Custodian's office, freight charges and the loss on insurance, is that right? It isn't in the summary of evidence.

MR. VIRTUE: That is a matter of argument. The whole question of that is going to be argued independently.

THE SUB-COMMISSIONER: I will reserve that for Mr. Justice Bird.

MR. RICE: I am submitting that the real estate was sold for its fair market value. The electric pump claimed for formed part of the water system, and the electric fixtures, and those are all fixtures and a part of the freehold. I am submitting that the crop was not sold by the Custodian. In any case it was a very poor crop. I am submitting that the chattels were sold for their fair market value.

THE SUB-COMMISSIONER: Nothing was said about a truck. Was there a truck?

MR. RICE: I think the claim for the truck has been abandoned.

MR. VIRTUE: Pardon me for just a moment, sir. No we are not claiming for the truck.

THE SUB-COMMISSIONER: It does not appear to be listed in Exhibit 1. I say, Mr. Virtue, the truck does not appear to be listed in Exhibit 1.

MR. VIRTUE: No.

THE SUB-COMMISSIONER: So that it is abandoned then?

MR. VIRTUE: Yes.

MR. RICE: I submit a farm appraisal report respecting the land.

(APPRAISAL REPORT MARKED EXHIBIT NO. 7).

MR. RICE: I submit two summaries respecting the real property, showing the sale.

(SUMMARIES MARKED EXHIBIT NO. 8).

MR. RICE: I submit an analysis of personal property claim as an exhibit.

(ANALYSIS MARKED EXHIBIT NO. 9).

CROSS EXAMINATION BY MR. RICE:

Q I show you a J.P. form dated the 15th of April, 1942; does that bear your signature?

A Yes.

MR. RICE: I tender the J.P. form as an exhibit.

(J.P. FORM MARKED EXHIBIT NO. 10).

MR. RICE: Q: I show you two releases purporting to be signed by you, both of which are dated November 1st, 1943. Will you look at both

of those documents and tell me if they bear your signature? A: Yes.

MR. RICE: I tender both of these releases, your Honour, as an exhibit.

(RELEASES MARKED EXHIBIT NO. 11).

MR. RICE: They both bear the same date. One releases the Custodian from any claim respecting,

"2 Congoleum rugs (which were in the two front rooms), 1 bed, color brown (complete with spring and mattress), i Bu-tsu-dan (a cabinet-like fixture representing a shrine, used for religious purposes."

The other release releases the Custodian from any claim respecting,

"Dinner sets, platters, dishes, bowls, all chinawares, all pyrex-wares and glass-wares, 'Suri-bachi' (an earthenware container corrugated on the inside), clothes basket filled with cushions, boxful of woman's hats, Japanese kimonos, knitting machine, drafting set for dressmaking, pictures of people, (framed, portraits, etc.), Japanese phonograph, records, all carpenter tools, 2 electric hot plate, electric light extensions, all mechanical tools, books and magazines in Japanese language."

And then in red, "glass-ware does not include sealers."

(RELEASES MARKED EXHIBIT NO. 11).

MR. RICE: Q: I show you a letter dated December 6th,

1942, addressed apparently by you to the Custodian (indicating); is that your letter or was it written for you? A: Yes. I don't remember what it contains but it is my signature.

MR. RICE: Well, I will read it. A letter signed by the claimant and written to Mr. R. O. Richardson, Office of the Custodian, under date of December 6th, 1942.

"Received your letter of the 2nd instant and also the enclosed cheque of $150.00. I wish to know why you didn't send us the whole amount of rental money on my farm totalling $600.00, promised to us by Mr. Keller for the year of 1942. Please mail us the remaining $450.00 as soon as possible."

And there is an item written in in lead pencil which I don't believe is a part of the letter.

"About the crates, Mr. Keller moved into my farm two or three weeks following my leave. After my departure my nephew, T. Fukushima, took charge of my farm and informed them of the crates, but did not set the price for them as it was not his own. I believe there are approximately 350 strawberry crates, about 30¢ each, and 50 rhubarb crates, about 15¢ each. Undoubtedly Mr. Keller has used them up by now. Will you kindly ask him exactly how many there were?

"I would greatly appreciate it if you will send us the correct amount of money received

from Mr. Keller for the crates and the balance of rental payment on my farm."

(LETTER MARKED EXHIBIT NO. 12).

MR. RICE: Q: When you were evacuated you turned your place over to your nephew Fukushima to look after for you? A: Both of my nephews went to the road camp; there was nobody around.

Q Well, that letter said you turned your place over to Fukushima. What did you mean by that?

MR. VIRTUE: Pardon me. My learned friend has again made a statement to the witness which is just a little at variance with the statement in the letter. The statement in the letter is "After my departure my nephew, T. Fukushima, took possession -- charge of my farm and informed them of the crates." That is a little different from the way my learned friend put it.

THE SUB-COMMISSIONER: Well, he was in charge apparently irrespective of how he got it.

A No. I asked my nephew we have to do what we could, but my nephew was already away at the road camp.

MR. RICE: Q: Why did you write a letter to the Custodian saying that your nephew Fukushima had taken charge of your place after you left?

A I didn't leave him in charge of the property; I just asked to watch out for it and to report to the Custodian for me.

Q Did you lease the place to Keller?

A No.

Q Did your nephew Fukushima lease the place to Keller?

A I am not clear on that point. I was under the impression that the Custodian had taken charge.

Q Did your nephew write you and say that he had leased or that the place had been leased to Keller?

A Yes, I received a letter from him to that effect.

Q You received a letter from Fukushima that he had rented the place to J. Keller, and that it was rented for $600.00 a year, is that right?

A I received a notification from Fukushima saying that he had arranged through the Custodian to let the place for $600.00.

Q Then you wrote the Custodian and asked for the rent? A: No, I just left it at that; I didn't write to the Custodian.

Q You didn't write to the Custodian?

A No.

Q Well, did Keller write you and ask for a reduction of the rent? A: No, I received no such letter.

Q Well, did the Custodian write you and say that Keller wanted a reduction inthe rent from $600.00 to $400.00? A: I received a letter from the Custodian after the crop had been taken in saying that Keller couldn't pay more than $400.00 and to please to give him a reduction.

Q Pardon? A: To please okay the reduction.

Q Did you okay the reduction?

A I didn't answer.

Q Did you complain to the Custodian when the place was leased to Keller for $600.00, and your nephew advised you that it had been leased for $600.00?

A No, I didn't do anything about it.

Q I show you a letter dated July 5th, 1945, written by you to the Custodian (indicating); is that your letter and is that your signature?

A Yes, this was written for me by my son and signed by myself.

Q I said it was 1945, it is 1943. I will read it.

"Kindly oblige me by sending me the following articles listed below, found in my home, on 1493 Kennedy Road, R.R. #1, New Westminster, to the above address at your earliest convenience.

"The following articles listed below, were left on the main floor, when I left, but may have been moved by the tenants.

"1. 2 Congeleum rugs (found in two front rooms)

2.1Cabinet gramaphone.

3. 1 (known in Japanese as a Bu-tsu-dan) a cabinet like affair with a imitation shrine built in the inside. A thing pertaining to religion.

4. 1 new bed (color - dark brown) complete with bedstead, spring and mattress."

MR. VIRTUE: May I ask my learned friend if these are the same articles already described in the releases?

MR. RICE: I believe they are.

"The following articles listed below, are upstairs in the west-side wall compartment where we had packed all belongings.

1. 1 set of new dinner dishes in box and all other boxes of dishes.
2. All pyrex wares and also all glass wares.
3. 1 cloth basket containing cushions (complete).
4. 1 box containing women's hats.
5. 1 knitting machine.
6. 1 Drafting set for dressmaking.
7. Japanese kimonos.
8. All carpenter tools.
9. Gramaphone records (all Japanese records and few of the good English ones worth sending).
10. Two electric hot-plates and any other things pertaining to electrical ware as extensions, two-way sockets, etc.
11. 1 (known in Japanese as Su-ri-backi) a earthenware container with a corrugated inside, a cone shaped container.
12. Framed pictures of my father and mother and any others and also portraits & group pictures that you may come across.

"If there are any other articles which may be considered of value to us and worth sending, please do so.

"In the front room upstairs inthe east side wall compartment there are some rice in a 6 gal. crockery and other tin containers, so would like

to have it sent , container and all, especially the crock.

"The dishes are not packed sufficiently so please repack it better, for freight handling.

"Somewhere upstairs, there is a coal oil burning massaging machine, which I would like to have.

"Please take note of our new address."

(LETTER MARKED EXHIBIT NO. 13).

MR. RICE: Q: I show you another letter, typewritten, dated June 11th, 1945; is that your letter and signature to it? A: Yes.

MR. RICE: I will read it and put it in.

"As advised by Mrs. W. E. Carbutt, I am writing to you in connection with my furniture left under the care of Mrs. M. Miller in the summer home of Inspector S. F. M. Moodie, located on the southeast corner of Kennedy and Sandell roads, in Surrey.

"I have written several times to Inspector Moodie but have received no reply and have asked Mrs. Carbutt to look into it and after considerable action on her part with no results, she has evidently contacted you, thus my letter to you.

"The furnitures left at Mr. Moodie's home were as follows:

(1) 3 piece chesterfield suite (color -wine)

(2) 1 electric washing machine (color - white)

(3) 1 Singer sewing machine

(4) 1 mantle clock (color - dark brown)

(5) 1 complete bedroom suite, (bedstead, spring, mattress, vanity with mirror, chiffoneur, vanity bench)

In the drawers of the chiffoneur are the following articles:

1 case of silver ware set

1 set of carving tools

1 pair of satin slippers

1 white satin lace wedding gown, slip and veil.

1 turquoise blue evening gown (sheer) and slip.

1 sweetpea mauve evening gown, marquissette and lace (sheer), and slip.

In the drawers of the vanity there are smaller articles. Please send everything intact.

I would greatly appreciate it if you could look into this at your earliest convenience and have the furnitures sent to me addressed as above to the Taber depot.

Thanking you, I remain."

(LETTER MARKED EXHIBIT No. 14).

MR. RICE: I wish to tender a statement made by Mr. Anderson. He says,

"I have today examined the undermentioned articles and consider them valueless and should be abandoned.

3 bags of fertilizer (too old).

18 H.M. Straw mattresses.

4 Old beds, 1 spring.

1 Glass cabinet. (Cannot be removed from the upstairs, seems to have been built in room)

1 large quilt (rotten)."

MR. VIRTUE: Well, that will go in for information. I take it that Mr. Andersonwill have to attend and give evidence.

(LETTER MARKED EXHIBIT NO. 15).

MR. RICE: Apparently my learned friend's adding machine is out of kilter again. On page 2 where he has $4745.00, I believe the total should be $4675.00.

THE SUB-COMMISSIONER: Referring to Exhibit 1, are you?

MR. RICE: Exhibit1, page 2. And the item $5595.00 will be changed to $5525.00.

Q How old was the horse that you are claiming for?

A It was about six or seven at the time of evacuation.

Q How old was he when you bought him?

A I bought him the year before.

Q How old was he when you bought him? It might be a her instead of a him.

A I bought him the year before and he was about six or seven when I left.

Q Who did you buy the horse from?

A I have forgotten the name of the man. I don't remember the name of the man. He is a man who is selling horses all the time.

Q You are sure that was the horse's age, are you?

MR. VIRTUE: If he is, he is the first person who had a horse that ever was.

A Well, I am not sure of how to judge a horse's age, but the man who sold it was insisting that it was young.

MR. RICE: Q: You value your parlour extension table $35.00 that you paid $40.00 for ten years or eleven years before you were evacuated. Do you call that a fair price?

A It was made of hardwood and it was quite undamaged and I figured that that is what it was worth.

Q By the way, How much did this horse weigh, or do you know?

MR. VIRTUE: What was that; how much did it weigh?

MR. RICE: Yes.

Q Do you know what was the weight of this horse that you are claiming for?

MR. VIRTUE: I suggest to my learned friend that he has gone far enough with the horse now.

A No, I don't.

MR. RICE: Horses here were selling for thirty or forty dollars.

A He wasn't very heavy; he was just ordinary.

Q Now, you say that your crop was worth $2000.00 to you over and above your living?

A Yes.

Q Did you file income tax returns for the year 1942, or for the year 1941, I mean? Surely you can answer that without so much talking?

A No, I didn't.

Q Well, why not?

MR. VIRTUE: What year did you ask him about his income tax returns?

MR. RICE: '41.

THE SUB-COMMISSIONER: He may have had the farmer complex.

MR. VIRTUE: The man was evacuated inthe Spring of '42.

MR. RICE: It would be in '42 for the income for the year 1941.

A I spend a lot of money on the house.

Q You spent a lot of money on your house. You can talk English now. I thought I would stir you up.

A I spend it lot of money on the house, so that when came time I don't have anything.

THE SUB-COMMISSIONER: When he was giving his statement as to the money that he got from his crop, he said that was gross, didn't he?

MR. RICE: No, he said he made his living expenses on top of that, as I understood it. My learned friend took the trouble to bring that out.

MR. VIRTUE: He indicated that he got his living out of the other small fruits; at least, that was the inference.

THE SUB-COMMISSIONER: He got $2650.00; that is what he got for his stuff.

MR. RICE: Plus his living out of the small fruits.

THE SUB-COMMISSIONER: And then some living out of the small fruits, so that the $2650.00 wouldn't be all profit.

MR. VIRTUE: Oh, no.

MR. RICE: Why not?

THE SUB-COMMISSIONER: There would be expenses charged up against that.

MR. RICE: He didn't suggest there were any expenses.

THE SUB-COMMISSIONER: He did not suggest any expenses,

but that is the inference to be made from the evidence as given by him.

MR. RICE: But his own work can't be deducted as expenses as far as income tax is concerned.

THE SUB-COMMISSIONER: I am thinking about its relation to the value of the land; I am not worrying about income tax.

MR. RICE: He was thinking of getting it on the valuation of land, but when you consider income tax it puts a different light on it.

THE SUB-COMMISSIONER: Of course, spending the money on the buildings, taking into consideration income tax, it wouldn't be all taxable.

MR. VIRTUE: I suggest to my learned friend that we are getting too far afield again.

MR. RICE: Not at all. I would suggest that the natural inclination of any man whose crop was worth $2600.00 and if it was sold by the Custodian for $600.00 that there would be a howl at once, but there was nothing of the kind.

THE SUB-COMMISSIONER: There would be some expenses against that $2650.00, and it seems to me that there should be something said about that.

MR. RICE: Q: How much would it cost you to take off that crop? A: It costs quite a lot. For strawberries I would need about seven or eight pickers.

Q And then it costs you for crates and everything else too.

THE SUB-COMMISSIONER: Yes, there is all that overhead.

A Yes.

MR. RICE: Q: Then you have another claim here for 16 camp mattresses. You say they cost you $48.00. What did you do, fill those with straw?

A Yes. I bought those from the store. They were filled with straw.

Q And after using them five years you say they are only worth a dollar apiece less?

A Yes.

THE SUB-COMMISSIONER: Any questions, Mr. Virtue?

MR. VIRTUE: Yes, I want to ask him one question.

RE-DIRECT EXAMINATION BY MR. VIRTUE:

Q This stuff that was shipped to you by the Custodian including your dinner set and the glassware and so on and so on, what sort of condition was it in when it arrived? A: Outside of the glassware which quite a bit was broken, everything else came in quite fair condition. I am not saying anything; I am not complaining about that.

Q But the glassware, so much of it was broken?

A Yes.

Q All right, thank you.

MR. RICE: Q: Did you know that the horse died in December?

A I don't know. I never heard.

Q So far as we know this is the only horse that survived the evacuation until the following December.

THE SUB-Commissioner: Well, they missed the two cats that are in the J.P. form.

MR. VIRTUE: I want to put in a memorandum re sale of

chattels signed by a man named Johnson from the Custodian's office. The only reason I am putting it in is this: "List of chattels sold," and these were sold to a private party, "List of chattels sold: Table, dresser, hose, cultivator, plow, box heater," for $10.00.

(LIST MARKED EXHIBIT NO. 16).

MR. VIRTUE: In connection with the farm appraisal report, I call attention to the fact that the nearest rail point was Kennedy, by B.C. Electric, a distance of a mile and a half; the market town, New Westminster, six miles. Nearest school, a mile and a half. "Roads: Gravel, good, one mile from highway." "Water supply: From well, electric pump and pressure tank." "Electricity in buildings."

Now, on the second page, "Farm in very poor shape, rented late and very weedy," which confirms what this man says, "Soil is quite ggod if cleared up and cover-cropped and manured. Crops poor, humus required. Rented from Custodian by J. Keller for $600.00, $300.00 paid in cash, balance to come out of crop."

Now, on the third page, after giving the acreage of small fruits, strawberries, currants, rhubarb, beans, vegetables, the present value left entirely blank. And the 15 acre property in that district is then valued at $1300.00. That is all, sir. (Witness aside)

**Property Not Insured** **3.** Unless otherwise specifically stated in the policy, money, books of account, securities for money, evidences of debt or title, and automobiles, tractors and other motor vehicles, are not insured.

**Risks Not Covered** **4.** Unless otherwise specifically stated in the policy, the insurer is not liable for the losses following, that is to say:

*(a)* for loss of or damage to property owned by any person other than the insured, unless the interest of the insured therein is stated in the policy;

*(b)* for loss or damage caused by invasion, insurrection, riot, civil commotion, military or usurped power;

*(c)* for loss due to the want, within the knowledge of the insured, of good and substantial chimneys; or caused by ashes or embers being deposited, with the knowledge and consent of the insured, in wooden vessels; or by stoves or stove-pipes being, to the knowledge of the insured, in an unsafe condition or improperly secured; or

*(d)* for loss of or damage to goods while undergoing any process in or by which the application of fire heat is necessary.

**Risks Not Covered Except By Special Permission** **5.** Unless permission is given by the policy or endorsed thereon, the insurer shall not be liable for loss or damage occurring:

**Repairs** *(a)* to buildings or their contents during alteration or repair of the buildings and in consequence thereof; fifteen days being allowed in each year for incidental alterations or repairs without such permission;

**Inflammable Substances** *(b)* while illuminating gas or vapour is generated by the insured, or to his knowledge, in the building insured or which contains the property insured, or while there is stored or kept therein by the insured, or to his knowledge, by any person under his control, petroleum or any liquid product thereof, coal oil, camphene, gasoline, burning fluid, benzine, naptha, or any of their constituent parts (refined oil for lighting, heating or cooking purposes only, not exceeding five gallons in quantity, gasoline, if contained in a tightly closed metallic can free from leaks and not exceeding one quart in quantity, or lubricating oil not being crude petroleum nor oil of less specific gravity than is required by law for illuminating purposes, not exceeding five gallons in quantity, excepted), or more than twenty-five pounds weight of gunpowder, dynamite or similar explosives;

**Change of Interest** *(c)* after the interest of the insured in the subject-matter of the insurance is assigned, but this condition is not to apply to an authorized assignment under *The Bankruptcy Act* or to change of title by succession, by operation of law, or by death;

**Vacancy** *(d)* when the building insured or containing the property insured is, to the knowledge of the insured, vacant or unoccupied for more than thirty consecutive days, or being a manufacturing establishment, ceases to be operated and continues out of operation for more than thirty consecutive days.

**Explosion and Lightning** **6.** The insurer will make good loss or damage caused by lightning or by the explosion of coal or natural gas in a building not forming part of gas works, whether fire ensues therefrom or not; and loss or damage by fire caused by any other explosion; but, if electrical appliances or devices are insured, any loss or damage to them caused by lightning or other electrical currents is excluded and the insurer shall be liable only for such loss or damage to them as may occur from fire originating outside the article itself.

**Material Change** **7.** Any change material to the risk and within the control and knowledge of the insured shall avoid the policy as to the part affected thereby, unless the change is promptly notified in writing to the insurer or its local agent; and the insurer when so notified may return the unearned portion, if any, of the premium paid and cancel the policy, or may notify the insured in writing that, if he desires the policy to continue in force, he must within fifteen days of the receipt of the notice pay to the insurer an additional premium, and in default of such payment the policy shall no longer be in force and the insurer shall return the unearned portion, if any, of the premium paid.

**Other Insurance** **8.** *(a)* If the insured has at the date of this policy any other insurance on property covered thereby which is not disclosed to the insurer, or hereafter effects any other insurance thereon without the written assent of the insurer, he shall not be entitled to recover more than sixty per cent. of the loss in respect of such property; but if for any fraudulent purpose the insured does not disclose such other insurance, this policy shall be void.

*(b)* The insurer shall be deemed to have assented to such other insurance unless it dissents by notice in writing within two weeks after notice thereof.

*(c)* In the event of there being any other insurance on property herein described at the time of the happening of a loss in respect thereof, the insurer shall be liable only for payment of a rateable proportion of the loss or a rateable proportion of such amounts as the insured shall be entitled to recover under clause *(a)* of this condition.

**Mortgagees and Other Payees** **9.** Where the loss, if any, under a policy has, with the consent of the insurer, been made payable to some person other than the insured, the policy shall not be cancelled or altered by the insurer to the prejudice of such person without reasonable notice to him.

**Termination of Insurance** **10.** (1) The insurance may be terminated:

*(a)* subject to the provisions of condition **9**, by the insurer giving to the insured at any time fifteen days' notice of cancellation by registered mail, or five days' notice of cancellation personally delivered, and, if the insurance is on the cash plan, refunding the excess of premium actually paid by the insured beyond the *pro rata* premium for the expired time;

*(b)* if on the cash plan, by the insured giving written notice of termination to the insurer, in which case the insurer shall, upon surrender of this policy, refund the excess of premium actually paid by the insured beyond the customary short rate for the expired time.

(2) Repayment of the excess premium may be made by money, post office order or postal note or by cheque payable at par and certified by a chartered bank doing business in the Province. If the notice is given by registered letter, such repayment shall accompany the notice, and in such case the fifteen days mentioned in clause *(a)* of this condition shall commence to run from the day following the receipt of the registered letter at the post office to which it is addressed.

**Salvage** **11.** After any loss or damage to insured property, it shall be the duty of the insured, when and as soon as practicable, to secure the insured property from further damage, and to separate as far as reasonably may be the damaged from the undamaged property, and to notify the insurer of the separation.

**Insurance on Goods Moved** **12.** If any of the insured property is necessarily removed to prevent damage or further damage thereto, that part of the insurance under this policy which exceeds the amount of the insurer's liability for any loss already incurred shall for seven days only, or for the unexpired term if less than seven days, cover the property removed and any property remaining in the original location in the proportions which the value of the property in the respective locations bears to the value of the property in them all; the insurer will contribute *pro rata* towards any loss or expense connected with such act of salvage, according to the respective interests of the parties.

**Entry, Control, Abandonment** **13.** After any loss or damage to insured property, the insurer shall have an immediate right of access and entry by accredited agents sufficient to enable them to survey and examine the property, and to make an estimate of the loss or damage, and, after the insured has secured the property, a further right of access and entry sufficient to enable them to make an appraisement or particular estimate of the loss or damage, but the insurer shall not be entitled to the control or possession of the insured property, or the remains or salvage thereof, unless it accepts a part thereof at its agreed value or its value as ascertained according to condition 17 or undertakes replacement under condition 19, and without the consent of the insurer there can be no abandonment to it of insured property.

**Who To Make Proof of Loss** **14.** Proof of loss must be made by the insured, although the loss is payable to a third person, except that, in case of the absence of the insured or his inability to make the same, proof may be made by his agent, such absence or inability being satisfactorily accounted for, or in the like case or if the insured refuse to do so, by a person to whom any part of the insurance money is payable.

**Requirements After Loss** **15.** Any person entitled to claim under this policy shall:

*(a)* forthwith after loss give notice in writing to the insurer;

*(b)* deliver, as soon thereafter as practicable, a particular account of the loss;

*(c)* furnish therewith a statutory declaration declaring:

(i) that the account is just and true;

(ii) when and how the loss occurred, and if caused by fire, how the fire originated, so far as the declarent knows or believes;

(iii) that the loss did not occur through any wilful act or neglect or the procurement, means or connivance of the insured;

(iv) the amount of other insurances and names of other insurers;

(v) all liens and encumbrances on the property insured;

(vi) the place where the property insured, if movable, was deposited at the time of the fire;

*(d)* if required and if practicable, produce books of account, warehouse receipts and stock lists, and furnish invoices and other vouchers verified by statutory declaration, and furnish a copy of the written portion of any other policy. The evidence furnished under this clause shall not be considered proofs of loss within the meaning of conditions 18 and 19.

**Fraud** **16.** Any fraud or wilfully false statement in a statutory declaration, in relation to any of the above particulars, shall vitiate the claim of the person making the declaration.

**Arbitration** **17.** If any difference arises as to the value of the property insured, the property saved, or the amount of the loss, such value and amount and the proportion thereof, if any, to be paid by the insurer shall, whether the right to recover on the policy is disputed or not, and independently of all other questions, be submitted to the arbitration of some person to be chosen by both parties, or if they cannot agree on one person, then to two persons, one to be chosen by the insured and the other by the insurer, and a third to be appointed by the persons so chosen, or on their failing to agree, then by a Judge of the County or District Court of the County or District in which the loss has happened; and such reference shall be subject to the provisions of *The Arbitration Act*; and the award shall, if the insurer is in other respects liable, be conclusive as to the amount of the loss and the proportion to be paid by the insurer; where the full amount of the claim is awarded the costs shall follow the event; and in other cases all questions of costs shall be in the discretion of the arbitrators.

**When Loss Payable** **18.** The loss shall be payable within sixty days after completion of the proofs of loss, unless the contract provides for a shorter period.

**Replacement** **19.** The insurer, instead of making payment, may repair, rebuild or replace the property damaged or lost, giving written notice of its intention so to do within fifteen days after receipt of the proofs of loss. In such event the insurer shall commence to so repair, rebuild or replace the property within thirty days after receipt of the proofs of loss and shall thereafter proceed with all due diligence to the completion thereof.

**Action** **20.** Every action or proceeding against the insurer for the recovery of any claim under or by virtue of this policy shall be absolutely barred unless commenced within one year next after the loss or damage occurs.

**Agency** **21.** Any officer or agent of the insurer who assumes on behalf of the insurer to enter into a written agreement relating to any matter connected with the insurance shall be deemed *prima facie* to be the agent of the insurer for the purpose.

**Waiver of Condition** **22.** No condition of this policy shall be deemed to have been waived by the insurer, either in whole or in part, unless the waiver is clearly expressed in writing signed by an agent of the insurer.

**Notice** **23.** Any written notice to the insurer may be delivered at or sent by registered post to the chief agency or head office of the insurer in the Province or delivered or so sent to any authorized agent of the insurer therein. Written notice may be given to the insured by letter personally delivered to him or by registered letter addressed to him at his last post office address notified to the insurer, or, where no address is notified and the address is not known, addressed to him at the post office of the agency, if any, from which the application was received.

**Subrogation** **24.** The insurer may require from the insured an assignment of all right of recovery against any other party for loss or damage to the extent that payment therefor is made by the insurer.

# Farm Appraisal Report

Remarks: Property is located at 1493 Kennedy Road, near the intersection of Kennedy and Sandell roads, about 1 mile from the highway. The soil on this lot is fairly good but has not been kept built up and lacks humus and is rundown. It was not rented this year until on in May, with the result that it has not been properly farmed this year and is very weedy. The strawberries must be old as they are poor. It has a very neglected appearance. Land to be cleared has a light second growth with some stumps. The house is in poor shape and would require considerable improvements to be lived in during the winter. The one rhubarb forcing house is in good shape but the balance of buildings are poor and of little value. There is a little barbed wire fencing on the west lot, it is in poor shape. Water is obtained from a well by electric pump and pressure tank and apparently the well does not go dry readily. There is electric light in the buildings. Soil is quite good if built up but property in poor shape.

Dear Sir,

Received your letter of the 2nd instant and also the enclosed cheque of $150.00. I wish to know why you didn't send us the whole amount of Rental Money on my farm totalling $600.00 (promised to us by Mr. Keller for the year of 1942.) Please mail us the remaining $450.00 as soon as possible. ("$400. only received from Kellar")

About the crates --- Mr. Keller moved into my farm two or three weeks following my leave. After my departure my nephew, T. Fukushima took charge of my farm and informed them of the crates but did not set the price for them as it was not his own. I believe there are approximately 350 strawberry crates (about 30¢ each) and 50 rhubarb crates (about 15¢ each). Undoubtedly Mr. Keller has used them up by now. Will you kindly ask him exactly how many there were? (225 see "Inventory")

I would greatly appreciate it if you will send us the correct amount of money received from Mr. Keller for the crates and the balance of Rental Payment on my farm.

Thank you.

Yours truly,

"A. Sato"
