TAKEO FUJISHIGE, the Claimant herein, being
first duly sworn, testified as follows:

DIRECT EXAMINATION BY MR. CHERNIAK:

Q Mr. Fujishige, I show you two typewritten
statements, were these prepared in accordance
with your instructions?

A Yes.

Q Are these your signatures?

A Yes.

10 Q Do you swear the contents to be true to the best
of your knowledge and recollection?

A Yes.

MR. CHERNIAK: I tender the Real Estate Statement as
Exhibit 1, Your Honour.

(REAL ESTATE STATEMENT, EXHIBIT 1.)

MR. CHERNIAK: And I tender my learned friend's S.S.B.
appraisal form, on his behalf, as Exhibit 2.

(S.S.B.APPRAISAL, EXHIBIT 2.)

MR. CHERNIAK: And I tender my personal chattel
statement as Exhibit 3.

20

(PERSONAL CHATTEL STATEMENT
EXHIBIT 3.)

MR. CHERNIAK: And on behalf of my learned friend
I tender the Custodian's Analysis Sheet as Exhibit
4.

(ANALYSIS SHEET, EXHIBIT 4.)

MR. CHERNIAK: Your Honour will note on Exhibit 1
that the claimant sets out that of his 4.8 acres,
2.8 acres were not cleared and 2 acres were cult-
ivated. I would like to bring Your Honour's

30

T. Fujishige.

attention to Exhibit 2 wherein the S.S.B. appraiser states that $1\frac{1}{2}$ acres only were cultivated or cleared and he shows 3.58 acres as uncleared. I don't know whether it is necessary to file this but I think I can bring Your Honour's attention to the fact that in the Custodian's file there is a report by a Custodian's representative named Moryson, dated July 8th, 1942,; I think perhaps I should file it if my learned friend does not mind. This is a written report that was made early after evacuation Your Honour. It sets out the chattels which are also set out in Exhibit 4 and it shows, in regard to the acreage, that there are 4.83 acres, $2\frac{1}{2}$ cleared and the rest in bush. It is signed by J. Moryson and H.J. Logan I think it is. I believe both these people are representatives of the Custodian's office. That is in regard to the dispute in the amount of the cleared land there was at the date of the appraisal.

(REPORT ON EVACUATED JAPANESE PROPERTY
EXHIBIT 5.)

MR. CHERNIAK: The witness sets out, Your Honour, that he purchased this property in the Fall of 1940 and that he bought it in tax sale through an agent named Seedhouse. It was all bush at that time and he paid \$200.00 for it. He cleared about 2 acres in 1941 and although he does not estimate his own labour and that of some helpers he states that the bulldozer alone cost him \$80.00.

T. Fujishige
In Chief.

In addition he dug a small well. He built a house 20 x 24 and he shows the cost of material at \$450.00 and of labour \$60.00 and the estimate of his own labour and that of his father-in-law and two brothers as \$200.00. The total cost, therefore, amounts to \$710.00 for this house and the addition which was unfinished. All this, Your Honour, was done in October, 1941. His comment is that the property was bought cheaply in tax sale. He had just started to develop it and the house had only been lived in for about 3 months. He states that on the basis of cost, time and his labour on it, the location and the rising value of real estate, he believes that the fair market value of the land and buildings at the date of sale was at least \$1,100.00. I should bring Your Honour's attention to the fact that Exhibit 2 indicates that the appraiser never got inside the house and therefore had no idea what it was like. The location of the property is indicated by Exhibit 2, the appraiser's report, which shows that it is half a mile from Kennedy, New Westminster, on the Hellings Road which is gravelled to the Scott road. Other than that it is only a matter of value Your Honour. Perhaps my learned friend can give you the assessed value of the property.

MR. FERG: It is in the Municipality of Delta, Your Honour and the assessed value is land \$500.00, improvements \$1,500.00.

T. Fujishige
In Chief.

MR. CHERNIAK: The total, therefore, Your Honour, is \$2,000.00 or \$900.00 more than the Claimant is asking. In regard to the personal chattels, exhibit 3, the claimant sets out all his chattels he is claiming in his statement, showing when the goods were purchased, the amount paid and his own estimate of the value. The Custodian does not dispute what was found there. The Inventory, which I have already filed as
10 Exhibit 5 indicates that, or is Exhibit 4, it? It does show \$3.00 not accounted for theft, etc., and the balance abandoned, and showing in the remarks that these goods were not worth the expense of moving. The mere fact that the Custodian files this exhibit and says what is in there is not proof of such matters and he will be called upon to prove the remarks in this statement. I don't see the necessity of cluttering up the file with Exhibits and I
20 think my learned friend will admit that on his file is a lease of the property made by the Custodian and dated December 10th, 1942. In this lease the kitchen stove, item No. 1; 3 kitchen chairs, item No. 6; and a heater, item No. 9 are included in that lease, this having been made by the Custodian. I think again my learned friend will confirm my statement that the Claimant received no share of that rent for these goods and that to me, as well as to Your
30 Honour, did have some value if they saw fit to

T. Fujishige

put them into the lease.

MR. FERG: That is correct, the kitchen range, heater and three kitchen chairs were included in the rent and hire agreement. I presume the rental covers the property as well as the chattels, \$5.00 a month?

THE COMMISSIONER: The whole property was rented for \$5.00 a month.

MR. FERG: Yes, Your Honour, \$60.00 a year.

10 MR. CHERNIAK: Rented by the Custodian, Your Honour.

MR. FERG: It is submitted Your Honour that the real property sold at its fair market value and that the chattels sold were sold at their fair market value - - -

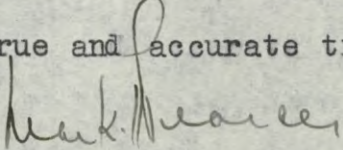

THE COMMISSIONER: There was no sale made.

MR. FERG: I am sorry, Your Honour, there were none sold but they were abandoned by the Custodian as valueless. There are no questions Your Honour.
