Re: Case No. 1189 - Sakuhei IZUKAWA

Claim:		
	Drug Store Stock	$ 3877.24
	Store Fixtures	546.00
	Furniture	215.00
		$ 4638.24

Canadian Credit Men's Trust Association (CCMT) on May 19, 1942, reported on the drug store, etc. (Exhibit #9) and their report noted:

(a) Household furnishings valued "roughly" at $6.50.

(b) Much of the drug store stock was of Japanese origin.

(c) As store in the heart of the Japanese section of Vancouver it would be unlikely that anyone would be willing to acquire and operate the store.

CCMT on June 23, 1942 (Exhibit #9) valued the stock at $3877.25 and fixtures at $356.00, being a total of $4233.24. They also enclosed a copy of an authority from the Claimant under date of June 16, 1942, to effect a sale in the manner considered by CCMT to be most advantageous.

CCMT on June 27-29, 1942, advertised for tenders in the local papers (Exhibit #10) and on July 7, 1942, received one tender from Russell & Company of 26¢ on the dollar (Exhibit #9).

CCMT (Exhibit #9) on July 13, 1942, to Custodian noted that Thompson & Binnington, Auctioneers, indicated that $2000.00 could be expected from a public auction as opposed to $1100.00 if Russell & Company's offer was accepted.

CCMT recommended that as they considered $500.00 more than Russell & Company's $1100.00 could be secured by auction, that the Custodian authorize them to proceed by auction.

Custodian telegram to Claimant July 15, 1942, (Exhibit #8) advised them that $1100.00 had been offered, also that about $1400.00 could possibly be realized by auction and requested them to indicate their choice.

Claimant's telegram (Exhibit #8) of July 17, 1942, to Custodian stated "Please sell stock to best advantage".

CCMT letter of July 22, 1942, (not an Exhibit) notes Russell & Company had increased their previous offer to $1300.00.

Custodian instructed CCMT by telephone to accept this offer, this being done.

? about 50% why not sell where Japs were

CCMT on July 15, 1948 (Exhibit #9) note most of the stock consisted of patent medicines and drugs of Japanese manufacture.

Claimant on August 11, 1942 (Exhibit #8) wrote thanking the Custodian for selling the stock at $1300.00.

Thankful get anything!

Points:

(1) Claimant is claiming on valuation placed on stock by CCMT and has added $200.00 to their valuation of the fixtures.

(2) Thompson & Binnington's estimate of auction returns ($2000.00) evidently considered by CCMT to be high, as CCMT later note that $500.00 more than Russell & Company's offer of $1100.00 might be realized if goods sold by auction. (The Auctioneer's estimate, in order to get the business, conceivably would be high).

(3) If the stock had been sold by auction it is problematical as to whether gross auction receipts less expenses would have given as much net return to the Claimant as a sale at $1300.00. It is safe to consider that few people would bid on Japanese patent medicines and any druggist at the auction would more than likely content himself by bidding solely on Occidental goods. By this, a large proportion of the stock would have been left as unsaleable.

Test is fair MKT value in terms Diggen & Hubbert v Regem 1949 SCR

FURNITURE:

CCMT on May 19, 1942 (Exhibit #9) valued the furniture at $6.50.

CCMT on June 4, 1942 (not Exhibit) noted an offer from Mr. Fred James to purchase at $6.50 and requested instructions.

Custodian on June 9, 1942 (not an Exhibit) to CCMT state ".....As the household effects are of so little value we agree that subject to your being of the opinion that the price paid is equitable, they be sold at not less than the price of $6.50 noted in the inventory..."

Sold by CCMT to James at $6.50.

Other items claimed on at $40.00 were declared but not found, and a further group at $125.00 were never declared or recorded.

Furniture Analysis:

Goods valued at	$ 50.00 -	sold by tender for $2.50
Goods valued at	40.00 -	Declared Not Found
Goods valued at	125.00 -	No Record at any Time
	$215.00	

Further receipts of $4.00 not applicable to Claim.

HIS HONOUR, JUDGE M. A. MILLER, SUB-COMMISSIONER.

Toronto, Ontario,

October 29, 1948.

IN THE MATTER OF THE CLAIM OF

SAKUHEI IZUKAWA

PROCEEDINGS AT HEARING

APPEARANCES:

K.A. CHRISTIE, ESQ., K.C.	appearing for the Dominion Government.
R. A. BEST, ESQ.,	appearing for the Claimant.

A. SMITH, ESQ.	Secretary.
D. J. HANDFORD, ESQ.	Official Interpreter
J.B. McGREGOR, ESQ.	Official Reporter.

SAKUHEI IZUKAWA, the claimant, herein, being first duly sworn, testified through the interpreter as follows:

DIRECT EXAMINATION BY MR. BEST:

Q. Is that your signature? A. Yes.

Q. Was that form prepared upon your instructions?

A. Yes.

Q. And you swear the contents of it are true?

A. Yes.

Q. I am filing, your honour, as Exhibit 1, Personal Chattels Claim Form. Actually I think it is on the wrong form. However, it is self-explanatory when you see the entry on it.

(PERSONAL CHATTELS CLAIM FORM, MARKED EXHIBIT NO. 1)

Q. I understand that before the evacuation you carried on a drug store business on Powell street in Vancouver, is that right? A. Yes, sir.

Q. Are you a graduate druggist yourself?

A. No.

Q. But you were the owner of this business?

A. Yes.

Q. When were you evacuated?

A. March 7th, 1942.

Q. I understand at that time you transferred the business to your wife, Kane Izukawa, is that correct?

A. Yes.

Q. And you had a man called Mori who acted as manager of the store? A. Yes.

Q. He was still there after you left? A. Yes.

Q. As the inventory reveals, we are relying entirely on the inventory that the Canadian Credit Mens'

Trust Association made of the claimant's business, and I believe there is really only one copy of that, which is in Mr. Christie's file. I suppose we can file that as an exhibit.

MR. CHRISTIE: I have no objections.

MR. BEST: I am not suggesting anyone is going to go through the thing in detail. There is just one copy and I think it shows the total figure we are claiming, $3,877.24. That is the cost price inventory.

HIS LORDSHIP: I think it had better go in as an exhibit, if anyone wants to look at it then can do so.

MR. CHRISTIE: At the request of the claimant's counsel I tender the inventory of the Canadian Credit Mens' Trust Association as Exhibit 2.

(INVENTORY OF STOCK MARKED EXHIBIT NO. 2)

MR. BEST: Now, I do not suppose you know anything personally about the Canadian Credit Men going into your store and making an inventory of all the stock you had there at the time? A. No.

Q. I understand your wife and Mr. Mori were still there? A. Yes, Mr. Mori and the Custodian's officer also checked the stock.

Q. You are relying, as your claim has said, upon the valuation they put on it; the stock was valued at $3877.24; is that right? A. Yes.

Q. Now, is that your signature?

A. Yes.

Q. Was that form prepared upon your instructions?

A. Yes.

Q. This is the Personal Chattels claim form which lists the fixtures and equipment of the drug store on Powell Street.

(PERSONAL CHATTELS CLAIM FORM, MARKED EXHIBIT 3)

Q. You had been in business at this particular place since 1931, had you? A. Yes.

Q. And most of the fixtures and equipment that were in your store at the time of evacuation you apparently purchased with the business in 1931?

A. Yes, nevertheless there are some things I bought after.

Q. The only ones as I understand it you bought afterwards was this compact display, which you purchased in 1937 for $45. and the others as shown on your claim, is that correct? A. Yes.

Q. Incidentally, did you buy this compact display froma cosmetic firm? A. Yes.

Q. What was the gas stove used for?

A. It was to heat the office.

Q. Was this a new electric clock you bought in 1932 for $29.? A. Yes.

Q. And what kind of typewriter was this you had? A. It was a portable.

Q. Do you know the make? A. Royal.

Q. And what make was the cash register?

A. I don't know the name of that.

Q. Your honour, there is a little question as to the actual ownership of this business since what had happened was that this claimant had owned the business since 1931, but at the time of evacuation he had con-

veyed it to his wife and she was evacuated several months later, so just to clear that point up I am filing as Exhibit 4 an authorization signed by his wife on his behalf. It reads:

"This is to certify that, I Kane Izukawa hereby name my husband Sakuhei Izakawa as the sole claimant and transfer all my rights and power to collect the loss which have been reported to the Office of the Custodian previously under joint ownership."

(AUTHORIZATION MARKED EXHIBIT NO. 4)

Q. I understand that you are not making any claim as a result of the sale of this business either for accounts receivable or good will, is that correct? A. No.

Q. THE SUB-COMMISSIONER: In connection with Exhibit 3, it says the claimant bought the fixtures when purchasing the business in 1931 for $1000. Just what does that mean, he paid $1000. in 1931 for the fixtures or business and fixtures?

MR. BEST: When you bought this business in 1931 you paid $1000. for everything, did you?

A. No.

Q. What did you pay the $1000. for?

A. Just the fixtures.

Q. No stock at all? A. When I bought it I bought the furniture and fixtures and good will and everything for $6500.

Q. Well then, I take it you mean on your claim form here that of the $6500., $1000. was represented by fixtures and equipment, is that what you mean?

A. Yes.

THE SUB-COMMISSIONER: The $1000. he paid for fixtures was part of the $6500?

MR. BEST: That is apparently the situation, yes.

Q. This was a business you had bought as a going cocnern for $6500. in 1931? A. Yes.

Q. Now, to get back to this question of your claim; you are not claiming anything for accounts receivable or good will now, is that right?

A. Is it not possible to claim?

THE SUB-COMMISSIONER: The claim as it is made out obviously doesn't include anything for a going concern. If he has any rights there is no use of him saying here he is not claiming for it and throwing it out. I don't suppose he has any, but if he has --

MR. CHRISTIE: It was sold as a going concern anyway.

MR. BEST: I think there will be a consdderable amount of argument in Vancouver about this very sort of thing where the business was taken over.

THE SUB-COMMISSIONER: As a matter of fact the good will was sacrificed will be the argument?

MR. BEST: That was it. Perhaps we should avoid it in this case.

Q. Is that your signature? A. Yes.

Q. Was that form prepared upon your instructions?

A. Yes.

Q. Do you swear the contents of that are true?

A. Yes.

A. Izukawa,
In chf.

(PERSONAL CHATTELS CLAIM FORM MARKED EXHIBIT 5)

MR. BEST: This one is for the claiman'ts personal chattels; the goods he had in his home.

MR. CHRISTIE: I tender as Exhibit 6 the Analysis of Personal Property Claim.

(ANALYSIS OF PERSONAL PROPERTY CLAIM MARKED EXHIBIT NO. 6)

MR. BEST: I understand that you lived at 422 Alexander Street in Vancouver? A. Yes.

Q. And this furniture that you are claiming for, the table and kitchen cabinet and wardrobe and books, they were all left at 422 Alexander Street, were they? A. Yes.

Q. I suppose your wife left them there since she did not leave until after you did? A.Yes.

Q. Now this round table, apparently your wife mentioned it in her original claim form and it wasn't found by the Custodian. Was it a table from a dining room set or what type of table would it be?

A. Part of a dining room suite, the dining room type.

Q. Now, these three paintings that you are claiming $50. for, exactly what type of paintings were they? A. Oil paintings.

Q. Were they done by Canadian artists or Japanese artists; where did you buy them?

A. One I bought from an artist from Europe and the other two were from a Japanese graduate of a Canadian school.

Q. Can you tell us approximately how much you

paid for them? A. The Japanese student was a student from the Toronto Art School. It was $75. altogether.

Q. What type of wardrobe was this; do you know the type of wood? A. It was walnut finish.

Q. And I point out for the record there is a comment on the Analysis of Personal Property, Exhibit 5, which is obviously wrong and I do not think it should be allowed to go unchallenged:

"Claim does not show what portion of total $4,738.92 refers to stock and fixtures, which were sold by tender for $1,300.00 or to the Accounts Receivable - collected."

I think the claim does show we are claiming for the stock in trade and for fixtures and nothing for accounts receivable.

CROSS-EXAMINATION BY MR. CHRISTIE:

Q. I am showing you a J.P. Form dated the 22nd of June, 1942; is that your signature? A. Yes.

(J.P. FORM MARKED EXHIBIT NO. 7)

Q. I am showing you a letter dated June 16th, 1942; will you look at that and tell me did you sign that and did your wife sign that? A. Yes.

Q. This is a letter addressed to the Canadian Credit Men's Trust Association Limited, and states:

"Dear Sirs:

In response to yours of June 2nd, 1942, please accept this letter as your authority to affect a sale for us, as our interest appears, of our prop-

"-erty located at 422 Alexander St., and 249 Powell st., Vancouver, B.C., in the manner considered, in your discretion, to be most advantageous."

(LETTER ABOVE REFERRED TO MARKED EXHIBIT NO. 8)

Q. Then I am showing you a telegram dated the 15th of July, 1942; it is a copy of a telegram and it is addressed to you and your wife:

"Best offer received for drug store stock $1100. Auction Sale would possibly realize about $1400. Advise by wire which method of selling you consider best."

Did you receive that telgram? A. Yes.

Q. Here is a telegram which I believe is in reply, and it is addressed to the Custodian and was sent from Raymond, Alberta. You sent that?

A. Yes.

Q. It states:

"Please sell stock to best advantage."

Then, one more thing; it is a letter dated August 11th, 1942, from Raymond, Alberta, addressed to the office of the Custodian:

"I would like to express my thanks for your kindness of selling our drug store stock for that price of $1,300. Please may we have the expressed value sent to us as soon as possible. File number 4828."

Q. You knew about that letter?

A. Yes.

Q. It was sent with your authority?

A. Yes.

Q. I would like those different things in the one exhibit, exhibit no. 8.

---see Exhibit No. 8.

MR. BREWIN: I don't think they han be called acceptances.

MR. CHRISTIE: They say "advise which method you consider best" and he said "please sell stock to best advantage."

THE SUB-COMMISSIONER: He very carefully didn't commit himself.

MR. CHRISTIE: Who signed the letter of August 11th? A. It was my daughter.

Q. Then, at the request of my learned friend, I file as Exhibit 9 a letter dated May 19th, 1942, from the Canadian Credit Mens' Association to the Custodian. He has also requested a letter from the same parties dated July 13th, 1942. There is a letter between the same parties again, dated August 14th, 1942, and a letter dated June 23rd, 1942, between the same parties. Those all may go in as Exhibit 9.

(FOUR LETTERS ABOVE REFERRED TO MARKED EXHIBIT NO. 9)

Q. Perhaps this may be helpful, a letter dated July 16th, 1948, from the Canadian Credit Men's Trust Association Limited, to the Custodian. I think perhaps that should go in as part of the same exhibit.

---see Exhibit No. 9.

Q. I do not think it is necessary, your honour, for me to examine the witness on the method on which the valuation was arrived at. I think the documents

pretty well stand for themselves. Evidently they were sold on the basis of 26 cents on the dollar. I would like, however, to file an advertisement as Exhibit No. 10, in which these fixtures and drug store stock were advertised for sale by the Canadian Credit Men's Trust Association.

(ADVERTISEMENT MARKED EXHIBIT NO. 10)

Q. When you bought this round table, how old was it at the time of your purchase? A. It was second hand but it was in practically new condition.

Q. Does he know its age when he purchased it?

A. No.

Q. What type of lumber or what type of wood was the kitchen cabinet made of; I am referring particularly to the one that was estimated at $35. and sold for 50 cents by the tender?

A. This was walnut finish.

Q. What condition was it in at the time of evacuation? A. It wasn't damaged in any way.

Q. Where were these paintings left?

A. They were left in the parlour, all the things were collected together and left in the parlour.

Q. Will you ask him why he or his wife didn't list them in his J.P. Form. A. It was my idea that everything that was left in the parlour would be included in the declaration.

Q. Then, you received a shipment of some boxes of goods, 27 boxes that were in storage with the Cottrell Cartage Company? A. Yes.

Q. Who stored those boxes there?

A. My wife and the manager, Mr. Mori.

Q. And what was in those boxes generally speaking, these 27 boxes you received from the storage company? A. Those were mostly things that had come from Japan such as Christmas decorations and festival dolls and lacquer ware.

Q. Were there any books among them that he received from the storage company? A. No.

Q. What became of the other 24 boxes that were left with the storage company? A. I remember 27 but I don't recall anything about 24.

Q. I thought he told me that he received three boxes that were shipped to him and I was wondering what became of the 24 that were left?

A. I received 27 boxes.

Q. There must have been other things in these boxes then besides decorations and things of that king. Were there any household goods and things of that kind? A. No.

Q. Was there stock from the store then?

A. Yes.

Q. No household goods except the decorations?

A. No, sir.

Q. How old was this set of Books of Knowledge?

A. In 1938 it cost $50.

Q. Was the set complete? A. Yes.

Q. In what condition? A. I bought that on a basis if 10 families bought a set each a free set would be donated to the school, so my set was hardly used.

Q. Maybe he got the free set? A. No.

MR. CHRISTIE: I wish to file as Exhibit 11 a letter from the Canadian Credit Men's Trust Association to the Custodian in which they have an offer of $6.50 for certain household effects. The letter is dated May 22nd, 1942.

(LETTER ABOVE REFERRED TO MARKED EXHIBIT NO. 11)

(PERSONAL PROPERTY SUMMARY MARKED EXHIBIT NO. 12)

Q. That condlues the defence.

RE-EXAMINATION BY MR. BEST:

Q. There was just one or two points I wanted to bring out. That is a letter that you and your wife sent to the Canadian Credit Men's Trust Association authorizing them to make a sale for you. Now, when you got that letter was that enclosed and typed out as it was there? A. Yes.

Q. You were asked to sign it? A. Yes.

Q. Exhibit 9 was the first letter of May 19th, 1942, from the Canadian Credit Men to the Custodian, and I would just like to read one paragraph into the record; it is under Description of Financial Position:

"Although inventory values have not yet been extended it is reported the stock appears in good condition and was estimated to be worth between $10,000 and $12,000, at the time of our preliminary examination."

Then, one other thing, in fairness to my friend I am glad to read a letter of July 13th, 1942, in reference to stock where they set out their

inventory value, as $3,877.24 for the stock, and $356. for the fixtures.

They go on to say:

"On the basis of the rate indicated above, roughly $4,100 would be recovered."

"As, however, that offer appeared low we obtained an estimate from Messrs. Thompson & Binnington Ltd., Auctioneers, who indicated that a gross amount of approximately $2,000.00 could be expected from a public auction. As that firm is usually reliable in the matter of estimates covering stocks such as the one under consideration, and suggesting that roughly $500. in excess of the sum offered by Russell & Company may possibly be secured, we recommend they be authorized to arrange a public auction as soon as possible."

That is all, thank you.

MR. CHRISTIE: It is submitted, your honour, that the drug store stock and fixtures were sold at their fair market value. It is submitted those articles of personal property that were sold by thader were sold at their fair market value. It is submitted those articles of personal property of which the Custodian had no record and which were not sold by him, that is the Custodian, he is not responsible for.

MR. BEST: There is one further minor point I would like to bring out. Mr. Christie asked you why you hadn't itemized the various items on your J.P. Form. As I understand it your J.P. Form did show

household effects at 422 Alexander Street, as well as certain other things? A. Yes.

Q. I think you said it was your intention that all these goods that were left in the parlour were to be included in that? A. Yes.

Q. I might point out that apparently the Credit Men didn't take the trouble to break down the household effects, but my friend submitted a tender for $6.50 for household effects.

Attention: Mr. C. L. Drewry

Office of the Custodian,
Royal Bank Building,
Vancouver, B. C.

Dear Sir:

Regd. No. 00883
re: Kane IZUKAWA, 422 Alexander St., Vancouver, B.C.

Pursuant to your instructions of April 28th, 1942, our representative prepared a report on the position of affairs after interviewing Mr. Tanichi Mori who is in charge of the drug store at 249 Powell St., Vancouver, B. C., previously operated by the declarant and her husband, Sakuhei Izukawa. Resultant details are shown below in the order given in your instructions relative to the filing of agents' reports.

REAL ESTATE AND PERSONAL PROPERTY

Realty:

Kane Izukawa did not declare ownership of any real estate and none has been disclosed as a result of our investigation.

Personal Property:

(a) Household furniture, etc., located at 422 Alexander St., Vancouver, B. C.
(b) Drug store stock of merchandise at 249 Powell St., Vancouver, B. C.

Although personal property mentioned herein has not been established as all that is owned by the declarant, nothing further has yet been revealed from our enquiries to date.

A list of the household furnishings valued roughly at $6.50 is attached hereto. In that connection it might be mentioned that agents for the landlord, The B.C. Land and Investment Agency Ltd., 402 W. Pender St., Vancouver, B. C. have the key to the premises.

Further information regarding the stock of merchandise is included under the "Business" section.

Insurance:

No insurance of any kind has been reported by the declarant or his representative.

Kane IZUKAWA
Regd. No. 00883

BUSINESS

1. Location and nature of business:

Location:
249 Powell Street, Vancouver, B. C.

Nature of business:
Drug store.

2. Particulars of ownership:

It is stated in the JP form completed by the declarant that she is the owner of the business. Our representative, however, formed the opinion from remarks passed during conversations with various interest parties that it actually belongs to her husband, Sakuhei Izukawa, who it is believed is now located in Raymond, Alta.

3. Description of financial position:

Assets:

Although inventory values have not yet been extended it is reported the stock appears in good condition and was estimated to be worth between $10,000 and $12,000 at the time of our preliminary examinations.

In addition, Tanichi Mori advises that book accounts approximate $1000. Further details regarding itemized amounts and addresses of the debtors are being sought.

Liabilities:

No liabilities were reported by the declarant. We are, nevertheless, seeking verification of that status through other channels. Meantime, the Dominion and Provincial Governments have been requested to provide clearances with respect to any amounts owing their various departments.

Owner of the store premises is said to be S. Mizuhara of 243 Powell Street, Vancouver, B. C. That party has advised the rent at the rate of $27.50 per month, was paid in full to May 1st, 1942. It was also reported through the offices of the B. C. Land & Investment Agencies Ltd., that rent at the rate of $15.00 per month on the dwelling at 422 Alexander Street, Vancouver, B. C., was paid to April 26th, 1942.

4. Insurance in force:

As already indicated, there is no evidence of any insurance coverage.

5. Contracts affecting business:

No contracts have been revealed during the course of our enquiry.

6. Prospects for continuing business:

In view of the fact the store is located in the heart of the Japanese section, it is considered unlikely that any purchaser would be willing to acquire and operate the store.

7. General remarks:

Before joining her husband in Raymond, Alta., we are advised that Kane Izukawa left the business in charge of one Tanichi Mori. Our representative has further reported that Mori is in possession of written instructions signed by Sakuhei Izukawa to the effect that the former should remain in control of the undertaking and operate it as long as possible. Tanichi Mori's evacuation permit expires on May 15th, 1942. In the meantime he is compiling an inventory of the merchandise and has undertaken to give us the keys of the premises when the list is completed and final instructions regarding his removal are received.

It has been pointed out that much of the stock is of Japanese origin and would possibly have a better market amongst the Japanese residents.

RECOMMENDATIONS

Under the circumstances it is suggested that consent to a bulk sale be obtained from the owner as soon as possible. With regard to the household furnishings, it is further suggested the owner be advised to consent to a sale to second-hand furniture or other dealers for the best price obtainable.

Trusting you will favour us with your instructions at an early date, we remain

Yours truly,

Dear Sir:

re: Kane IZUKAWA - 249 Powell St. - Your file No. 4828

Resulting from the advertisement in the above matter, we received an offer at 26¢ on the dollar for the stock and fixtures, from Messrs. Russell & Co. Copy of the bid is enclosed for your records. The values as originally listed in our report are as follows:

Stock	$ 3,877.24
Fixtures	356.00

On the basis of the rate indicated above, roughly $1,100.00 would be recovered.

As, however, that offer appeared low we obtained an estimate from Messrs. Thompson & Binnington Ltd., Auctioneers, who indicated that a gross amount of approximately $2,000.00 could be expected from a public auction. As that firm is usually reliable in the matter of estimates covering stocks such as the one under consideration and suggesting that roughly $500.00 in excess of the sum offered by Russell & Company may possibly be secured, we recommend they be authorized to arrange a public auction as soon as possible.

Trusting we may have your further instructions in due course, we remain

Yours truly,

Dear Sir:

Re: Sakuhei IZUKAWA, 249 Powell St., Vancouver,
B. C. - Your File No. 145

Pursuant to your instructions in the above matter, we take pleasure in submitting a report on the position of affairs at the time of our investigation.

REAL ESTATE AND PERSONAL PROPERTY

Realty:

The form of declaration filed in this matter does not indicate that the subject party claims ownership of real estate, nor has any been disclosed as a result of our investigations.

Personal Property:

It is understood there was household furniture in the declarant's residence at 422 Alexander Street, Vancouver, B. C., although it is now reported most items had been removed by Mr. Izukawa and consequently not disclosed at the time the affairs were directed to our attention. It should be borne in mind that certain assets claimed as the property of the husband were already realized during and included in the administration of the wife's affairs (see your file No. 4828, Kane Izukawa).

There was also an inventory of stock and fixtures located in the drug store operated by the subject party, details of which are shown later in the business section.

BUSINESS

1. Nature and location of business:

Sakuhei, together with his wife Kane Izukawa, evidently operated a drug store under the name of 'Seishindo Co.' at 249 Powell St., Vancouver, B.C. Under written instructions of the owners, the property was left in the care of a Japanese named Kanichi Mori previously at 564 E. Cordova St., Vancouver, B. C., who it is understood had been store manager for a number of years. It was later disclosed that Mori shipped a considerable

BUSINESS

quantity of the merchandise to Izukawa located at P.O. Box 27, Raymond, Alberta, and also sent him all documents and records pertaining to the business.

On being advised of Mori's evacuation, our representative compiled an inventory of the remaining stock and fixtures indicating the following values:

Merchandise	$ 3,877.24
Fixtures	356.00
	$ 4,233.24

The entire stock and all the fixtures were subsequently sold to Messrs. Russell & Co. of Vancouver, B. C., for a total of $1,300.00. This was in accordance with your instructions of June 24th, 1942, re Kane Izukawa, File No. 4828.

2. Particulars of ownership:

Although ownership in the name of Sakuehi Izukawa might be suggested by the JP form provided us in this particular matter, all the property mentioned herein was claimed by the wife, Kane Izukawa, in connection with the file under that name already mentioned. Reference to your letter of June 5th, 1942, File No. 4828, indicates you may already have been in tough with these Japanese for confirmation of the exact status.

3. Description of financial position:

All the assets have been dealt with under the name of Kane Izukawa and as indicated above the proceeds in our hands amount to $1300.00. No liabilities against Sakuhei have been reported to us direct, irrespective of which we have made enquiries in that connection through other channels. The Government Departmentswhich might be interested in this case have been requested to file either clearances or statements showing any outstanding liabilities.

4. Insurance in force:

We have discovered no evidence of insurance coverage, either in the name of Sakuhei or Kane Izukawa.

RECOMMENDATIONS

As all the property disclosed to us has been liquidated under authority

of both the Japanese interested in this matter, we consider there is nothing further to be done at the present time, pending any changes which may be necessitated by further developments.

Dear Sir:

re: Kane IZUKAWA - Your file No. 4828

With reference to yours of the 5th inst., we questioned Mr. Tanichi Mori who, as indicated in our original report, had written authority of the owner to carry on operations at the store, regarding details of the business transacted since evacuation of Mr. Izukawa.

He explained, however, that all books and documents had been sent to Izukawa in Raymond, Alta., but he also advised that a considerable quantity of merchandise was taken from the store and also sent to the declarant.

We have since had an inventory of the stock and fixtures prepared, which indicates the following values:

Merchandise		$ 3,877.24
Fixtures		356.00
	Total	$ 4,233.24.

We have been unable as yet to ascertain the full extent of existing liabilities, but as suggested in our previous report it is likely they will be only a small fraction of the proceeds arising from any contemplated sale of the above assets.

In connection with that feature, we enclose copy of form of authority provided us by Kane and Sakuhei Izukawa, for the purpose of effecting a sale if instructed by you to do so.

We assume, under the circumstances, you will apprise us of your wishes in the matter at an early date.

Your Files 4828 and 10367

We have for acknowledgment your letter of the 9th inst. and as requested are enclosing herewith the inventory prepared by us at the time of the evacuation of the abovementioned.

The stock of this Company consisted principally of drugs and patent medicines, a large portion of which were of Japanese manufacture. Our method of valuation was the reduction of the retail selling price by one-third in the case of standard Canadian or American made goods and by one-half in the case of those of Japanese origin. The cost so arrived at indicated a mark-up of 50% in the former and 100% in the latter.

Should there be any further information shall be please to furnish it on being so advised.

PERSONAL PROPERTY SUMMARY

Files 4828
& 10367

April 17, 1947

Re: Kane IZUKAWA, Reg. No. 00883
& Sakuhei IZUKAWA, Reg. No. 00874

Mrs. Kane IZUKAWA signed a declaration to the Custodian on April 18, 1942, She was evacuated on April 26, 1942.

Mr. Sakuhei IZUKAWA was evacuated March 4, 1942. He signed a declaration to the Custodian on June 22, 1942.

As the assets reported by Mr. & Mrs. IZUKAWA are in general the same assets, and the bulk of the funds received on their behalf by the Custodian have been placed in a joint account, one personal property summary is being made in regard to property belonging to this couple.

Sakuhei IZUKAWA had operated a retail drug store, under the name "Seishindo Co." at 249 Powell Street. Following the evacuation of Mrs. IZUKAWA, this store was left in the care of the store manager, Kanichi MORI, who before his evacuation, supplied a list of the stock and fixtures of the store and gave the following valuations:

Stock.....	$3,496.75
Store Fixtures.....	333.00
Office Fixtures.....	127.00
	3,956.75

This business was handed by the Custodian to the Canadian Credit Men's Trust Ass'n for investigation, and that organization reported on August 12, 1942, that an inventory of the stock and fixtures gave the following valuation:

Merchandise.....	$3,877.24
Fixtures.....	356.00
	4,233.24

With the approval of Sakuhei IZUKAWA, the merchandise and fixtures were sold on September 22, 1942, for the gross sum of $1,300.00. The only expenses charged in connection with the sale were the advertising costs, which amounted to $26.25. The net proceeds of this sale therefore were $1,273.75, which were placed in a joint account to the credit of Kane and Sakuhei IZUKAWA, as both had declared the goods and fixtures.

Mrs. IZUKAWA declared a gas stove, tables, chairs, dressing table and cupboards at her home 422 Alexander St. The Canadian Credit Men's Trust Ass'n found the following according to their report of May 12, 1942; 1 gas stove (old); 1 bureau; 1 table; 1 dressing table; 1 cupboard and 1 bed & springs. These were valued by the investigator at $6.50, and with the approval of the owners were sold for that sum. These funds were placed in the joint account of Kane & Sakuhei IZUKAWA.

In addition to the goods reported above, Kanichi MORI stated to the ~~Custodia~~ Canadian Credit Men's Trust Ass'n that a quantity of merchandise had been shipped to Sakuhei IZUKAWA at Raymond, Alta.

The file reveals also that 27 boxes belonging to IZUKAWA were stored at the warehouse of G. H. Cottrell Ltd., September 23, 1943. Under dates, September 23, 1943, September 30, 1943, December 5, 1944, and September 13, 1945, permission was given the storage company to ship to IZUKAWA a total of 18 packages. The file does not reveal whether the remaining nine items are still in storage or have been shipped.

PERSONAL PROPERTY SUMMARY

Files Nos. 4828 & 10367 April 17, 1947

Mr. & Mrs. Sakuhei IZUKAWA reported Accounts Receivable in connection with the drug store. These have been dealt with in File 10367A. A list with the present condition of these accounts appears behind this summary.

Kane IZUKAWA reported 9 $100.00 Victory Bonds in her own possession. These were not brought under the control of the Custodian.

Mr. Sakuhei reported $1,000.00 coverage by North West Fire Insurance and $1,000.00 coverage by Ohio Farmers Insurance on his merchandise and fixtures. On August 14, 1942, the Canadian Credt Men's Trust Ass'n reported that they could find no evidence of insurance. Nothing further appears on file in regard to this.

Sakuhei IZUKAWA reported a $1,000.00 Confederation Life policy. On November 13, 1942, a dividend cheque, payable to him, was received from this company in connection with policy #265,289, and this was credited to the account of Sakuhei IZUKAWA. From the joint account premiums for the years 1944, 1945 and 1946, $39.25 each, a total of $117.75, were paid on Confederation Life policy #265,289, with the approval of Mrs. Kane IZUKAWA.

From the joint account also were paid premiums on life policy #101,985,924/925/798, on the life of their son, T. (Teruo probably) IZUKAWA, with the Prudential Life Insurance Company. Premiums were paid for the years 1944, 1945, 1946, of $35.25 each, a total of $105.75.

The three cameras surrendered by Mrs. Kane IZUKAWA were released by the R.C.M.P. to the B. C. Security Commission on May 4, 1943, for shipment to the owner.

The file of Sakuhei IZUKAWA reveals that he holds 6 shares in the West Coast Trading Company. No funds havebeen credited to his account from the liquidation of that company.

These two files reveal no other property of any kind whatsoever.

This summary is certified to be in accordance with information on file.
