Dear Sir:

Enclosed you will find Travel Permits for you and Mr. Miyamoto to Montreal, Quebec.

We have had no reply from the B. C. Security Commission in Montreal as to the possibility of securing work in the carpentry line for Mr. Miyamoto therefore the matter will have to be discussed with Mr. Beaudet, Placement Officer at Montreal. It will be up to him whether Mr. Miyamoto is allowed to remain there.

Sorry there was a delay but the Permits were not received until to-day.

Yours truly,

BRITISH COLUMBIA SECURITY COMMISSION,

/VY
