Dear Sir:

MACHIDA, Torakichi	M	Reg. No. 01541
MACHIDA, Shigeko	F	Reg. No. 01540
MACHIDA, Isao	M	5 years

At the time of registration, we were uneasy and afraid to relocate east of the Rockies and with no other alternative, we had signed for repatriation.

Our two sons are residing in the East. Haruo is working in Fort Williams, Ontario while Takeo has relocated to Hamilton, Ontario. Takeo has been telling us that even if we returned to Japan, there would be no home for us to return to. As he is persuading us to join him and as we desire to remain in Canada, we are appealing for the cancellation of our declaration for repatriation.

We trust that this appeal will be given our most considerate attention.

Yours truly,

.....Torakichi MACHIDA.....

Re: Shinzo Ochiai #01143

Re: Tsune Ochiai #08707

Reasons for signing the Repatriation Form

1. As I am physically unfit and past the age for labor, I was afraid of going east to face an unaccustomed climate and an uncertain means of livelihood.
2. I understood that those who did not sign repatriation forms may not be given maintenance and in view of the fact that I did not know how long the war was to be continued, I was afraid if such a step were taken.
3. I understood that if a person neither signed the repatriation form nor relocated in the east such persons would be in a difficult position at a later date when the Loyalty Commission started its investigation and I was afraid of this also.
4. Therefore I felt there was no alternative for me but to sign.

I revoked my request for repatriation because:

1. I had not signed the forms voluntarily at the time but because I felt there was no alternative for me but to sign.
2. I wish to retain my status as a British subject.
3. I like Canada as I have lived here for so long.

Dear Sir:

I, Seihei TAKAHASHI, Registration No. 01848 (Naturalized Canadian), hereby wish to have cancelled my application for repatriation to Japan.

At the time of registration my mind was not fully made up, as I was disturbed and unprepared for the whole incident. Also for the reason of being very old, I was unable to travel at the time, and therefore, had no alternative but to sign the application.

Now that the war has ended, it is my wish to remain in Canada. Kindly consider this matter fully and advise me of your decision at your earliest convenience.

Yours very truly,

In April, we signed forms requesting repatriation to Japan. We signed because it was compulsory to do so or else relocate east of the Rockies. Although we have been in Canada for thirty-nine years, having come in 1906 we have always lived in British Columbia. Rumours about the East coupled with the fact that Japanese Canadians were not allowed to own land or to possess business licences made us afraid to go East and attempt to make a living for ~~myself~~ ^{ourselves} and for our family of girls. Therefore, we reluctantly signed as there was a reasonable amount of security here in Tashme. We are Naturalized Canadians, having been naturalized in 1913. We are sincere in our request for cancellation of the papers we signed and desire very earnestly to retain our Canadian citizenship and to remain in Canada.
