Series Angler objects; Angler, Ontario

File

Accession Number 1999.18.1

Item Title Lead Medal

Item Date 1945

Item Description

Item is a diamond shaped lead medal. The lead was gathered from cigarette wrappers. The medal has beveled edges and there are two Japanese characters on the medal highlighted in gold. The rest of the medal is grey. The design on the medal is rather simple and carved into the lead. There is nothing on the backside of the medal.
