Dear Bob:

Re: Hyosaku Iwasaki - Case No. 415

I have received your reply of October 25th in regard to the above case.

Mr. Iwasaki is pleased to know the outcome of your investigations and will be glad to have you reopen the case with the additional evidence.

Mr. Iwasaki states that he was never informed of the action of Business Investments Limited until after the amount of \$250 was deducted by the Custodian. He states that he was at Bay Farm, Slocan, at that time.

Concerning unlisted chattels, Mr. Iwasaki states that these items are not a real issue, and he will not pursue the matter further.

Yours truly,

Kunio Hidaka.
