Dear Sirs:

Re: Jisaburo Kasho and the Custodian
of Enemy Property

We have been asked to make enquiries concerning the assets of Mr. J. Kasho and his two sons, on their behalf.

We are informed by the Secretary of State that a cheque for \$28,373.16 Canadian in favour of Mr. J. Kasho was forwarded to you on July 8th, 1953, and that this cheque was issued pursuant to Mr. Kasho's application for the release of assets held by the Custodian on his behalf or in the name of Kasho and Co. Ltd.

Mr. Kasho received this payment and now wishes to make a further claim concerning shares he possessed in the Mio Co. Ltd. which was put into liquidation.

Would you kindly tell us, if you have the information, what were the assets for which the cheque mentioned above was issued. We are not certain whether the above payment was for four boats and three scows owned by Mr. J. Kasho in his personal capacity or whether for shares he owned in Kasho & Co. Ltd., or for both. In fact we are not certain that Mr. Kasho owned the boats and scows in his personal capacity, or whether they were assets of Kasho & Co. Ltd.

Yours truly,

LAWRENCE SHAW & MCFARLANE,
