Dear Sir:

Re: Yeasaku Kubodera and  
Ayako Kubodera

I am in receipt of your letter of the 26th ultimo in which you request particulars regarding the entry to Canada of Yeasaku Kubodera and his daughter, Ayako Kubodera.

You have not given us sufficient information to enable us to verify the entry to Canada of Mr. Kubodera. Our earlier records are not alphabetically indexed and it is necessary for us to know the port of embarkation, port and date of arrival, and, if possible, the name of the boat.

In replying to this letter, please advise me the purpose for which this record is intended as our records are considered confidential.

Yours very truly,
