Dear Sir:

Re: Your File No. 2006-JN-40  
Tokio Maikawa and Family

Your letter of December 21, 1948, informed me that the application of Tokio Maikawa and his family for entry into Japan was referred to General Headquarters, SCAP, for a ruling on admissibility.

I would appreciate receiving information on the progress of the application, or general rulings of SCAP which may apply to this case.

Yours sincerely,

Kunio Hidaka.
