Dear Mr. Shigei,

You will recall that you wanted the question of your Canadian citizenship referred to a Commission for inquiry. I am now attaching a Notice of Hearing signed by the Registrar of Canadian Citizenship and in which he advises you that consideration of your case will take place in Toronto, Ontario, on September 14, 15, and 16. If you wish to submit to this Commission any further representation in writing or if you wish to have someone to represent you at the hearing, would you please let me know as soon as possible and not later than August 10.

Yours Sincerely,

G. Bertand,
