

Re: Car Taken Under Authority of Order in  
Council P. C. 4086.

---

Received notice of turning in Car to  
Representative of Custodian on March 11th.

On March 12th joined a Convoy from  
Cumberland at Qualicum Beach around noon.

Supplied own Gas and Oil to Victoria,  
B. C. Reached Victoria around 5 P. M. March  
12th.

Took up to 10 P. M. for Registration of  
Cars to Custodian, R. C. M. P.

At that time Curfew's on Japanese. Had to  
hire a taxi to Hotel. Paid our own meal and  
rooms. The morning of 13th paid own meals and  
expenses and to C. P. R. Station, for Homebound.  
Had considerable trouble obtaining ticket for  
Northbound. Paid our own fare.

At the start of Convoy to Victoria, we  
were told from the Provincial Police that the  
expenses was to be paid to us in full at the  
destination (Victoria), by the R. C. M. P. in  
charge there.

However when we reached Victoria, the  
R. C. M. P. refused to pay us because they had  
no such orders.
