

Toshiki Kaga (Canadian Born) Reg. #07369

I, Toshiki Kaga, was ordered to surrender my car in custody of R. C. M. P. in Victoria on March 12, 1941.

I had to drive my car into Victoria and while there, I was compelled to pay my expenses such as hotel and meal bills.

On my return trip I had considerable trouble obtaining my railway tickets. After much difficulties I finally was able to obtain one, only a few minutes before train time. This also at my own expense.

I was never consulted as to their selling of my car. This I did not find out until I made inquiries as to what had happened to my car.
