

May 8, 1949.

Miss Margaret Boos, Secretary,
The Co-operative Committee on Japanese Canadians,
67 Riverdale Avenue,
Toronto 6, Ontario.

Dear Miss Boos:

We, the undersigned claimants, have given very careful Consideration to the proposal of the Dominion Government and the Commissioner, Mr. Justice Bird, for the settlement of Japanese Evacuation Claims.

We regret very much that the proposed percentage increases on the Custodian's selling price are insufficient and we must, therefore, consider the proposal unacceptable.

We request that the Co-operative Committee have its general counsel advise the Dominion Government and the Commissioner of our decision and press for a revision of the proposal.
