Dear Mr. Fujikawa :

Apparently you have been negotiating with our Head Office in Vancouver for a travel permit allowing you to proceed to Mission City on permanent transfer. Word has just reached us that approval has been given to your request. It is understood that you are to reside with Mr. George Broomfield, R.R. No. 2, Mission City, B.C.

I am enclosing authorization for this permit. Please take this to the R.C.M. Police at 59 Victoria St., where the regulation travel permit will be handed to you.

Yours sincerely,
