Item Title	Sawa Morishita's first Western Outfit
Item Date	1930

Item Description

A silk dress. The top is lighter cream and sleeveless, at the waist it becomes a thicker dusty rose silk pleated skirt. Accompanying the dress is a v-neck long sleeved shirt made from the same dusty rose silk; at the stomach a zig-zag pattern is present. The shirt has a collar and cuffs also made of cream silk and edged in lace. Added embellishment is found on the collar that shows embroidered flowers of pink, orange, green, purple and black at each point. The cuffs are also embroidered with flowers carried out in a white stitch.
