Dear Friends:-

The words "thank you" will never adequately express the true sentiment of the gratitude we felt upon receiving your kind message of goodwill and the generous gifts of tobaccos and other assorted articles. Furthermore when we consider the fact that all of you in the ghost towns are going through greater hardships and privations than what has been our lot, our gratitude knows no bounds.

However I am sure there are many of you who have either their families or friends in this internment camp and it may relieve them to a certain extent to know that we are all faring well and in high spirits.

In conclusion I should like to avail myself of this opportunity of conveying our greetings to you all with the most sincere wishes for your health and happiness.

Thanking you all kindly,

Yours sincerely,

Tanaka,
 Tokikazu TANAKA p/w #591
