Dear Sir:

I am in receipt of your letter of June 12th in reference to the list of deaths of Japanese Nationals in my district.

This is to advise that I have sent you a report on the death of U. Yamamoto around the beginning of May.

From your letter I surmise that you have not received such report, wherefore I am enclosing another one which is a duplicate of the report I sent you.

Since, no deaths has occurred.

There has been no change on our committee for the nationals.

On behalf of the Nationals in Rosebery I thank you for the many services you are rendering on behalf of the Nationals.

Yours respectfully,

.....
