

CONSULADO GENERAL DE ESPAÑA

PROTECCIONES

No. 439
J.282

MONTREAL, June 21, 1944.
1155 METCALFE STREET

Gentlemen:

I am writing to acknowledge the receipt of your letter of June 9th, enclosing a copy of your petition addressed to the Minister of Labour relative to increased maintenance and improved housing.

I have written to the Department of External Affairs supporting your petition, and also am forwarding a copy of it to my Government for transmission to the Japanese authorities. I shall give my careful attention to this matter with the hope that your wishes may be satisfied; and when I receive a reply from Ottawa, I shall lose no time in communicating with you again.

As it is very difficult for me to leave my office owing to the pressure of duties, I can direct Mr. F.P. Bernard, Honorary Spanish Vice-Consul at Vancouver, to visit you should any event of importance and urgency occur in your settlement.

Yours faithfully,

Pedro E. Schwartz
Consul General of Spain
in charge of Japanese interests
