Materials received:

We very much appreciate having the opportunity to photocopy your album that was brought to us on January 27, 1981. The correspondence of Jisaburo Wakabayashi will be valuable information to many researchers. The material has been copied and can be picked up at any time. The photocopies are available for people to read and can be located in the Japanese Canadian Manuscript Collection, The Jisaburo Wakabayashi Papers, box 20, folder 3a.

Thank you again for giving us the opportunity to photocopy the album. If we can be of any assistance in the future, please let me know.
