Honourable Count of Morales, Esq.,  
Consul General of Spain,  
1155 Metcalfe Street,  
Montreal, P. Q.

Honourable Sir:

May we be honoured with your attention on the following two matters?

We have heard that books have arrived as presents from Japan.

Although we are sorry to impose on you when your time is filled with many important duties, we shall appreciate deeply if you will arrange to send our share to us directly.

We wish to add for your information that our population is 550.

We wish to inquire if the Special Fund, established by the Japanese Government for relief purposes, can be granted also to Canadian Born Japanese and Naturalized Japanese Canadians ( living in Canada ) according to their needs.

We shall be very much obliged if you will send us a reply at your earliest convenience.

Yours respectfully,

Spokesmen of Japanese Nationals,
