Mr. Jisaburo WAKABAYASHI,
Reg. No. 10034,
TASHME, B.C.

Dear Sir:

We have for acknowledgment your letter of the 14th ultimo and at this time wish to deal with a portion of same.

The Buddha shrine is no doubt in the Hompa Buddhist Temple with about one hundred other shrines, but without any identification or registration numbers, we are afraid it will be impossible to determine which one belongs to you.

As regards the ashes of your daughter, we will facilitate the dispatch of these to you, but you will have to make application to the Supervisor in Tashme for Custodian release giving the full name of your deceased daughter.

We are anxious to see all urns containing ashes sent to the families interested.

Yours truly,

G. B. Spain
