Key Points Made at NAJC - FEB 2

Montreal - suggest spokesman
A.Miki - no ~~commit~~ decision

City of Toronto sent a letter to Mulroney.
City Council - made a resolution
- work.

HW support
M/H
Vanessa

ART MIKI - Compensation - should be some basis
- Economic loss study - should be
the basis - not dollar for dollar
but there should be a relevance

Two major focus - Compensation
- division - among the Japanese
NAJC - unity. (eliminate division)
- maturity.

Administrators

- Paid to make decision
- Accountability - once decision is made - binding to the group
- Deliberation prior to decision
- If cannot support in public - should not be part of organization

Agree with
the concept
but we have
initiated the
process of
consensus
need the
time

- Decision making process - not time to run back
to the constituents.

- Vice Chair - Mulroney

- VP - Jack OKI - Toronto

- should be delegated

- Role needs to be
renewed by this
group.

VIC OCCIRA - Mandated by the constituents
Not aware of the transgression

- President - ~~was~~ asked to be
dissident

THIS IS THE FORUM -

JACK OKI = reserve between NRC / NAIC

- reservation whether the breakdown
can be resolved

- Chairman expelled - committee disordered
humanitarian action -

Minutes talked to President - wouldn't
have anything to do with it

Message - ^{copy} ~~that~~ - * asked Oake

Compensation - low developed

- process

Govt conceded there was no process - other than all the Govt can afford.

- MORTA - EXISTING FISCAL YR
- PM SHAO
- suggested phase-out

Nego Team - Ponton - before can place figure on the table

ECONOMIC STUDY - to quantify amount of loss.

- to bring it up to 1985 levels.

- not asking for FMV but owe it to community and nation - enormity of loss - will be a %
- "bore some resemblance to losses - albeit a portion."

if had not carried out a loss study -

Summary - Ponton made - "extremely reasonable" not asking FMV

Friedmann - Jews/Germans FMV replacement

RECOMMENDATIONS (Personal)

1. Request meeting with Prime Minister
letter to PM - to present know
Ministry to become involved - dispense impose
2. Back to negotiation, not consultation
3. Feasibility study - implement
fr economic law

very important component of negotiation

③ Annual Negotiations

One operation higher - community has
not covered

Caution of some down to settlement
if needed people party - do not like the
idea - don't look to do for success

Reality - have to convince

= UNILATERAL - HOW TO NEGOTIATE - RECENT

= ECONOMIC STUDY

= CONVERSATION - DIFFERENT TERMS

RT MIKI

1. Govt position - not to cover people for ~~losses~~ losses -
 - recognition of injustice
 - prerogative to claim in court
2. Compensation - The word "individual" has created roadblock - drag year.
 - even taken for other kind of injustices

3. Amount of compensation
 - Even opposition leader - community has not consented.
 - Cautious if come down to settlement of Canadian people or party - do not like the term - don't look to us for support

Reality - have to convince

NEGOTIATION PROCESS

- = UNILATERAL - HAVE TO ESTABLISH - REPRESENT
- = ECONOMIC STUDY
- = COMPENSATION - DIFFERENT FORMS

CORNIE SUGIYAMA - RESOURCE PERSON

NASC - informal basis

No FRAMEWORK OF CONSTITUTION

1. Unify Community =
2. Communication =
3. Funding =
4. Confidentiality - Board of Directors

Options - whether to incorporate - need corporation
Federal non profit / non share

Bylaws

may enhance the legitimacy of this organization

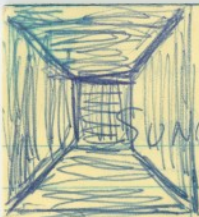

NASC - probably cannot be registered
as Non-Profit

Revenue Canada look at it as political
- possible educational trust

- Other share cost
- What are the downsides to incorporation
