Dear Art:

The Constitution Committee which convened on Thursday 14 February 1985 decided, since the Committee has accomplished the task, that there is no necessity of carrying on.

Therefore, this is an official notification that the Constitution Committee was dissolved as of 14 February 1985.

I did not have the opportunity at the last council meeting so at this time I wish to go on record commending the efforts of each of my committee members and in particular, Mr. R. Mori, for his invaluable contribution.

Sincerely yours,
