Dear Rits:

I received your letter of March 4 advising me that the Constitution Committee was dissolved as of February 14, 1985.

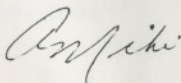

I wish to elaborate on the matters discussed in your letter.

First, I feel that the task of the Constitution Committee was not complete as I thought that once the revised draft, based on the input of Council, was assembled by Ms. Connie Sugiyama that your committee would review the draft for final recommendations to Council.

Secondly, the Committee does not have the prerogative to dissolve itself. Only National Council has this power. If members do not wish to continue, then you as chairperson can appoint others to the committee or ask the NEC to take on this responsibility.

I wish to thank the members of the Constitution Committee for their input and contribution and ask that you share the above organizational procedure with them. I await your direction concerning the future of the Constitution Committee members.

Sincerely yours,

Arthur Miki
President
